James S. Olson

Norman Thomas A Biography 1884 1968:

Norman ,1969 *Norman Thomas* Raymond F. Gregory,2008 A conscientious objector in two world wars and a relentless advocate for world peace as well as social justice Norman Thomas was tear gassed arrested and jailed as he stood up for the rights of minorities immigrants and the working poor In addition to being a civil rights activist Thomas headed the Socialist Party for 18 years ran for president six times was a pacifist and created several institutions to advance world peace and universal disarmament He strongly and vocally opposed the Vietnam War This biography highlights the values that lay behind his actions values which included aspects of socialism but which also conflicted with the views of many Leftists ,

Historical Dictionary of the Great Depression, 1929-1940 James S. Olson,2001-09-30 Today when most Americans think of the Great Depression they imagine desperate hoboes riding the rails in search of work unemployed men selling pencils to indifferent crowds bootleggers hustling illegal booze to secrecy shrouded speakeasies FDR smiling or Judy Garland skipping along the yellow brick road Hard times have become an abstraction But there was a time when economic suffering was real when hunger stalked the land and Americans tried to forget their troubles in movie theaters or in front of a radio From the stock market crash of October 1929 to Germany s invasion of Norway France and the Low Countries in 1940 the Great Depression blanketed the world economy Its impact was particularly deep and direct in the United States This was the era when the federal government became a major player in the national economy and Americans bestowed the responsibility for maintaining full employment and stable prices on Congress and the White House making the Depression years a major watershed in U S history In more than 500 essays this book provides a ready reference to those hard times covering the diplomacy popular culture intellectual life economic problems public policy issues and prominent individuals of the era

The American Intellectual Elite John Sommer,2017-07-12 There are almost as many works about intellectuals as there are intellectuals Perhaps this is because intellectuals are masters of the word and their mastery is often used to write about themselves Indeed with the possible exceptions of sports figures and film actors intellectuals may be the most overpublicized people in America In this classic study originally published in 1974 Charles Kadushin examines the attitudes of that class of people known as the American intellectual elite While most works on intellectuals first establish who should be included under the title intellectual and debate their characteristics Kadushin instead sets forth a sociological history of leading American intellectuals of the late 1960s The book s concern however is primarily with time and place While *The American Intellectual Elite* is very much about social circles and the networked small world of intellectuals defined by the institutions such as the journals and magazines around which they gathered the uniqueness of this volume is the recognition that fact must come before theory Thus the collective attitude of leading intellectuals of the sixties are presented in a straightforward and dispassionate manner on topics as diverse as the Vietnam War race relations foreign and domestic policy and the place of intellectuals in the resolution of such issues Now in paperback with a new introduction by the author *The American*

Intellectual Elite is an influential work that will be valued by students of sociology members of the intellectual elite and professionals and students of contemporary American history Encyclopedia of U.S. Labor and Working-class History Eric Arnesen,2007 Publisher Description *American Political Leaders* Steven O'Brien,1991-10 This book includes biographical facts as well as political contributions Catalog of the Peace Collection Swarthmore College. Peace Collection,1982

Media and Culture in the U.S. Jewish Labor Movement Brian Dolber,2016-12-29 This book explores the Jewish Left s innovative strategies in maintaining newspapers radio stations and educational activities during a moment of crisis in global democracy In the wake of the First World War as immigrant workers and radical organizations came under attack leaders within largely Jewish unions and political parties determined to keep their tradition of social unionism alive By adapting to an emerging media environment dependent on advertising turn of the century Yiddish socialism morphed into a new political identity compatible with American liberalism and an expanding consumer society Through this process the Jewish working class secured a place within the New Deal coalition they helped to produce Using a wide array of archival sources Brian Dolber demonstrates the importance of cultural activity in movement politics and the need for thoughtful debate about how to structure alternative media in moments of political economic and technological change **Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971** New York Public Library. Research Libraries,1979

