Normal Christian Birth:

The Normal Christian Birth David Pawson, 2015-03-12 Basing his study on the New Testament David Pawson advocates a synthesis of the liberal emphasis on repentance the evangelical on faith the sacramental on baptism and the pentecostal on the Spirit He then relates these spiritual dooes to the concepts of conversion and regeneration The Normal Christian Birth looks at crucial and controversial texts challenging traditional interpretations The final section on evangelistic counselling questions the adequacy of the typical sinner s prayer approach Drawing from scripture and experience David Pawson gives many practical tips on helping potential disciples to repent believe be baptised and receive the Spirit

The Normal Christian Birth David Pawson, 2008

Beginning Well Gordon T. Smith, 2001-08-17 Gordon T Smith contends that a chief cause of spiritual immaturity in the evangelical church is an inadequate theology of conversion Surveying Scripture spiritual autobiographies and a broad range of theologies of conversion he seeks to foster in the Christian community a dynamic language of conversion that leads to spiritual transformation and mature Christian living

Baptism and the Baptists Anthony R. Cross, 2017-06-20 Since its first publication in 2000 Baptism and the Baptists has become the definitive work on the subject It examines the theology and practice of believers baptism among twentieth century Baptists associated with the Baptist Union of Great Britain and identifies the major influences which have led to its development In the nineteenth and early twentieth century the majority of Baptists concentrated predominantly on the mode and subjects of baptism immersion and believers understanding the rite merely as an ordinance the believer s personal profession of faith in Christ However in continuity with a tradition of Baptists going back as far as the first Baptists in the second and third decades of the seventeenth century there were also a significant number of ministers and scholars who saw the inadequacy of this view of baptism both biblically and theologically This sacramental view developed and grew throughout the twentieth century and influenced a resurgence of baptismal sacramentalism in the early twenty first century among Baptists not just in Britain but also in North America Europe and further afield

The African Christian vs. God's Word Jacob Oyerinde, 2025-08-19 What does the black African Christian consider to be the meaning and purpose of life Can a believer in Jesus Christ afford to be law averse and romanticise with tribal culture Can a believer subject the teachings of the Bible to the dictates of tribal culture and still hope to go to heaven What is the black African Christian s understanding of the role of the Bible in a believer s life Has Spirit baptism any meaning and significance to the black African Christian The author delves in to these and many other questions in this inspiring guide for Christians and potential believers of Jesus Christ whether of African origin or not who are seeking guidance in the way they come to faith in Christ

Bombshell in the Baptistry Justin Nalls, 2019-03-14 Who should be baptized Should a person who has not been baptized be allowed to become a member of a church What happens when a person is baptized There are a number of important questions about baptism that call for biblical and theological reflection on a more fundamental question what is baptism Perhaps no one in the twentieth century addressed that question more thoroughly than British New Testament scholar George Beasley Murray While touching on a range of issues related to baptism this book explores the influence that Beasley Murray s work has had on the debate about the meaning of baptism and shows why his work was referred to as a bombshell in the baptistry

SIMON PETER: The Reed and the Rock David Pawson, 2013-12-01 Turning water into wine took Jesus a few minutes Changing a reed which Simon means into a rock Peter took quite a few years Which is the greater miracle transmuting nature or transforming human nature Many identify with Simon Peter s weaknesses not least his knack of opening his mouth and putting his foot in it On one occasion he even swore that he didn t know his best friend just to save his own skin Jesus taught this fisherman how to catch more fish than how to catch people He used that unruly tongue to preach the good news of his death and resurrection for the very first time netting thousands for the kingdom of God In this book David Pawson draws some unexpected lessons from Peter s failures and successes for both our individual and corporate lives as part of the Church of which Peter was the original pastor

Understanding the Resurrection David Pawson, 2015-10-12 David Pawson teaches what the Bible says about the resurrection of Jesus Christ and how it affects all believers *The Road to Hell* David Pawson, 2014-04-11 Most of Jesus teaching on this uncomfortable subject was addressed to his followers yet it hardly features in sermons today Challenging the modern alternatives of liberal universalism and evangelical annihilationism David Pawson presents the traditional concept of endless torment as soundly biblical illustrating his argument with in depth Scripture studies on controversial passages Heaven is also a reality he affirms but it is hell which is being overlooked

Word and Spirit Together David Pawson, 2014-04-15 The author has a passionate desire to see Charismatics and Evangelicals united He has made a searching study of their remaining differences which he believes can be resolved without compromise This book is essential reading for every Christian with a vision for a church united in faithfulness to the Word and openness to the work of the Holy Spirit

Angels David Pawson, 2015-02-12 Angels may seem a bit unreal to some people One day they will be terribly real to you One day you won't question whether Mr Pawson knew what he was talking about One day you will meet either the good ones or the bad ones face to face and know that you will be living with them for evermore If you are not living with the good ones it won't be anybody's fault but your own for you have heard the truth and the gospel is for everyone who believes Jesus died to open the kingdom of heaven to all believers

A Commentary on James David Pawson, 2015-01-27 This Bible study will help many to understand the key issues in the Epistle of James

A Commentary on 1 & 2 Thessalonians David Pawson, 2015-02-13 Speculation about the second coming of our Lord is nothing new The saints in Thessalonica were already being misled Paul's two corrective letters among his earliest deal with the issue in a way that is profound and practical as well as giving details to be found nowhere else in the New Testament The rapture the man of lawlessness the temple these and other features are uniquely here But there is also much sound advice for those who are so heavenly minded they are no earthly use Meddling in other people's business living on the generosity of others rather than earning despising prophetic words sexual behaviour that is lust rather than love these are just some of the arrows that find a target within the church After two thousand years these letters are as relevant today as they ever were Paul probably never guessed they would become part of scripture which God intended to be used until history ended and eternity began

Leadership is Male David Pawson, 2015-05-20 From the Foreword by Elisabeth Elliott A simple sane serious treatment of the subject by a man who loves God respects women and takes the inspiration of Scripture and the integrity of the apostles for granted

Jesus Baptises in one Holy Spirit David Pawson, 2014-04-11 For the most part the church has been silent about Jesus' role as baptiser in the Spirit though John declared this to be the principal contribution of his Messianic ministry Through exploration of the relevant scriptures of both Old and New Testaments David Pawson describes eight essential elements in Spirit baptism

Israel in the New Testament David Pawson, 2015-04-15 Now including a new chapter Israel in Galatians Over 80% of the promises and prophecies of the Old Testament have been literally fulfilled It is a simple matter of faith in God's faithfulness to believe that he means what he says and will do what he says he will do This study reveals that both the people and the place called Israel have a significant role in God's future plans for world redemption

A Commentary on 1 & 2 Timothy, Titus, Philemon. David Pawson, 2015-09-08 Paul's letters to Timothy and Titus have sometimes been labelled his Pastoral Epistles Scholars have assigned them to a later period in Paul's ministry when churches he founded were more settled in structure perhaps after release from his first imprisonment in Rome and during a second which may be true Others postulate a later pseudonymous writer claiming to be Paul which may not be

true The fact is that all Paul's letters are pastoral in content full of paternal care and concern for his converts and their fellowships What really distinguishes these is that they are addressed to individuals rather than churches So it seems more appropriate to classify them as his Personal correspondence We can therefore expect them to reveal more of his personal relationship with his and their reactions to his delegated responsibilities giving helpers their unique interest and relevance It also enables us to include the brief note to Philemon whose importance in the New Testament tends to be overlooked
