## **Norman Thomas The Last Idealist:**

Norman Thomas William Andrew Swanberg, 1976      **Norman Thomas** Raymond F. Gregory, 2008 Autographed photograph America Norman Mattoon Thomas November 20 1884 December 19 1968 was an American Presbyterian minister who achieved fame as a socialist pacifist and six time presidential candidate for the Socialist Party of America Thomas was initially as outspoken in opposing the Second World War as he was with regard to the First World War Upon returning from a European tour in 1937 he formed the Keep America Out of War Congress and spoke against war thereby sharing a platform with the America First Committee However after the United States was attacked by the Japanese at Pearl Harbor his stance changed to support for US involvement and later wrote self critically for having overemphasized both the sense in which it was a continuance of World War I and the capacity of nonfascist Europe to resist the Nazis Thomas was one of the few public figures to oppose President Franklin Roosevelt's internment of Japanese Americans following the attack on Pearl Harbor Thomas accused the ACLU of dereliction of duty when the organization supported the internment Thomas also campaigned against racial segregation environmental depletion anti labor laws and practices and in favor of opening the United States to Jewish victims of Nazi persecution in the 1930s Thomas was an early proponent of birth control He also deplored the secular objection to birth control because it originated from racial and national group think Thomas was also very critical of Zionism and of Israel's policies towards the Arabs in the postwar years especially after the Suez Crisis and often collaborated with the American Council for Judaism      Norman Thomas Raymond F. Gregory, 2008 A conscientious objector in two world wars and a relentless advocate for world peace as well as social justice Norman Thomas was tear gassed arrested and jailed as he stood up for the rights of minorities immigrants and the working poor In addition to being a civil rights activist Thomas headed the Socialist Party for 18 years ran for president six times was a pacifist and created several institutions to advance world peace and universal disarmament He strongly and vocally opposed the Vietnam War This biography highlights the values that lay behind his actions values which included aspects of socialism but which also conflicted with the views of many Leftists      ,      The New Deal's War on the Bill of Rights David T. Beito, 2023-10-10 Spying on citizens Censoring critics Imprisoning minorities These are the acts of dictators not American presidents Or are they The legacy of President Franklin D Roosevelt enjoys regular acclaim from historians politicians and educators Lauded for his New Deal policies leadership as a wartime president cozy fireside chats and groundbreaking support of the forgotten man FDR we have been told is worthy of the same praise as men like Washington Jefferson and Lincoln But is that true Does the father of today's welfare state really deserve such generous approbation Or is there a dark side to this golden legacy The New Deal's War on the Bill of Rights The Untold Story of FDR's Concentration Camps Censorship and Mass Surveillance unveils a much different portrait than the standard orthodoxy found in today's historical studies Deploying an abundance of primary source evidence and well reasoned arguments historian and distinguished professor emeritus David T Beito masterfully presents a complete account of the real

Franklin D Roosevelt a man who abused power violated human rights targeted dissidents and let his crude racism imprison American citizens merely for being of Japanese descent Read it and discover how FDR shamelessly censored critics of his administration barred them from the public square destroyed their careers and even bankrupted them when possible locked up Japanese American citizens in concentration camps built on American soil sowed the seeds of today s out of control surveillance state and much much more Here is an all too rare portrait of a man who changed the course of American history not for the better Read it and you ll never view the fireside president the same again *The Great Depression and the New Deal* Daniel Leab,Kenneth J. Bindas,Alan Harris Stein,Justin Corfield,Steven L. Danver,2009-12-18 A comprehensive encyclopedia of the 1930s in the United States showing how the Depression affected every aspect of American life In two volumes *The Great Depression and the New Deal A Thematic Encyclopedia* captures the full scope of a defining era of American history Like no other available reference it offers a comprehensive portrait of the nation from the Crash of 1929 to the onset of World War II exploring the impact of the Depression and the New Deal on all aspects of American life The book features hundreds of alphabetically organized entries in sections focusing on economics politics social ramifications the arts and ethnic issues With an extraordinary range of primary sources integrated throughout *The Great Depression and the New Deal* is the new cornerstone resource on a historic moment that is casting a shadow on our own unsettled times **Jews, Labour and the Left, 1918-48** Christine Collette,Stephen Bird,2017-11-01 This title was first published in 2000 With the advent of the Second World War fascism became inextricably associated with anti-Semitism It is hardly surprising therefore to find that a significant number of Jewish people were politically inclined towards the left and were actively involved in socialist movements The essays in this volume seek to arrive at an understanding of Jewish involvement in Labour movements outside Israel from the end of the First World War to the final stages of World War Two This was a period which saw the creation of several international socialist institutions Gail Malmgreen looks at the American Jewish Labor Committee and examines the interaction between trades unions and the Jewish community Deborah Osmond Christine Collette and Jason Heppell discuss the contributions made by Jews living in Britain to Labour politics including the Communist Party of Great Britain and the Labour and Socialist International The reactions and stances of the British Labour party in relation to Zionism and the Holocaust are the subjects of essays by Isabelle Tombs and Paul Kelemen David De Vries s study of the position of Jewish white collar workers in British ruled Palestine provides another perspective on the complex web of relationships between British and Jewish identity class labour and politics An invaluable bibliography by Arieh Lebowitz of sources for the study of Jewish interaction with the American and British Labour movements completes this important survey [America in the Twenties and Thirties](#) Sean Dennis Cashman,1989 *Surveys* American history during the 20s and 30s looks at the economic and social conditions during the period and discusses Roosevelt s influence **The Cause That Failed: Communism in American Political Life** Guenter Lewy,1990-09-13 From a height of almost 100 000 members during the

