University of Leon Spain Julio C sar Santoyo University of Leon Spain Christina Sch ffner Aston University Birmingham United Kingdom Gideon Toury Tel Aviv University Israel and Patrick Zabalbeascoa Pompeu Fabra University Spain The essays are varied and innovative Their common feature is that they deal with various aspects of translation and cultural identity and that they contribute to the enrichment of the study of communication across cultures These major readings in translation studies will give readers food for thought and reflection and will promote research on translation cultural identity and cross cultural communication
