The voice the dressing down the cigarette in its holder remain unmistakable There is rarely a week when one of Private Lives Hay Fever and Blithe Spirit is not in production somewhere in the world Phrases from Noel Coward s songs Mad About The Boy Mad Dogs and Englishman are forever lodged in the public consciousness He was at one point the most highly paid author in the world Yet some of his most striking and daring writing remains unfamiliar As T S Eliot said in 1954 there are things you can learn from Noel Coward that you won t learn from Shakespeare Coward wrote some fifty plays and nine musicals as well as revues screenplays short stories poetry and a novel He was both composer and lyricist for approximately 675 songs Louis Mountbatten s famous tribute argued that while there were greater comedians novelists composers painters and so on only the master had combined fourteen talents in one So central was he to his age s theatre that any account of his career is also a history of the British stage And so daring was Coward s unorthodoxy in his closest relationships obliquely reflected throughout his writing that it must also be a history of sexual liberation in the twentieth century In Oliver Soden s sparkling story packed new Life the Master finally gets his due *The Amazing Mr. Noel Coward* Patrick Braybrooke,1933
