Nora And Liz:

Nora and Liz Nancy Garden, 2012-04-16 On the long drive to her family's summer cottage Liz Hardy was dreading the cobwebs dust and memories that surely awaited her after five uninhabited years She knew there was no reason to put it off any longer now that both of her parents were gone It was time to sell the rustic old place and nothing would ever be the same for her again Nora Tillot gazed out the window at her thriving garden and then across the kitchen to her failing parents Today Yesterday Tomorrow All the same she thought But looking at her mother Nora smiled radiantly took a deep breath squared her shoulders and went to help her father with his lunch One Journey When her rental car has a flat tire Liz reluctantly stops at the old Tillot farm to borrow a jack Walking out to the barn together the two women unknowingly take the first steps on a path that will change both of their lives forever But when their tender friendship turns passionate Nora and Liz's happiness is shattered by accusations and rumors Trying desperately to rise above the tumult they silently wonder if their love can survive

Nora and Liz Nancy Garden, 2002-01 As a tender friendship turns passionate two women's happiness is shattered by accusations and rumors

The Wayward Zephyr Roberto De Haro, 2011-05 A romance about a lovely New England woman and a successful Mexican American financier

Her Missing Husband Victoria LK Williams, Missing on the Menu at the Tattle Tale Caf In the sunny tropical seaside town of Sandpiper Cove the Tattle Tale Caf is more than just a coffee shop it's the center of the community With its breezy patio overlooking the ocean the scent of Leigh Ann Garrett's freshly brewed coffee wafting through the air and a constant hum of chatter from the regulars it's where locals gather to catch up on gossip and lend a hand when someone's in trouble Trouble arrives in the form of Katie Fox whose perfect life is upended when her husband Keith vanishes without a trace From the outside Katie and Keith seemed like the ideal couple but as whispers spread through Sandpiper Cove it becomes clear that not everything was as picture perfect as it seemed Why did Keith leave without a word And why does Katie seem to be hiding something Leigh Ann the caf's sharp-eyed owner can't resist a good mystery especially when it threatens the harmony of her beloved town With the help of her favorite regulars the quick-witted Nora and ever-curious Liz Leigh Ann dives into the case But solving the mystery of Keith's disappearance isn't easy From the sandy beaches to the shady mangroves the trio uncovers secrets that could devastate not just the Fox family but the entire community Balancing caf life nosy neighbors and a mystery that grows more tangled by the day Leigh Ann and her friends must piece together the truth before Sandpiper Cove's picture perfect charm is shattered for good So grab a seat at the Tattle Tale Caf feel the sea breeze on your face and enjoy a cup of coffee with a side of mystery because in this tropical paradise the gossip is hot and the secrets are even hotter

Tales of a Woman's Struggle Josephine Rose Newton, 2010-11-10 Tales of a Woman's Struggle Josephine Rose Newton Trials and tribulations come in all shapes and sizes Whether you are dealing with unexpected pregnancy divorce or the death of a family member you will find solace in Josephine Rose Newton's book Tales of a Woman's Struggle Her fabulous characters are well-crafted and really

speaking to the distresses women encounter in their lives. Women face unique struggles with which men do not relate. While men feel pain during divorces or the deaths of loved ones, they cannot understand exactly what women are going through in similar situations. Newtons' short stories are touching, and every woman can find a little of herself in each character. The characters are like ourselves: our mothers, our aunts, and our best friends, each calling out for understanding and empathy. Newtons' writing style is easy to read, which makes it easy to open the heart. You may be a Nora who has been faithful her entire life but is crippled by loss. You could be a Jill who seems to face multiple trials and is unable to see where her life will lead. You may even be a Lily who always thought her life would be something that never panned out. Each character has her faith tested in different ways but, in the end, finds her strength in her walk with God. Faith is tried over and over again when we think we are finally through; we find there is another test waiting for us. No matter what test of faith you are experiencing in *Tales of a Woman's Struggle*, you will find one of these artfully crafted characters with whom you can identify. We women understand how important it is to be strong for our families, and Newtons' book is the perfect place to strengthen and recharge your faith. Whether you read the book to energize your own faith or give it to a woman you love, you will not be disappointed by Newtons' short story collection. Todd Rutherford, AskthePublishingGuru.com

