Nurses Of A Different Stripe:

Building Schools, Making Doctors Katherine L. Carroll, 2022-05-31 In the late nineteenth century medical educators intent on transforming American physicians into scientifically trained elite professionals recognized the value of medical school design for their reform efforts Between 1893 and 1940 nearly every medical college in the country rebuilt or substantially renovated its facility In Building Schools Making Doctors Katherine Carroll reveals how the schools constructed during this fifty year period did more than passively house a remodeled system of medical training they actively participated in defining and promoting an innovative pedagogy modern science and the new physician Interdisciplinary and wide ranging her study moves architecture from the periphery of medical education to the center uncovering a network of medical educators architects and philanthropists who believed that the educational environment itself shaped how students learned and the type of physicians they became Carroll offers the first comprehensive study of the science and pedagogy formulated by the buildings the influence of the schools donors and architects the impact of the structures on the urban landscape and the local community and the facilities privileging of white men within the medical profession during this formative period for physicians and medical schools

Women and Health in America Judith Walzer Leavitt, 1999 Organised chronologically and then by topic this volume covers studies of women and health in the colonial and revolutionary periods through the Civil War The remainder of the book focuses on the late 19th and 20th centuries

The Nurse in History and Opera Judith Barger, 2024-04-08 From Scarabea Artusa s old nurse in Francesco Mannelli s *La Maga Fuminata* 1638 Venice through the Canadian nursing sisters in Stephanie Martin s *Llandovery Castle* 2018 Toronto over one hundred nurse characters appear in opera roles ranging from silent cast extra to principal singer *The Nurse in History and Opera* From *Servant to Sister* explores that role over the span of opera s existence Judith Barger examines the nurse character in opera within the sociohistorical context of her real life counterparts off stage the progression of the nurse from servant to sister both inside and outside the opera house is a commentary on how society has viewed its women The book then discusses textual and musical interactions between opera s nurses and other characters with attention to what the nurse s role contributes to opera in six categories identified as common to opera s nurses Comic Former Knowledgeable Motherly Scheming and Specialized When viewed through the lens of social history opera s nurse characters merit attention for the glimpse that they offer of a unique musical and dramatic journey from servant to sister and for the commentary that they offer on women s perceived place and status not only on the opera stage but in society as well View the author s website here Judith Barger Author Nurse Historian Music Scholar

Women in the United States Military Judith Bellafaire, 2011-01-26 Women s participation in the U S Armed Forces has grown over time in response to the national need for their services Throughout each era of American history patriotic women volunteered to serve their country in a wide variety of official and unofficially sanctioned capacities When there was a call to duty the United States Armed Forces always relied upon women to be a part of the effort This book
