B. Cooper Pier Angelo Remelli, 2022-07-13 No Non si tratta affatto di una storia inventata Anche se il sottotitolo potrebbe ricordare vagamente il racconto dello scrittore vittoriano Robert Louis Stevenson Lo strano caso del dottor Jekyll e mister Hyde la vicenda analizzata con curiosit in questo libro non assolutamente frutto di una grande fantasia di un romanziere Frutto di un grande intelletto di un criminale questo s The Hijacking of American Flight 119 John Wigger, 2023-10-12 In 1971 D B Cooper pulled off what some call the crime of the century skyjacking a Boeing 727 and parachuting into history and legend Here s a book that offers a gripping account of that still unsolved case based on never before published interviews showing how it launched one of the most extraordinary eras in American aviation history In November 1971 an unidentified man later anointed by the media as D B Cooper pulled off one of the most audacious crimes in aviation history hijacking a Northwest Airlines flight over the Pacific Northwest and parachuting from the Boeing 727 with 200 000 in ransom D B Cooper was never to be seen again and the FBI which kept his case open for forty years finally determined it would never be solved Unsolved perhaps but much admired Over the next seven months a number of air pirates imitated Cooper s crime None were more daring than the hijacker of American Airlines Flight 119 After commandeering the flight from St Louis with a machine gun and collecting 502 500 in ransom the Flight 119 hijacker parachuted into the night over Indiana Unlike Cooper he was found These two crimes were part of a wave of hijackings that occurred between 1961 and 1972 D B Cooper may have been the most famous but he was far from alone One hijacker ran across the tarmac in Reno Nevada with a pillowcase over his head gun in hand to seize a United Airlines flight Another collected a large ransom in Washington D C before jumping over Honduras Motivations in many cases remain murky an admixture of politics greed derring do and boredom What they had in common was how they transfixed the nation s attention bringing about a transformation in the ways that commercial airlines were run and how the laws of the skies were enforced With its focus on the parachute hijackers beginning with D B Cooper

John Wigger's book gathers together the stories of this period of daring criminality and recounts them in gripping fashion showing their effect on the public the media and law enforcement Using never before published interviews and first hand accounts he brings one of the most chaotic periods in U S commercial aviation to life      **D.
