Nuer Dilemmas Sharon E. This new 2023 edition of *Nuer Dilemmas* adds fresh material to Sharon E Hutchinson's now widely acclaimed and prize winning historical ethnography about what became of the Nuer people of South ern Sudan after Evans Pritchard completed his pioneering 1930s field studies These new materials include a new Epilogue in the Nuer language in which she describes some of the personal security dilemmas she faced during her 1990s war zone research while trying to cope with shifting governmental authorities in the field The new edition also includes new illustrative materials and eliminates the former edition's appendix on comparative divorce rates The new addition complements a new website nuerdilemmas.com which will soon be launched and will provide readers with access to a wealth of previously unpublished photographs and audio tapes created by the author that add depth to her now classic ethnographic account The new website will also provide readers with an English translation of the book's new Nuer language Epilogue

Rezension Literaturbericht aus dem Jahr 2023 im Fachbereich Ethnologie Volkskunde Note 5 Schweiz Universit t Luzern Ethnologisches Seminar Sprache Deutsch Abstract F r diese Rezension schlug meine Dozentin *Nuer Dilemmas Coping with Money War and the State* von Sharon E Hutchinson vor Die Autorin ist unter anderem eine gefragte Lehrbeauftragte und wird gerne an andere Universit ten und Institute eingeladen Vorlesungen zu halten und Seminare zu leiten Die Leitfragen ihrer Forschung beziehen sich auf Wiederaufbau nach dem Krieg internationalen Humanitarismus und Menschenrechte Migration der verschiedenen Bev lkerungsgruppen aufgrund des Kriegsgeschehens sowie die Einfl sse der lf rderung im Sudan auf internationalem Niveau Des Weiteren werden immer wieder die Themen der Geschlechterrollen und die Differenzierung zwischen diversen Positionen in der Nuer Gesellschaft aufgegriffen Alle diese Themen thematisiert die Autorin in ihrer Ethnographie ber Nuer Hutchinson selbst beantwortet oder zumindest elaboriert die meisten Fragen mit der eigenen Feldforschung auf welcher auch ihr Buch ber die Nuer basiert In ihrer Argumentation bezieht sich die Autorin jedoch zus tzlich vermehrt auf die Forschung von E E Pritchard nat rlich mit einem kritischen Auge **Dealing with Government in South Sudan** Cherry Leonardi, 2013 Explores various aspects of

chiefly authority in South Sudan from its historical origins and evolution under colonial postcolonial and military rule to its current roles and value in the newly independent country South Sudan became Africa's newest nation in 2011 following decades of armed conflict Chiefs or traditional authorities became a particular focus of attention during the international relief effort and post war reconstruction and state building But traditional authority in South Sudan has been much misunderstood Institutions of chiefship were created during the colonial period but originated out of a much longer process of dealing with predatory external forces This book addresses a significant paradox in African studies more widely if chiefs were the product of colonial states why have they survived or revived in recent decades By examining the long term history of chiefship in the vicinity of three towns the book also argues for a new approach to the history of towns in South Sudan Towns have previously been analysed as the loci of alien state power yet the book demonstrates that these government centres formed an expanding urban frontier on which people actively sought knowledge and resources of the state Chiefs mediated relations on and across this frontier and in the process chiefship became central to constituting both the state and local communities Cherry Leonardi is Senior Lecturer in African History at Durham University a former course director of the Rift Valley Institute's Sudan course and a member of the council of the British Institute in Eastern Africa Published in association with the British Institute in Eastern Africa