Depression when politicians workers and intellectuals were drawn into its orbit the American Communist Party has descended into irrelevance and isolation failing even to run a presidential candidate in 1988 Indeed as Guenter Lewy writes in this critical account of American Communism despite decades of feverish activity and ferocious discipline it was a cause doomed to fail from the very beginning In *The Cause that Failed* Lewy offers an incisive narrative of the American Communist Party from the days of John Reed to the advent of glasnost He traces its origins and development underscoring how its devotion to Moscow and inflexible Marxist ideology isolated it from the American scene in fact most of its first members were Eastern European immigrants During the left wing tide of the Depression the Communist Party reached the peak of its influence as it joined labor unions and progressive organizations in a Popular Front But Lewy reveals the deceptive antidemocratic self defeating tactics the Communists pursued even then as they manipulated front organizations seized control of political parties peace groups and labor unions and enforced political conformity among members and sympathizers He follows the Party through its inexorable decline in the succeeding decades up to its current position as one of the last Stalinist parties left in a world of glasnost and perestroika Lewy also provides a sharply critical discussion of the encounter between Communism and liberal and mainstream America He examines such groups as the ACLU and SANE arguing that the years when these organizations were tolerant toward Communists were also the times when they neglected their original purpose in favor of partisan causes He shows how Communists have manipulated well meaning citizens in the peace movement and in Wallace s 1948 Progressive Party presidential campaign One of the great ills Americans suffer he writes is an overreaction to McCarthyism an atmosphere of anti anticommunism which blinds them to the wrongs wrought by international Communism and makes them ignore the deceptive role played by the American Communist Party which even today still keeps eighty percent of its membership secret *The Cause that Failed* presents an intensively researched and trenchantly argued historical analysis of Communism in America Guenter Lewy s provocative account provides a new understanding of Communism s machinations in U S politics and how Americans from across the political spectrum have responded to its challenge

**Acts of Conscience** Joseph Kip Kosek, 2011 In response to the massive bloodshed that defined the twentieth century American religious radicals developed a modern form of nonviolent protest one that combined Christian principles with new uses of mass media Greatly influenced by the ideas of Mohandas Gandhi these acts of conscience included sit ins boycotts labor strikes and conscientious objection to war Beginning with World War I and ending with the ascendance of Martin Luther King Jr Joseph Kip Kosek traces the impact of A J Muste Richard Gregg and other radical Christian pacifists on American democratic theory and practice These dissenters found little hope in the secular ideologies of Wilsonian Progressivism revolutionary Marxism and Cold War liberalism all of which embraced organized killing at one time or another The example of Jesus they believed demonstrated the immorality and futility of such violence under any circumstance and for any cause Yet the theories of Christian nonviolence are anything but fixed For decades followers

have actively reinterpreted the nonviolent tradition keeping pace with developments in politics technology and culture Tracing the rise of militant nonviolence across a century of industrial conflict imperialism racial terror and international warfare Kosek recovers radical Christians remarkable stance against the use of deadly force even during World War II and other seemingly just causes His research sheds new light on an interracial and transnational movement that posed a fundamental and still relevant challenge to the American political and religious mainstream

