

Nominating a President

- Two competing problems:
- #1: Must nominate mainstream candidate to win election
- #2: To get to the national stage, you have to win in extreme groups
- Delegates tend to be much more extreme than rank-and-file party members and voting specialists
- Before 1972, most delegates were picked by party leaders. Now, they are picked by primaries and caucuses
- Possibility that media steered Democrats away from Dean?

Nominating The President

R. Sam Garrett

Nominating The President:

Nominating the President Gerald M. Pomper, 1963

Nominating the President Jack Citrin, David Karol, 2009-09-16

The 2008 presidential nominations were unprecedented in many ways Marking another step in the democratization of the selection process and a surprising loss of control by party elites the contests in both parties were unusually competitive and the outcomes belied the predictions of experts This book offers a fresh look at the role of parties the constraints of campaign finance the status of front runners and the significance of rules race and gender in the post reform era In this volume leading scholars assess the state of the process with original research about money scheduling superdelegates and the role of race and gender in voting Original analyses show how changes in campaign finance and the scheduling of primaries and caucuses helped determined the outcomes in both parties Race once thought of as a handicap proved an asset for the Obama campaign 2008 marked another milestone in the democratization of the nominations process with expanded participation by rank and file voters in donating money voting and using the Internet This timely book provides a glimpse into the future of party nominations and elections

Nominating the President Jack Citrin, David Karol, 2009 The 2008 presidential nominations were unprecedented in many ways Marking another step in the democratization of the selection process and a surprising loss of control by party elites the contests in both parties were unusually competitive and the outcomes belied the predictions of experts This book offers a fresh look at the role of parties the constraints of campaign finance the status of front runners and the significance of rules race and gender in the post reform era In this volume leading scholars assess the state of the process with original research about money scheduling superdelegates and the role of race and gender in voting Original analyses show how changes in campaign finance and the scheduling of primaries and caucuses helped determined the outcomes in both parties Race once thought of as a handicap proved an asset for the Obama campaign 2008 marked another milestone in the democratization of the nominations process with expanded participation by rank and file voters in donating money voting and using the Internet This timely book provides a glimpse into the future of party nominations and elections

Reforming the Presidential Nomination Process Steven S. Smith, Melanie J. Springer, 2009-11-01 The 2008 U S presidential campaign has provided a lifetime s worth of surprises Once again however the nomination process highlighted the importance of organization political prowess timing and money And once again it raised many hackles The Democratic contest in particular generated many complaints for example it started too early it was too long and Super Tuesday was overloaded This timely book synthesizes new analysis by premier political scientists into a cohesive look at the presidential nomination process the ways in which it is broken and how it might be fixed The contributors to Reforming the Presidential Nomination Process address different facets of the selection process starting with a brief history of how we got to this point They analyze the importance and perceived unfairness of the earliest primaries and discuss what led to record turnouts in 2008 What roles do media coverage and public endorsements play William Mayer explains the superdelegate phenomenon

and the controversy surrounding it James Gibson and Melanie Springer evaluate public perceptions of the current process as well as possible reforms Larry Sabato A More Perfect Constitution calls for a new nomination system installed via constitutional amendment while Tom Mann of Brookings opines on calls for reform that arose in 2008 and Daniel Lowenstein examines the process by which reforms may be adopted or blocked

Presidential Nominating Process United States. Congress. House. Committee on House Administration. Subcommittee on Elections,1986 Nominating a President, the Process and the Press John Foley,Dennis A. Britton,Eugene B. Everett,1980-01-01 Nomination and Election of the President and Vice President of the United States, 1988 Thomas M. Durbin,1988 *Presidential Nominations* Danielle Haynes,2019-12-15 By the time the U S presidential election rolls around every four years everyone knows who s in the running for office But how are presidential candidates in the United States chosen How do candidates get nominated and what does a nomination mean Can you become president without a nomination and why or why not Readers will learn about political parties national conventions special circumstances during nominations and the history of presidential nominations Primary sources and fact boxes add further historical and fascinating content
