Noela That Man In Rio 2 Novellas:

Noela & That Man in Rio Muriel Maddox, 2007-03 In two widely disparate novellas Muriel Maddox explores different times and different settings as she takes us from the present in Switzerland where a past secret endangers the present to the 1930s in Rio de Janeiro as the threat of war in Europe creates only one of the dilemmas for an American Navy wife In *Noela* Paul Sanderson a Los Angeles lawyer and his wife Liz are vacationing at a Swiss hotel in Vevey on Lake Geneva As Paul glances across the lake to France he suddenly realizes that he is opposite the village of Saint Gingolph where his plane was shot down during the Second World War and where he was hidden by a French family He wonders what has happened to Noela with whom he had a brief love affair and also the priest Andre Romelin who helped him escape Paul had promised to return but never did When his wife runs into an old friend and makes a lunch date with her he quickly takes a steamer across to Saint Gingolph The secret he discovers there threatens to destroy the present In *That Man in Rio* an American Navy couple is stationed in Rio de Janeiro during the 1930s as war clouds are gathering over Europe A former Southern belle from Raleigh North Carolina Lila Townsend loves the glamour of Rio but is bored with her life as a wife and mother of two small children She becomes involved with a dashing German diplomat whom she meets at a polo match Their affair escalates and Kurt asks her to leave her husband and return to Germany with him As she is torn about what to do fate steps in bringing a tragedy Lila could not foretell Muriel Maddox spent her childhood in Rio de Janeiro and has drawn on those early memories for *That Man in Rio* A tour guide's tale about the brave priest of Saint Gingolph who helped downed American and British fliers escape the Nazis led her to that village and inspired the story of *Noela* Muriel Maddox is the author of *Llantarnam Love and Betrayal* and *Captain from Corfu* all from Sunstone Press She has also written screenplays and published poetry and short stories Booklist said captivating written with great depth of feeling and a clear understanding of the impact of loss on the human psyche **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004 [American Book Publishing Record](#), 2000-07 *The Coon-Sanders Nighthawks* Fred W. Edmiston, 2016-04-25 Carleton A Coon Sr and Hoe L Sanders formed the Coon Sanders Orchestra in 1919 in Kansas City Missouri Three years later under the name Nighthawks the band began broadcasting experimental highly popular midnight radio programs over Kansas City's WDAF Their music was played all over the world and the band remained one of America's top bands until Coon's death in 1932 Here is the complete history of the Coon Sanders Orchestra the band whose saucy and bustling music and carefree and extravagant musicians symbolized the era between World War I and the Great Depression *Brazil and Rio de la Plata* Illinois Conference of Latin Americanists. Conference, 1983 **New York Herald Tribune Books**, 1934 *Cold Case: Billy the Kid* W.C. Jameson, 2018-05-01 In this series private investigators pick up where the historians left off taking on a series of major cold cases in history starting with the mishandling of evidence relating to the life and times of Billy the Kid Cold Case Billy the Kid tackles the myths and legends about the notorious outlaw one by one considering the evidence from contemporary sources

and looking at the physical evidence still extant today to consider the veracity of historical claims and considering the evidence through the lens of a legal investigation In this first book the writers tackle the evolution of an outlaw in myth and lore claiming that Billy the Kid as a notorious outlaw is a manufactured concept They offer evidence that the Kid was little more than one of several small time cattle and horse thieves whose rustling netted him only a small amount of intermittent income He killed no fewer and probably no more than four or five men For the most part he worked on ranches notably those of John Chisum and John Henry Tunstall The Kid as a cattle thief was known to many in southern New Mexico and the Texas Panhandle along with a number of other troublesome rustlers **New York Magazine** ,1994-02-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Men of Achievement* ,1980

Family Secrets Gloria González-López,2017-06-20 Real personal accounts of sixty Mexican women and men affected by incest and sexual violence In Family Secrets Gloria Gonz lez L pez tells the life stories of women and men in Mexico whose lives were irrevocably changed in the wake of childhood and adolescent incest In Mexico a patriarchal religious society where women are expected to make themselves sexually available to men and where same sex experiences for both women and men bring great shame incest is easily hidden seldom discussed and rarely reported to authorities Through a gripping emotional narrative Gonz lez L pez brings the deeply troubling hidden and unspoken issues of incest and sexual violence in Mexican families to light She contends that family and cultural structures in Mexican life enable incest and the culture of silence that surrounds it She examines the strong bonds of familial obligation between parents and children brothers and sisters and elders and youth that in the case of incest can morph into sexual obligation the codes of honor and shame reinforced by tradition and the Church discouraging openness about sexual violence and trauma and the double standards of morality and stereotypes about sexuality that leave girls and women and gender nonconforming boys and men especially vulnerable to sexual abuse A riveting account Family Secrets turns a feminist and sociological lens on a disturbing issue that has gone unnoticed for far too long National Union Catalog ,1973 Includes entries for maps and atlases
