North American City:

The North American City Maurice Yeates, 1998 In the twenty five years since *The North American City* was first published urban geography has become one of the most important and vital areas in geography The fifth edition of this classic text has been thoroughly revised and expanded to include the wide range of urban interests and theoretical approaches being applied to urban questions today *The North American City* Maurice Yeates, Barry J. Garner, 1971

Muslim American City Alisa Perkins, 2020-07-07 Explores how Muslim Americans test the boundaries of American pluralism In 2004 the al Islah Islamic Center in Hamtramck Michigan set off a contentious controversy when it requested permission to use loudspeakers to broadcast the adh n or Islamic call to prayer The issue gained international notoriety when media outlets from around the world flocked to the city to report on what had become a civil battle between religious tolerance and Islamophobic sentiment The Hamtramck council voted unanimously to allow mosques to broadcast the adh n making it one of the few US cities to officially permit it through specific legislation *Muslim American City* explores how debates over Muslim Americans use of both public and political space have challenged and ultimately reshaped the boundaries of urban belonging Drawing on more than ten years of ethnographic research in Hamtramck which boasts one of the largest concentrations of Muslim residents of any American city Alisa Perkins shows how the Muslim American population has grown and asserted itself in public life She explores for example the efforts of Muslim American women to maintain gender norms in neighborhoods mosques and schools as well as Muslim Americans efforts to organize public responses to municipal initiatives Her in depth fieldwork incorporates the perspectives of both Muslims and non Muslims including Polish Catholics African American Protestants and other city residents Drawing particular attention to Muslim American expressions of religious and cultural identity in civil life particularly in response to discrimination and stereotyping Perkins questions the popular assumption that the religiosity of Muslim minorities hinders their capacity for full citizenship in secular societies She shows how Muslims and non Muslims have through their negotiations over the issues over the use of space together invested Muslim practice with new forms of social capital and challenged nationalist and secularist notions of belonging *The American City* Arthur Hastings Grant, Harold S. Battenheim, 1912 *Colonial America: An Encyclopedia of Social, Political, Cultural, and Economic History* James Ciment, 2016-09-16 No era in American history has been more fascinating to Americans or more critical to the ultimate destiny of the United States than the colonial era Between the time that the first European settlers established a colony at Jamestown in 1607 through the signing of the Declaration of Independence the outlines of America s distinctive political culture economic system social life and cultural patterns had begun to emerge Designed to complement the high school American history curriculum as well as undergraduate survey courses *Colonial America An Encyclopedia of Social Political Cultural and Economic History* captures it all the people institutions ideas and events of the first three hundred years of American history While it focuses on the thirteen British

colonies stretching along the Atlantic Colonial America sets this history in its larger contexts Entries also cover Canada the American Southwest and Mexico and the Caribbean and Atlantic world directly impacting the history of the thirteen colonies This encyclopedia explores the complete early history of what would become the United States including portraits of Native American life in the immediate pre contact period early Spanish exploration and the first settlements by Spanish French Dutch Swedish and English colonists This monumental five volume set brings America s colonial heritage vibrantly to life for today s readers It includes thematic essays on major issues and topics detailed A Z entries on hundreds of people institutions events and ideas thematic and regional chronologies hundreds of illustrations primary documents and a glossary and multiple indexes