**Dictionary of American Religious Biography** Henry W. Bowden, 1993-04-13 The first edition of this award winning reference published in 1977 contained 425 biographical profiles of the most significant American religious figures This new edition includes profiles for 125 additional people and the earlier biographical sketches have been revised and updated The volume includes religious leaders who died before July 1 1992 Among its pages are entries for reformers philosophers social activists doers and dreamers While many of the people are mainstream white ordained clergymen many more stand outside traditional denominations and reflect the cultural and religious diversity of modern America The result is a systematic overview of 400 years of American religion from the colonial period to the present day Each profile begins with a capsule summary of the chief events in that person s life The biographical essay that follows places the basic facts of the figure s life within the larger context of American religious history A bibliography of the most significant works by and about the figure concludes each entry Appendices at the end of the work categorize each individual by religious denomination and by place of birth

*Radical Pacifism* Scott H Bennett, 2003-12-01 This deeply researched book is the first history of the War Resisters League an organization that represents the major vehicle of secular radical pacifism in the United States Besides opposing all U S wars and championing conscientious objection to these wars Scott H Bennett shows how the WRL led by its colorful members functioned as a movement halfway house assisting and influencing a variety of social reform groups and campaigns He devotes special attention to WWII conscientious objectors COs who staged dramatic wartime work and hunger strikes in Civilian Public Service camps and prisons against Jim Crow censorship conscription and other policies These radical COs moved the postwar WRL in new directions and transformed radical pacifism By recovering the important links between the WRL and the peace civil rights civil liberties and antinuclear movements Bennett demonstrates the social relevance and political effectiveness of radical pacifism He emphasizes the WRL s most important legacy its promotion legitimization and Americanization of Gandhian nonviolent direct action which infused the postwar peace and justice movements

**Encyclopedia of U.S. Labor and Working-class History** Eric Arnesen, 2007 Publisher Description

**Covert Network** Eric Thomas Chester, 2016-09-16 This book tells the story of the International Rescue Committee IRC the largest nonsectarian refugee relief agency in the world Founded in the 1930s by socialist militants the IRC attracted the support of renowned progressives such as Eleanor Roosevelt Norman Thomas and Reinhold Niebuhr But by the 1950s it had been absorbed into the American foreign policy establishment Throughout the Cold War the IRC was deeply involved in the volatile

confrontations between the two superpowers and participated in an array of sensitive clandestine operations The IRC thus evolved from a small organization of committed activists to a global operation functioning as one link in the CIA's covert network     The Democratic Socialist Vision Gary J. Dorrien, 1986 To find more information about Rowman and Littlefield titles please visit [www.rowmanlittlefield.com](http://www.rowmanlittlefield.com)     To End All Wars, New Edition Thomas J. Knock, 2019-03-19 A close look at Woodrow Wilson's political thought and international diplomacy In the widely acclaimed To End All Wars Thomas Knock provides an intriguing often provocative narrative of Woodrow Wilson's epic quest for a new world order This book follows Wilson's thought and diplomacy from his policy toward revolutionary Mexico through his dramatic call for Peace without Victory in World War I to the Senate's rejection of the League of Nations Throughout Knock reinterprets the origins of internationalism in American politics sweeping away the view that isolationism was the cause of Wilson's failure and revealing the role of competing visions of internationalism conservative and progressive     **World War II** Spencer C. Tucker, 2016-09-06 With more than 1 700 cross referenced entries covering every aspect of World War II the events and developments of the era and myriad related subjects as well as a documents volume this is the most comprehensive reference work available on the war This encyclopedia represents a single source of authoritative information on World War II that provides accessible coverage of the causes course and consequences of the war Its introductory overview essays and cross referenced A Z entries explain how various sources of friction culminated in a second worldwide conflict document the events of the war and why individual battles were won and lost and identify numerous ways the war has permanently changed the world The coverage addresses the individuals campaigns battles key weapons systems strategic decisions and technological developments of the conflict as well as the diplomatic economic and cultural aspects of World War II The five volume set provides comprehensive information that gives readers insight into the reasons for the war's direction and outcome Readers will understand the motivations behind Japan's decision to attack the United States appreciate how the concentration of German military resources on the Eastern Front affected the war's outcome understand the major strategic decisions of the war and the factors behind them grasp how the Second Sino Japanese War contributed to the start of World War II and see the direct impact of new military technology on the outcomes of the battles during the conflict The lengthy documents volume represents a valuable repository of additional information for student research     **Rising from the Wilderness** Mary Allienne Hamilton, 2007     The Rise and Fall of the Southern Tenant Farmers Union in Arkansas James D. Ross, 2024-01-12 Founded in eastern Arkansas during the Great Depression the Southern Tenant Farmers Union STFU has long fascinated historians who have emphasized its biracial membership and the socialist convictions of its leaders while attributing its demise to external factors such as the mechanization of agriculture the repression of wealthy planters and the indifference of New Dealers However as James Ross notes in this compelling revisionist history such accounts have largely ignored the perspective of the actual sharecroppers and other tenant farmers who made up the union's rank and file Drawing

