Karna,2012-09-13 The fusion of text with music is one of the most powerful methods by which a composer can express emotion to an audience yet all too often the diction of choral groups is lacking to such a degree as to make the text unintelligible So argues Duane R Karna who in *The Use of the International Phonetic Alphabet in the Choral Rehearsal* brings together 30 essays by experts from around the world to describe how the character symbols of the International Phonetic Alphabet IPA can be used by singers in the choral rehearsal In an effort to conquer one of the greatest challenges facing choral directors and their choirs contributors explore the use of the IPA system in a vast range of languages Readers will find essays devoted to the use of IPA on matters of lyric diction for the following tongues Baltic Languages Basque Brazilian Portuguese Chinese Dutch Ecclesiastical Latin English Finnish French Georgian German Germanic Latin Greek Hawaiian Hebrew Hungarian Italian Japanese Korean Norwegian Polish Romanian Russian Spanish Swahili and Swedish Holding firmly to the belief that basic instruction in IPA character is part of a choir s training Karna and his contributors see enormous potential for choirs to expand considerably their foreign language repertoire and save considerable rehearsal time *The Use of the International Phonetic Alphabet in the Choral Rehearsal* is the ideal primer for choral directors and choirmasters as well as choir members *Norge er større enn vi tror* Ernst Baasland,2014-12-21 Nasjonalsangene og nasjonalpoesien har historisk sett bidratt sterkt til skape norsk identitet Derfor er det tankevekkende at nettopp disse i dag trues av kollektiv glemsel I denne velskrevne og kunnskapsrike boken tar Ernst Baasland for seg sangene og diktene om Norge setter dem inn i en historisk sammenheng og skildrer viktige sider ved norsk nasjonsbygging de siste 200 rene Ved siden av nasjonalpoesien dr fter Baasland ogs inng ende andre nasjonalsymboler som flagget nasjonaldagen og kongen og g r tett p diskusjonen om norsk kultur og identitet fra andre halvdel av 1700 tallet til i dag *Censorship* Derek Jones,2001-12-01 *Censorship* A World Encyclopedia presents a comprehensive view of censorship from Ancient Egypt to those modern societies that claim to have abolished the practice For each country in the world the history of censorship is described and placed in context and the media censored are examined art cyberspace literature music the press popular culture radio television and the theatre not to mention the censorship of language the most fundamental censorship of all Also included are surveys of major controversies and chronicles of resistance *Censorship* will be an essential reference work for students of the many subjects touched by censorship and for all those who are interested in the history of and contemporary fate of freedom of expression Catalog of Copyright Entries, Third Series ,1967 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc Catalog of Copyright Entries Library of Congress. Stutthof Diaries Collection Tore Jørgensen, 2022-02-02 In the early days of World War II as Nazi Germany brutally invaded and occupied neighboring countries around Europe hundreds of Norwegian police officers were commanded to carry out the orders of the Nazi occupiers of their homeland Norway They refused Even under threat of death they refused Their refusal led to their imprisonment and their removal from Norway ultimately to KZ Stutthof in eastern Poland where an elaborate network of concentration and death camps had been created mainly for Jews and Poles Author Tore J rgensen s father was one of those police officers This book is a recounting of these heroes experiences both in trying to maintain national pride and order in Norway before their expulsion and in trying to stay alive and outlast mental and physical exhaustion while in detainment Over the last 22 years as a labor of love and duty to preserve J rgensen gathered a large number of diaries and memoirs in which the police true to their training recorded the details of their experiences These articulate witness accounts have provided a record that is exceptional a treasure trove of anecdotes describing how personal sacrifice can triumph over

purposeless greed and violence The story of these Norwegian police officers is a story that celebrates the redemptive force of conscious choice against evil of how love and compassion can help people through some of the darkest periods of their lives Through their stories the Norwegian police officers loyal to their country and each other while reaching out to aid their fellow sufferers at the same time that they struggled for their own survival urge readers to not repeat the history and the myth of racial superiority that led to the rise of Nazism *The Making of European Consumption* P. Lundin,T.

Kaiserfeld,2015-01-26 American ideals and models feature prominently in the master narrative of post war European consumer societies This book demonstrates that Europeans did not appropriate a homogenous notion of America rather post war European consumption was a process of selective appropriation of American elements Fashioned in the North Anna Dahlgren,2020-07-15 This edited volume showcases new examples previously untold stories of images photographers publications and institutions partly unknown outside the Nordic countries The authors examine the reasons for and implications of this underexposure taking on a photographic metaphor While simultaneously challenging previously taken for granted ideas of the center and periphery in this field the book also widens the study of fashion photography Notably the hybridity of approaches may enrich future studies of fashion photography In *Fashioned in the North* fashion photography is viewed as a transnational phenomenon and a material object as well as a medium that is part of a media system and a result of archival systems and history writings Furthermore the book displays how studies of fashion photography can be so much more than stories of a few names and iconic images or studies of individual and periodic style Indeed the study of fashion photography may be a prism through which we can uncover cultural social economic and ideological aspects of society at present and in the past **Skysug** Frode Halse,2020-04-26 SKYSUG en paragliderpilots bekjennelse er en usminket

shared beyond an agreed upon boundary of relations whether that boundary is a pair of friends or a nation Taking as a point of departure Simmers work on secrets and secrecy Akerstrom discusses categories of betrayal and conditions that influence its intensity Sometimes the betrayer is seen as a hero and at other times a traitor and sometimes there are competing loyalties In certain situations she reminds us it is difficult to avoid betrayal or the perception of betrayal Akerstrom discusses strategies people employ to avoid betraying ranging from not telling to making sure one does not know about something in the first place With deft precision she clarifies distinctions and in the process broadens our understanding Initially inspired by insights arising from her research on the criminal informer for which she had done in depth interviews Akerstrom supplements these with interviews with policemen She has also drawn from her experiences in the field of social work particularly with women s and crime shelters Using biographies autobiographies and a broad range of literature related to spies World War II the McCarthy era and recent literature on whistle blowing Akerstrom has defined a fascinating theme While her illustrations are sometimes dramatic she hopes that readers will perceive obvious parallels with their own experiences Social psychologists sociologists criminologists and others interested in secrecy secrets and those who betray them to others will find this an unusual and absorbing volume
