Downtown Norma Fox Mazer, 2015-05-19 In real life happily ever after can be hard to come by Pete Greenwood loves history Any era or country will do as long as the books are lengthy and full of the past But that may be because Pete's own history is a work of fiction For the last eight years he's lived with his uncle Gene under an assumed name He's had to keep his parents' existence a secret ever since they committed an act of political protest that went tragically wrong Living a double life makes Pete feel isolated and alone until he meets the cool and collected Cary Longstreet Cary's playing a role too looking perfect on the outside to hide secrets of her own Slowly learning to trust each other Pete and Cary start to share their truths both of them dreaming of happy endings to their stories and the chance to let go of all their worries But real life doesn't always wrap itself up as neatly as we'd like

Out of Control Norma Fox Mazer, 2015-05-19 Going along with the crowd can have shattering consequences Why does everyone always want you to make so many choices Pizza or burgers swimming or a movie one friend or another yes or no For Rollo Wingate who's always been the biggest guy in school sometimes it's easier to relax and let someone else take the lead After all when he and his two best friends get together they're always on the same page which is probably why he goes along with it when the other boys target Valerie Michon at school Every time they see her bad things just happen At first it's just a taunt here a tiny insult there But things keep escalating and finally the situation turns into something much worse Rollo knows that a line has been crossed and he struggles to make sense of how things could have gone so wrong so quickly Maybe for the first time he's going to have to figure it out for himself
