deliberately told lie that Marilyn's mother Gladys allowed to be recorded on Norma Jeane's birth certificate regarding her biological father and also the lies recorded on Marilyn Monroe's death certificate regarding the date and cause of death with irrefutable truth. The soul that was Marilyn Monroe received a new life which not only includes past life memories and the physical likeness of Marilyn but also tamper proof details like common ancestry. Angela's mother is half Gifford. Norma Jeane Marilyn's biological father's name was C Stanley Gifford. Angela was born with the last name of the man who says he wants to spend eternity interred next to Marilyn Monroe. Hugh Hefner and a third family lineage indirectly points back to the man who strategized the death of Marilyn Monroe. Angela begins her book by explaining how a certain event in 2013 drove her to finally tell her story. She writes candidly in her memoir of growing up with Marilyn Monroe's thoughts still active inside her and how it created an abundance of havoc as she tried to suppress her knowledge for the sake of her own privacy. Ultimately fate brought Angela to the understanding that this information lived on inside me for a reason and I need to respect it and treat it as a gift. Once she was clear about how to proceed with writing this book, Angela poured her heart out for you, her readers to examine. Angela dedicates the final three chapters of her book to reassembling factual information into a distinctive and logical explanation regarding the murder of Marilyn Monroe and the coverup that ensued from inside every level of our government. Aside from assembling important details about Marilyn Monroe into an easily digestible fact-filled story, this book gives readers genuine reasons to think seriously about the Laws of Attraction, the power of mind over matter, a living interactive Godforce and reincarnation.

Dark Eyes on America Gavin Cologne-Brookes, 2009-08-01. A sound and engaging book that creates a balanced overview of Oates's career while tackling the question of her role in the wider community. *Modern Fiction Studies*. Joyce Carol Oates is America's most extraordinary and prolific woman of letters. In *Dark Eyes on America*, Gavin Cologne-Brookes illuminates the vision of this remarkable master of her craft, finding evidence in her novels of an evolving consciousness that ultimately forgoes abstract introspection in favor of a more practical approach to art as a tool for understanding both personal and social challenges. With her clear-eyed perception of human behavior, Oates has for decades offered unhesitating explorations of genre, topic, and style, making her an inevitable if somewhat elusive subject for critical assessment. Cologne-Brookes's conversations and correspondence with Oates, his close textual study of her novels, and abundant references to her essays, stories, poetry, and plays result in a work that critically synthesizes the layers of her writing. This comprehensive yet accessible study offers an essential analysis of one of the twentieth century's most significant writers. A thoughtful, thorough study which encourages readers to re-examine Oates's novels within a philosophical context. *Journal of the American Studies Association of Texas*.
