**Nontariff Barriers To High-technology Trade** Robert B. Cohen, 2019-04-02 This book describes European and Japanese nontariff barriers NTBs in areas of high technology trade and discusses their impact on the international behavior of U S firms This study was prompted by the rising incidence of nontariff measures in high technology sectors as governments increasingly attempt to promote the growth of new industries th

**Nontariff Barriers** Michael F. Oppenheimer, 2019-04-08 This book explores the impact of Japanese and European nontariff barriers NTBs on the international marketing investment and technology strategies of small to medium sized high technology U S firms The study documents a pronounced dichotomy between strategies of small and large companies that to a significant extent reflects the gap in the resources bargaining power and familiarity with foreign markets of these two groups Conclusions concerning the efficacy of corporate strategies adopted are supported by an analysis of over 20 case studies These strategies range from licensing agreements with local firms to use of a trading company or local distributor formation of a joint venture with a local firm and establishment of a wholly owned subsidiary in the foreign market

*High-Tech Trade Wars* Sara Schoonmaker, 2002-07-07 Focusing on the conflicts between the United States and Brazilian governments over Brazil s efforts to develop a local computer industry High Tech Trade Wars examines the political struggle between governments and multinational corporations in today s global economy Sara Schoonmaker uses the technology industry to delve into one of the key political conflicts of our time the construction of a free trade regime determined to open markets around the world to global capital and attempts by Latin American African and other governments to resist this process The Brazilian computer case is a prime example of a nationalist effort to promote local growth of a key high technology industry an effort that was eventually dismantled under the pressures of what Schoonmaker views as part of a broader process of neoliberal globalization High Tech Trade Wars presents a multidimensional view of the globalization process where economic changes are shaped by political struggle and cultural discourse It includes interviews with Brazilian industrialists and state officials involved with implementing and eventually dismantling Brazil s informatics policy and discussions of grassroots level protests organized against neoliberal globalization during the recent WTO meetings in Seattle and Davos Switzerland