on a rich trove of letters that STFU members wrote to union leaders government officials and others Ross shows that internal divisions were just as significant if not more so as outside causes in the union s ultimate failure Most important the STFU s fatal flaw was the yawning gap between the worldviews of its leadership and those of its members Ross describes how early on STFU secretary H L Mitchell promoted the union as one involving many voices sometimes in harmony sometimes in discord but later pushed a more simplified narrative of a few people doing most of the union s work Struck by this significant change Ross explores what the actual goals of the rank and file were and what union membership meant to them While the white leaders may have expressed a commitment to racial justice white members often did not he writes While the union s socialist and communist leaders may have hoped for cooperative land ownership the members often did not Above all the poor farmers who made up the membership wanted their immediate needs for food and shelter met and they wanted to own their own land and thus determine their own futures Moreover while the leadership often took its inspiration from Marx the membership s worldview was shaped by fundamentalist Pentecostal Christianity In portraying such tensions and how they factored into the union s implosion Ross not only offers a more nuanced view of the STFU he also makes a powerful new contribution to our understanding of the Depression era South James D Ross Jr is an associate professor of history at the University of Arkansas at Little Rock He is a specialist in the interaction of race class and religion in twentieth century United States history

**The Hanging on Union Square** H. T. Tsiang, 2019-05-21 A subversively comic genre bending satire of bourgeois life by an essential Chinese American voice featuring an introduction by New Yorker writer Hua Hsu author of the Pulitzer Prize winning memoir Stay True A Penguin Classic It s Depression era New York and Mr Nut an oblivious American everyman wants to strike it rich even if at the moment he s unemployed with no job prospects in sight Over the course of a single night in a narrative that unfolds hour by hour he meets a cast of strange characters disgruntled workers at a Communist cafeteria lecherous old men sexually exploited women pesky authors who eventually convince him to cast off his bourgeois aspirations for upward mobility and become a radical activist Absurdist inventive and suffused with revolutionary fervor and culminating in a dramatic face off against capitalist power in the figure of the greedy businessman Mr System The Hanging on Union Square is a work of blazing wit and originality More than eighty years after it was self published having been rejected by dozens of baffled publishers it has become a classic of Asian American literature a satirical send up of class politics and capitalism and a shout of populist rage that still resonates today Celebrate Asian American and Pacific Islander AAPI Heritage Month with these three Penguin Classics America Is in the Heart by Carlos Bulosan 9780143134039 East Goes West by Younghill Kang 9780143134305 The Hanging on Union Square by H T Tsiang 9780143134022

## Whispering the Techniques of Language: An Mental Quest through **Norman Thomas The Last Idealist**

In a digitally-driven earth wherever monitors reign supreme and quick communication drowns out the subtleties of language, the profound strategies and emotional nuances concealed within words often go unheard. ### **Norman Thomas The Last Idealist Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Norman Thomas The Last Idealist free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Norman Thomas The Last Idealist free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that

offer free PDF downloads on a specific topic. While downloading Norman Thomas The Last Idealist free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Norman Thomas The Last Idealist. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Norman Thomas The Last Idealist any PDF files. With these platforms, the world of PDF downloads is just a click away.

## FAQs About Norman Thomas The Last Idealist Books

1. Where can I buy Norman Thomas The Last Idealist books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Norman Thomas The Last Idealist book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
