Noir Tango:

Noir Tango Régine Deforges, 2014-04-01 Novembre 1945 Nuremberg dans l'Allemagne vaincue les Alliés jugent les anciens criminels nazis. La Delmas envoyée par la Croix Rouge y retrouve François Tavernier qu'elle a revu quelque mois plus tôt dans un Montillac en pleine reconstruction. La branlée par les atrocités de la guerre s'effondre lorsque Sarah Mulstein lui raconte l'horreur de son calvaire dans le camp de Ravensbrück. Les souffrances et les humiliations ont fait de cette femme sensible un tre habit par la haine et le désir de vengeance. Sarah convainc François Tavernier de pousser sa cause et de rejoindre le réseau de Vengeurs qu'elle a constitué. Leur mission est simple : traquer et exécuter les nazis partout où ils se trouvent. Cette chasse les conduit en Argentine où les milieux prouistes facilitent l'insertion des criminels de guerre dans la société. Dans *Noir Tango* Régine Deforges redonne vie pour notre plus grand bonheur aux personnages qui nous ont conquis dans sa trilogie *La Bicyclette Bleue*.

Tango Lessons Marilyn G. Miller, 2014-02-07 *Tango Lessons* is an interdisciplinary collection of essays examining the many varied perspectives that tango provides on Argentina's social cultural and intellectual history from the late nineteenth century to the early twenty first.

His Master's Voice/La Voix de Son Maître Alan Kelly, 1990-09-27 This is a companion volume to the Italian catalogue *La Voce del Padrone* already published by Greenwood Press. This new volume provides a complete catalogue of French gramophone recordings made by the Gramophone Company Ltd between 1898 and 1929. During this period the Compagnie Française du Gramophone was the continental European African and Asian end of a powerful partnership between the Victor Talking Machine Company and the Gramophone Company Ltd. The volume includes details of Victor recordings issued outside the Americas and hence is a useful adjunct to the series *The Encyclopedic Discography of Victor Recordings* also published by Greenwood Press. The first three sections conform to the previously established pattern of listing Gramophone black and celebrity labels followed by the Zonophone green labels and the Gramophone green labels. In 1920 it was decided to issue records specifically for the Belgian Flemish market; these are detailed in the fourth section. The contents of each section are listed in numerical order following the pattern of the early printed catalogues: that is bands followed by orchestras followed by talking etc. A list of the series actually used precedes

each section and acts as a table of contents for the section Each catalogue entry comprises as much as possible of the following information the original numerical catalogue number the matrix serial number the date of the recording the name of the artist s involved the title of the piece alternative issue numbers and occasional notes The introduction provides an overview of the company s recording practices and cataloging systems This volume provides much needed guidance for the serious collector and will be a valuable resource for the music historian *Poke a Stick at It* Connie Cronley,2016-09-30
