Numbers Ot Daily Study Bible Series:

Numbers Walter Riggins,1983-01-01 Although the name of the book of Numbers derives from the lists and census data contained therein Walter Riggins shows that this biblical book rich in content is best understood in the context of the Pentateuch as a whole In this incisive commentary the author describes the people of Israel during their trials in the wilderness throughout the period of adjustment and into the time of settlement He illustrates that the underlying theme of Numbers is the gracious providence of the Lord who cares for Israel in spite of constant rebellion by the people and their leaders Carrying forward brilliantly the pattern established by Barclay s New Testament series the Daily Study Bible has been extended to cover the entire Old Testament as well Invaluable for individual devotional study for group discussion and for classroom use the Daily Study Bible provides a useful reliable and eminently readable way to discover what the Scriptures were saying then and what God is saying today *Numbers* Walter Riggins,1983 **New Daily Study Bible, Gospel Set** William Barclay,2017-10-13 For almost fifty years and for millions of readers the Daily Study Bible commentaries have been the ideal help for both devotional and serious Bible study Now with the release of the New Daily Study Bible a new generation will appreciate the wisdom of William Barclay With clarification of less familiar illustrations and inclusion of more contemporary language the New Daily Study Bible will continue to help individuals and groups discover what the message of the New Testament really means for their lives *Asian Journal of Pentecostal Studies, Volume 20, Number 2* Dave Johnson,2018-11-20 THE JOURNAL SEEKS TO PROVIDE A FORUM To encourage serious theological thinking and articulation by Pentecostals Charismatics in Asia to promote interaction among Asian Pentecostals Charismatics and dialogue with other Christian traditions to stimulate creative contextualization of the Christian faith and to provide a means for Pentecostals Charismatics to share their theological reflections **The Pentateuch** James E Smith,2006-08 New Daily Study Bible The Letters of John and Jude William Barclay,2013-01-07 Millions of people worldwide love William Barclay s endlessly fascinating ability to unlock and reveal the meaning of the New Testament in our daily life No writer in the New Testament presents with greater intensity the full reality of the incarnation than John Not only did Jesus come to the world as a man but he also suffered for men and women Aside from its beautiful ending Jude is often neglected but there have been times in the history of the Church when Jude was not far from being the most relevant book in the New Testament

Crossing the Schism John D. Smatlak,2019-03-13 The Christian religion suffered three schisms during its two thousand year history Orthodox Protestant and Anglican schisms occurred in succession The Protestant schism resulted in the most significant change to how Christians worship Catholics and Protestants have the same core Christian beliefs However their worship practices are very different Currently Catholics and Protestants have difficulty even talking about those differences It seems like they speak in two different languages and neither side can understand the other In Crossing the Schism author John D Smatlak explains how Catholics and Protestants can reconcile their differences with a new way of approaching the

Word Although Smatlak was raised in a Protestant Fundamentalist church and joined congregations from a variety of Protestant denominations he also attended many Catholic church services Because of that broad experience he successfully crossed the schism between Catholics and Protestants Though he remains Protestant he learned to speak both languages By first unlearning some false beliefs both Catholics and Protestants can accept that there are different ways to worship the same Christ Crossing the Schism exposes the false beliefs and uncovers forgotten truths building bridges of Christian love and understanding Because it is only when you learn about the perspectives of other Christians that you more fully understand your own Christian beliefs and grow stronger in your faith [Report of the Conference ... Donald P. Moffat, 2013-05-09 Moffat aims to provide further insight into the mixed marriage narrative by exposing the social and cultural factors on which it is based He also identifies historical traces in the narrative that can contribute to a historical reconstruction of the post-exilic era The socio-cultural analysis highlights previously unobserved aspects of the narrative as it understands that the narrative reflects a context in which identity formation issues were prominent in Persian Yehud Moffat argues that the rituals of mourning and penitential prayer are important acts that shaped the mixed marriage controversy The label foreign women is identified as a symbol which carried considerable freight and connected the mixed marriages with wider social discourse on identity Further the Exodus traditions are shown to be significant for the conceptual foundations underlying the narrative and the society that produced it The analysis also gives reason to understand Ezra as the pivotal character in narrative plot This not only affects how the narrative is understood but has implications for historical reconstruction that utilises this narrative