Frank Porter Graham and the 1950 Senate Race in North Carolina Julian M. Pleasants,Augustus M. Burns III,2017-03-01 The tumultuous North Carolina Senate primaries of 1950 are still viewed as the most bitter chapter in the state s modern political history The central figure in that frenzied race was the appointed incumbent Frank Porter Graham former president of the University of North Carolina 1931-49 and liberal activist of national stature As a Senate candidate Graham was unrelentingly attacked for both his social activism and his racial views and the vicious tactics used against him shocked his supporters and alarmed national observers Peeling away the myths that have accumulated over the years the authors present the first thoroughly researched account of Graham s eventual defeat by Raleigh attorney Willis Smith The result a balanced study of North Carolina politics at mid century is a convincing explanation of the 1950 election Using the campaign as a prism the authors assess the factional struggles within the state showing that Graham was defeated by a massive loss of support among white voters in eastern North Carolina The principal force behind this switch was the fear promulgated by the Smith campaign that a vote for Graham was a vote to end statutory segregation in North Carolina The authors also offer the fullest portrait to date of Frank Porter Graham as political candidate and social reformer They examine his career as an educator and public activist the steps that led to his unorthodox appointment and his strengths and weaknesses as a political candidate *Frank Porter Graham and the 1950 Senate Race in North Carolina* is based on manuscript materials never before examined on interviews with more than 50 campaign participants and associates of both Graham and Smith and on a thorough analysis of newspaper coverage and campaign literature Originally published in 1990 A UNC Press Enduring

Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value **Woodrow Wilson** William Barksdale Maynard, 2008-10-01 Before Woodrow Wilson became president of the United States he spent 25 years at Princeton University first as an undergraduate then professor and finally as president His experiences at the helm of Princeton where he enjoyed four productive years followed by four years of wrangling and intense acrimony reveal much about the kind of man he was and how he earned a reputation as a fearless crusader This engrossing book focuses on how Wilson s Princeton years influenced the ideas and worldview he later applied in politics His career in the White House W Barksdale Maynard shows repeated with uncanny precision his Princeton experiences The book recounts how Wilson s inspired period of building expansion and intellectual fervor at Princeton deteriorated into one of the most famous academic disputes in American history His battle to abolish elitist eating clubs and establish a more egalitarian system culminated in his defeat and dismissal and the ruthlessness of his tactics alienated even longtime friends So extreme was his behavior some historians have wondered whether he suffered a stroke Maynard sheds new light on this question on Wilson s temper and on other aspects of his strengths and shortcomings The book provides an unprecedented inside view of a hard fighting president a man who tried first to remake a university and then to remake the world [The Case of Odell Waller and Virginia Justice, 1940-1942](#) Richard B. Sherman, 1992 **The Threshold of Dissent** Marjorie N. Feld, 2024-05-07 Explores the long history of anti Zionist and non Zionist American Jews Throughout the twentieth century American Jewish communal leaders projected a unified position of unconditional support for Israel cementing it as a cornerstone of American Jewish identity This unwavering position served to marginalize and label dissenters as antisemitic systematically limiting the threshold of acceptable criticism In pursuit of this forced consensus these leaders entered Cold War alliances distanced themselves from progressive civil rights and anti colonial movements and turned a blind eye to human rights abuses in Israel In *The Threshold of Dissent* Marjorie N Feld instead shows that today s vociferous arguments among American Jews over Israel and Zionism are but the newest chapter in a fraught history that stretches from the nineteenth century Drawing on rich archival research and examining wide ranging intellectual currents from the Reform movement and the Yiddish left to anti colonialism and Jewish feminism Feld explores American Jewish critics of Zionism and Israel from the 1880s to the 1980s The book argues that the tireless policing of contrary perspectives led each generation of dissenters to believe that it was the first to question unqualified support for Israel *The Threshold of Dissent* positions contemporary critics within a century long debate about the priorities of the American Jewish community one which holds profound implications for inclusion in American Jewish communal life and for American Jews participation in coalitions working for justice At a time when American Jewish support for Israel has been diminishing *The Threshold of Dissent* uncovers a deeper and deeply contested history of intracommunal

