The Dialectic of Sex Shulamith Firestone, 2015-04-01 An international bestseller originally published in 1970 when Shulamith Firestone was just twenty five years old The Dialectic of Sex was the first book of the women's liberation movement to put forth a feminist theory of politics Beginning with a look at the radical and grassroots history of the first wave with its foundation in the abolition movement of the time Firestone documents its major victory the expansion of the franchise in 1920 and the fifty years of ridicule that followed She goes on to deftly synthesize the work of Freud Marx de Beauvoir and Engels to create a cogent argument for feminist revolution Ultimately she presents feminism as the key

radical ideology the missing link between Marx and Freud uniting their visions of the political and the personal The Dialectic of Sex remains remarkably relevant today a testament to Firestone's startlingly prescient vision The author died in 2012 but her ideas live on through this extraordinary book Men, Masculinity And Social Welfare Keith Pringle,2013-11-05 An examination of men and masculinity which considers the issues involved with both the use of and provision of welfare services by men and argues that there is a case for restricting their role The book is intended for undergraduate and postgraduate courses in social work social policy and gender studies as well those interested in masculinity within sociology and psychology It should also be useful to professionals in welfare health education and criminal justice **Weekly World News** ,2001-02-06 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world's only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site Woman's Suffrage ,1910 *Every Breath You Take* Orit Kamir,2001 Examines male and female stalkers in history literature and film and their relationship to contemporary legislation **Double Takes** Zev Garber,Bruce Zuckerman,2004 This book comprises a series of ten essays written by the authors both individually and collaboratively While the subjects of these essays are wide ranging they share a common recognition that issues at the forefront of contemporary Jewish thought must be measured against the background of ancient traditions which revisit rabbinic and biblical times and beyond The intent of these essays is to illustrate how shadows of longstanding traditions continue to shade current perceptions Double Takes challenges the reader's assumptions about modern Jewish thought by demonstrating how the past can be an unpredictable lens for the present day An examination of contemporary themes in a historical perspective reveals unanticipated even disconcerting refractions The book appears in the Studies in the Shoah series as volume 26 From Page to Screen / Vom Buch zum Film Manuel Almagro-Jiménez,Eva Parra-Membrives,2020-10-05 For a long time now women have struggled for the vindication of their rights and for their visibility This struggle may seem a story of success maybe not complete or equal for all women but at least one which slowly but surely carries with it the promise of equality for all women However a closer look reveals that in various fields of culture the representation of women frequently undergoes a manipulation which makes the image of women lose the intention initially attempted This is often the case with adaptations of literary texts to the screen when the initial literary message is changed because of for example marketing demands or some ideological stance Rarely do we find the opposite case where the indifferent or emasculated original female characters are turned into guardians and or apologists of feminine power The present volume focuses precisely on the way in which the image of women is modified in films and TV series when compared with the original literary texts The Hangman and His Wife Nancy Dougherty,2022-05-24 An astonishing journey into the heart of Nazi evil a portrait of one of the darkest figures of Hitler's Nazi elite Reinhard Heydrich the designer and executor of the Holocaust chief of the Reich Main Security including the Gestapo interwoven with commentary by his wife Lina from the author's in depth interviews He was called the Hangman

of the Gestapo the butcher of Prague with a reputation as a ruthlessly efficient killer He was the head of the SS and the Gestapo second in command to Heinrich Himmler His orders set in motion the Kristallnacht pogrom of 1938 and as the lead planner of Hitler's Final Solution he chaired the Wannsee Conference at which details of the murder of millions of Jews across Nazi occupied Europe were toasted with cognac In *The Hangman and His Wife* Nancy Dougherty and following her death Christopher Lehmann Haupt masterfully explore who Heydrich was and how he came to be and how he came to do what he did We see Heydrich from his rarefied musical family origins and his ugly duckling childhood and adolescence to his sudden flameout as a promising Naval officer he was forced to resign his Naval commission after dishonoring the office corps by having sex with the unmarried daughter of a shipyard director and refusing to marry her Dougherty writes of his seemingly hopeless job prospects as an untrained civilian during Germany's hyperinflation and unemployment and his joining the Nazi party through the attraction to Nazism of his fiancée Lina von Osten and her father along with the rumor shadowing him of a strain of Jewishness inherited from his father's side And we follow Heydrich's meteoric rise through the Nazi high command from SS major to colonel to brigadier general before he was thirty deputy to Heinrich Himmler expanding the SS the Gestapo and developing the Reich's plans for the Jewish solution And throughout we hear the voice of Lina Heydrich who was by his side until his death at the age of thirty eight living inside the Nazi inner circles as she waltzed with Rudolf Hess feuded with Hermann Göring and drank vintage wine with Albert Speer *The Mother Blame Game* Vanessa

Reimer, 2015-11-01 *The Mother Blame Game* is an interdisciplinary and intersectional examination of the phenomenon of mother blame in the twenty first century As the socioeconomic and cultural expectations of what constitutes good motherhood grow continually narrow and exclusionary mothers are demonized and stigmatized perhaps now more than ever for all that is perceived to go wrong in their children's lives This anthology brings together creative and scholarly contributions from feminist academics and activists alike to provide a dynamic study of the many varied ways in which mothers are blamed and shamed for their maternal practice Importantly it also considers how mothers resist these ideologies by engaging in empowered and feminist mothering practices as well as by publicly challenging patriarchal discourses of good motherhood **Elite Malay Polygamy** Miriam Koktvedgaard Zeitzen, 2018-09-14 Elite Malay women's polygamy narratives

are multiple and varied and their sentiments regarding the practice are conflicted as they are often torn between personal and religious convictions This volume explores the ways in which this increasingly prominent practice impacts Malay gender relations As Muslims elite Malay women may be forced to accept polygamy but they mostly condemn it as women and wives as it forces them to manage their lives and loves under the threat of polygamy from a husband able to marry another woman without their knowledge or consent a husband that is married but available *Punishment and Prisons* Joe Sim, 2009-06-25 Joe Sim traces the development of penal strategy over the past three decades through a critical analysis of the relationship between penal policy and state power Exploring the contested histories of punishment that are prominent in criminology and

its development in penal policy the book analyzes four key dimensions of modern penal trends continuity and discontinuity in penal policy and practice reform and rehabilitation contesting penal power and abolitionism Articulate innovative and theoretically informed Punishment and Prisons offers a critical overview of contemporary penal politics that will prove a compelling addition to the criminological library