The Toy Puzzle Victoria LK Williams, A Latte Trouble at the Tattle Tale Caf Christmas is just around the corner in the sunny seaside town of Sandpiper Cove, but the holiday spirit takes a nosedive when the toys collected for the annual toy drive mysteriously vanish. With no clues and the whole town buzzing with speculation, Leigh Ann Garrett, a waitress at the beloved Tattle Tale Caf, knows she can't sit idly by. After all, Christmas morning without toys for the kids is not on her watch. But catching a thief isn't so easy when you've got a secret of your own to protect. As Leigh Ann starts poking around, she quickly learns that Sandpiper Cove is full of surprises and more than a few secrets. With help from the caf's loyal regulars, a meddling but good-hearted group of locals, and a lot of coffee-fueled determination, Leigh Ann is determined to save Christmas, even if it means putting herself on someone's naughty list. Between festive small-town gossip, a caf full of colorful characters, and a mystery that grows more tangled by the day, Leigh Ann's sleuthing leads her to uncover more than just stolen toys. Will she crack the case in time to save the holiday season, or will the thief and her secret stay hidden? Pour yourself a cup of cheer and join the fun at the Tattle Tale Caf where the coffee is strong, the gossip is hotter, and there's always a mystery brewing. Jasper Lake John Kuntz, 2006

Peer Relationships and Social Skills in Childhood K.H. Rubin, H.S. Ross, 2012-12-06 Amy Rubin, the seven-year-old daughter of one of this volume's editors, was discussing with her close friend Kristin her teacher's practice of distributing stickers to her classmates for completing their seat work. As the conversation continued, Joshua, Amy's two-year-old brother, although Amy would argue that he more often resembles an albatross around her neck, sauntered up to the older children. He flashed a broad smile, hugged his sister, and then grabbed her book of stickers. Corey Ross, the nine-year-old son of the other editor, was trying to plan a tobogganing party with his friend Claire. The problem facing Corey and Claire was that there were

too few toboggans to go around for their grade four classmates Jordan Corey's younger brother had agreed to lend his toboggan. However, Harriet Claire's younger sister and Jordan's close friend had resisted all persuasive attempts to borrow her toboggan. The older children decided that the best strategy was to use Jordan's friendship with Harriet and his good example of sibling generosity in presenting their case to Harriet. Both of these anecdotes exemplify what this volume on peer relationships and social skills is about: Children have friends with whom they discuss issues of perceived social significance. During the early elementary school years, rather sophisticated conversations and debates concerning topics of reward, distribution, altruism, person perception, social status, sibling relations, and cooperation can be overheard, especially by eavesdropping parents who have professional interests in such matters.

Christmas by the Book Anne Marie

Ryan, 2021-10-12 A heartfelt and lovely Christmas tale for book lovers everywhere. Jenny Colgan, author of *The Bookshop on the Shore*, in small town England, two booksellers facing tough times decide to spread some Christmas cheer through the magic of anonymous book deliveries in this uplifting holiday tale for book lovers everywhere. Nora and her husband Simon have run the beautiful oak-beamed book shop in their small British village for thirty years. But times are tough and the shop is under threat of closure this Christmas season will really decide their fate. When an elderly man visits the store and buys the one book they've never been able to sell, saying it's the perfect gift for his sick grandson, it gives Nora an idea. She and Simon will send out books to those feeling down this Christmas. Maybe they can't save their bookstore, but at least they'll have one final chance to lift people's spirits through the power of reading. After gathering nominations online, Nora and Simon quietly deliver books to six residents of the village in need of some festive cheer, including a single dad of twins who is working hard to make ends meet, a teenage boy grieving for his big sister, a local Member of Parliament who is battling depression, and a teacher who's newly retired and living on her own. As the town prepares for a white Christmas, the books begin to give the recipients hope, one by one. But with the future of the bookshop still up in the air, Nora and Simon will need a Christmas miracle, or perhaps a little help from the people whose lives they've touched, to find a happy ending of their own.

Little Broken Things Nicole Baart, 2020-08-25 If you liked *Big Little Lies*, you'll want to crack open *Little Broken Things*. Southern Living. An unforgettable and moving novel about an affluent suburban family whose carefully constructed facade crumbles with the unexpected arrival of an endangered young girl. I have something for you. When Quinn Cruz receives that cryptic text message from her older sister Nora, she doesn't think much of it. They haven't seen each other in nearly a year, and their relationship consists mostly of infrequent phone calls and the occasional email. But when a haunted-looking Nora shows up just hours later, a chain reaction is set into motion that will change both of their lives forever. Nora's something is more shocking than Quinn could have ever imagined. A little girl cowering and wide-eyed, Nora hands her over to Quinn with instructions to keep her safe and disappears, leaving Quinn as the unlikely caretaker of a girl introduced simply as Lucy. Steeped in menace, a race to the finish, family drama. *People*. *Little Broken Things* explores life and death, family and freedom.