debate over Zionism among American Jews **Socialism before Sanders** Jake Altman, 2019-06-13 The early years of the twentieth century are often thought of as socialism's first heyday in the United States when the Socialist Party won elections across the country and Eugene Debs ran for president from a prison cell winning more than 900 000 votes Less well known is the socialist revival of the 1930s Radicalized by the contradiction of crushing poverty and unimaginable wealth that existed side by side during the Great Depression socialists built institutions organized the unemployed extended aid to the labor movement developed local political movements and built networks that would remain active in the struggle against injustice throughout the twentieth century Jake Altman brings this overlooked moment in the history of the American left into focus highlighting the leadership of women the development of the Highlander Folk School and Soviet House and the shift from revolutionary rhetoric to pragmatic reform by the close of the decade As another socialist revival takes shape today this book lays the groundwork for a more nuanced history of the movement in the United States **US Trotskyism 1928-1965. Part I: Emergence** Paul Le Blanc, Bryan D. Palmer, Thomas Bias, 2017-11-20 U S Trotskyism 1928 1965 Part I Emergence Left Opposition in the United States is the first of a documentary trilogy on a revolutionary socialist split off from the U S Communist Party reflecting Leon Trotsky's confrontation with Stalinism in the global Communist movement Spanning 1928 to 1940 this volume surveys important U S labor struggles in the 1930s early efforts to comprehend the so called Negro Question and substantial contributions to the study history and the development of Marxist theory Also covered are confrontations and convergences with other currents on the Left internal debates and splits among Trotskyists themselves and repressive efforts by the U S government in the first Smith Act Trial Scholars and activists will find much of interest in these primary sources *Aaron Henry of Mississippi* Minion K. C. Morrison, 2015-07-15 Winner of the 2016 Lillian Smith Book Award When Aaron Henry returned home to Mississippi from World War II service in 1946 he was part of wave of black servicemen who challenged the racial status quo He became a pharmacist through the GI Bill and as a prominent citizen he organized a hometown chapter of the NAACP and relatively quickly became leader of the state chapter From that launching pad he joined and helped lead an ensemble of activists who fundamentally challenged the system of segregation and the almost total exclusion of African Americans from the political structure These efforts were most clearly evident in his leadership of the integrated Mississippi Freedom Democratic Party delegation which after an unsuccessful effort to unseat the lily white Democratic delegation at the Democratic National Convention in 1964 won recognition from the national party in 1968 The man who the New York Times described as being at the forefront of every significant boycott sit in protest march rally voter registration drive and court case eventually became a rare example of a social movement leader who successfully moved into political office Aaron Henry of Mississippi covers the life of this remarkable leader from his humble beginnings in a sharecropping family to his election to the Mississippi house of representatives in 1979 all the while maintaining the social change ideology that prompted him to improve his native state and thereby the nation The Eisenhower Years Michael S.

Mayer,2009 The 34th U S president to hold office Dwight D Eisenhower won America over with his irresistible I like Ike slogan Bringing to the presidency his prestige as a commanding general during World War II he worked incessantly during his two terms to ease the tensions of the cold war Pursuing the moderate policies of Modern Republicanism he left a legacy of a stronger and more powerful nation From his crucial role in support of Brown v Board of Education to the National Defense Education Act The Eisenhower Years provides a well balanced study of these politically charged years Biographical entries on key figures of the Eisenhower era such as Allen W Dulles Joseph R McCarthy and Rosa Parks combine with speeches such as the Military Industrial Complex speech the Open Skies proposal the disturbance at Little Rock address Eisenhower Doctrine and his speech after the Soviet launch of Sputnik to give an in depth look at the executive actions of this administration **We Who Dared to Say No to War** Murray Polner,Thomas E., Jr. Woods,2008-09-09 A compelling collection of speeches articles poetry book excerpts political cartoons and more from the American antiwar tradition beginning with the War of 1812 offers the full range of the subject s richness and variety with contributions from Daniel Webster Mark Twain Andrew Carnegie Patrick Buchanan and many others Original **From Abyssinian to Zion** David W. Dunlap,2004 Published in conjunction with a New York Historical Society exhibition this photo filled pocket sized guidebook by a New York Times reporter covers 1 079 houses of worship in New York City 899 photos 24 maps

Decoding **Norman Thomas A Biography 1884 1968**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Norman Thomas A Biography 1884 1968**," a mesmerizing literary creation penned by way of a celebrated wordsmith, readers set about an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.

Norman Thomas A Biography 1884 1968 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Norman Thomas A Biography 1884 1968 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture

of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Norman Thomas A Biography 1884 1968 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Norman Thomas A Biography 1884 1968 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Norman Thomas A Biography 1884 1968 Books
