Vantrease, 2005-12-27 A glowing first novel that brings us historical fiction in the grand epic manner beautifully felt and written It is England in the fourteenth century a time of plague political unrest and the earliest stirrings of the Reformation The printing press had yet to be invented and books were rare and costly painstakingly lettered by hand and illuminated with exquisite paintings Finn is a master illuminator who works not only for the Church but also in secret for John Wycliffe of Oxford who professes the radical idea that the Bible should be translated into English for everyone to read Finn has another secret as well one that leads him into danger when he meets Lady Kathryn of Blackingham Manor a widow struggling to protect her inheritance from the depredations of Church and Crown alike Finn s alliance with Lady Kathryn will take us to the heart of what Barbara Tuchman once called the calamitous fourteenth century Richly detailed and irresistibly compelling Brenda Rickman Vantrease s *The Illuminator* is a glorious story of love art religion and treachery at an extraordinary turning point in history *Releasing Henry* Sarah Hegger, 2017-08-29 A light in the darkness The youngest son of Anglesea the once idealistic Henry has survived the Holy Pilgrimage but lost all his deeply held beliefs in honor and nobility Captured in battle he is sold as a slave into the home of Alif Al Rasheed a wealthy Genovese merchant who has converted to Islam Bereft of faith imprisoned in a foreign land Henry has lost hope in his ability to love again until he lays eyes on his captor s beguiling daughter A marriage of opposites To Henry Alya is a beacon of beauty he cannot ignore But the heart of this proud daughter of Cairo will not be won so easily Divided by religion language and culture Alya has little in common with the disillusioned Englishman and yet he has vowed to protect her life in exchange for his freedom As they embark on a perilous journey to safety their bond will grow and be tested in ways neither can anticipate For their greatest challenges will arise where Henry least expects With threats conspiring to divide them will he find the strength to stand by Alya and together will they find a common ground on which to build a future Sarah Hegger has a gift for storytelling that is not to be missed She s a personal favorite of mine Kathryn Le Veque USA Today bestselling author Hegger answers every question readers may have beautifully RT Book Reviews 4 5 Stars Top Pick **The American Journal of Nursing** ,1923
