

NUNS IN JEOPARDY

— A NOVEL BY MARTIN BOYD —

Nuns In Jeopardy

Elizabeth McMahon

Nuns In Jeopardy:

Nuns in Jeopardy Martin Boyd, 1975

Islands, Identity and the Literary Imagination Elizabeth

McMahon, 2016-07-09 Australia is the planet's sole island continent. This book argues that the uniqueness of this geography has shaped Australian history and culture including its literature. Further, it shows how the fluctuating definition of the island continent throws new light on the relationship between islands and continents in the mapping of modernity. The book links the historical and geographical conditions of islands with their potent role in the imaginary of European colonisation. It prises apart the tangled web of geography, fantasy, desire, and writing that has framed the Western understanding of islands, their real and material conditions, and their symbolic resonance from antiquity into globalised modernity. The book also traces how this spatial imaginary has shaped the modern man who is imagined as being the island's natural inhabitant or mirror. Importantly, the book challenges these habits of thought by their relocation within larger topological and imaginary visions from islanders themselves.

Joan Lindsay Brenda Niall, 2025-02-04 One of Australia's foremost biographers examines the

life of Joan Lindsay, the author of one of Australia's most enduring novels, *Picnic at Hanging Rock*. **Encyclopedia of Post-Colonial Literatures in English** Eugene Benson, 2004-11-30 Documents the history and development of Post-colonial literatures in English together with English and American literature and includes original research relating to the literatures of some 50 countries and territories. In more than 1,600 entries written by more than 600 internationally recognized scholars, it explores the effect of the colonial and post-colonial experience on literatures in English worldwide.

Martin Boyd

Brenda Niall, 2004-06-15 Martin Boyd was one of the generation whose lives were changed by World War I. He served in a British regiment, survived the trenches in 1916-17, and joined the Royal Flying Corps. The pacifist beliefs which emerged from that war experience are central to his fiction, as they were to his life. Boyd's was a complex personality: witty, generous, sociable, yet deeply reserved. He looked for his home of the spirit in many places: an Anglican monastery, London's West End clubland, a Cambridge village, and an old family house in Harkaway, Victoria, and among English expatriates in Rome. In a fine study of a man and his work, Brenda Niall re-creates the Melbourne in which Boyd grew up just before World War I and traces his development as a writer during his restless expatriate years.

Convents and the Body Politic in Late

Renaissance Venice Jutta Gisela Sperling, 1999 In late sixteenth-century Venice, nearly 60 percent of all patrician women joined convents, and only a minority of these women did so voluntarily. In trying to explain why unprecedented numbers of patrician women did not marry, historians have claimed that dowries became too expensive. However, Jutta Gisela Sperling debunks this myth and argues that the rise of forced vocations happened within the context of aristocratic culture and society. Sperling explains how women were not allowed to marry beneath their social status while men could, especially if their brides were wealthy. Faced with a shortage of suitable partners, patrician women were forced to offer themselves as a gift not only to God but to their fatherland. As Patriarch Giovanni Tiepolo told the Senate of Venice in 1619, noting the declining birth rate:

among patrician women Sperling explores the paradox of a marriage system that preserved the nobility at the price of its physical extinction And on a more individual level she tells the fascinating stories of these women Some became scholars or advocates of women s rights some took lovers and others escaped only to survive as servants prostitutes or thieves

these sisters offer thought provoking and inspiring stories As the Daily Beast put it Anybody looking to argue there is a place for Catholicism in the modern world should just stand on a street corner handing out Piazza s book
