

Nursing And Health Care For The Homeless

David Levinson

Nursing And Health Care For The Homeless:

Nursing and Health Care for the Homeless Juanita K. Hunter,1993-07-01 The lack of shelter creates many health hazards for the homeless and the lack of regular health care exacerbates chronic illnesses and fosters poor health practices within this group Homeless children lack immunizations evidence developmental delays and have increased school related health problems Nursing along with other health care professions is concerned about health care available for the homeless Schools of nursing and individual nurses have joined with other health care providers in developing special programs to meet the needs of this population These providers have now documented specific information about the composition of the homeless as a group and their health care needs This book provides a national perspective of nurses service delivery research and experiences in working with the homeless

Nursing and Health Care for the Homeless Juanita K. Hunter,1993-01-01 The lack of shelter creates many health hazards for the homeless and the lack of regular health care exacerbates chronic illnesses and fosters poor health practices within this group Homeless children lack immunizations evidence developmental delays and have increased school related health problems Nursing along with other health care professions is concerned about health care available for the homeless Schools of nursing and individual nurses have joined with other health care providers in developing special programs to meet the needs of this population These providers have now documented specific information about the composition of the homeless as a group and their health care needs This book provides a national perspective of nurses service delivery research and experiences in working with the homeless

Caring for the Vulnerable:

Perspectives in Nursing Theory, Practice, and Research Barbara Anderson,2008 Organized into seven units concepts nursing theories research practice programs teaching learning and policy this text offers a broad focus on vulnerability and vulnerable populations in addition to extending nurses thinking on the theoretical formulations that guide practice It is a timely and necessary response to the culturally diverse vulnerable populations for whom nurses must provide appropriate and precise care

Encyclopedia of Homelessness David Levinson,2004-06-21 Click Additional Materials for downloadable samples This valuable reference provides an excellent overview of a serious world wide problem As such it is an essential purchase for all libraries LIBRARY JOURNAL star review Levinson s remarkable work deserves an award for tackling this complex social problem in such a very thorough and well organized way Highly Recommended CHOICE At any given moment about 3 million American women men and children are homeless And another 5 million Americans spend over 50% of their incomes on housing meaning that one missed paycheck one health crisis or one unpaid utility bill can push them out the door into homelessness Homelessness is one of the major social problems and personal and family tragedies of the contemporary world No community city or nation is immune and the lack of affordable housing and a decline in secure well paying jobs means that the problem will only get worse The Encyclopedia of Homelessness is the first systematic effort to organize and summarize what we know about this complex topic that impacts not only the homeless but all of society The Encyclopedia

focuses on the current situation in the United States with a comparative sampling of homelessness around the world Key Themes Causes Lifestyle Issues Health Issues and Services History Legal Issues and Advocacy Government Policies and Programs Organizations Research Approaches Service Systems and Settings Size and Characteristics of the Homeless Population Public Perceptions of Homelessness World Issues and Perspectives Quick and Easy Regional Comparisons Additional descriptive articles cover homelessness today in a sample of American cities and a sample of cities and nations of the world allowing for quick and easy comparisons The Encyclopedia contains entries on Australia Brazil Canada Cuba France Guatemala Japan Nigeria Russia Sweden the United Kingdom Zimbabwe Tokyo Calcutta London and others around the world The Encyclopedia of Homelessness meets the needs of a broad audience offering a rich history and the data views and perspectives of experts from different disciplines and perspectives including Sociologists Anthropologists Economists Historians Social Policy Analysts and Planners Program Administrators Physicians Social Workers Lawyers who provide advocacy and services Journalists Students of history social studies and the social sciences in high school through graduate school Appendices In addition to the articles the Encyclopedia provides five carefully researched and compiled appendices that make this the key starting point for the study of homelessness Homelessness Autobiographical and Fictional Homelessness in Popular Culture Film Directory of Street Newspapers Documentary History Selection of primary source material Master Bibliography Key Features Two volumes and over 150 entries organized alphabetically Entries written by an international team of leading authorities in the field Reader s Guide groups entries by broad topic areas Appendices offer a wealth of additional information

Community Health Nursing Karen Saucier Lundy, Sharyn Janes, 2009 Historically community health nursing has responded to the changing health care needs of the community and continues to meet those needs in a variety of diverse roles and settings *Community Health Nursing Caring for the Public s Health Second Edition* reflects this response and is representative of what communities signify in the United States a unified society made up of many different populations and unique health perspectives This text provides an emphasis on population based nursing directed toward health promotion and primary prevention in the community It is both community based and community focused reflecting the current dynamics of the health care system The Second Edition contains new chapters on disaster nursing and community collaborations during emergencies The chapters covering Family health ethics mental health and pediatric nursing have all been significantly revised and updated

Nursing & Health Care, 1991 *FPN Led Mobile Health Services for the Homeless Population* Tenzin D. Lama, 2015 A small percentage of the U S population uses the greatest portion of the healthcare services Homeless people are often such a group of super utilizers of the healthcare system Due to multiple medical and psychosocial conditions people experiencing homelessness face numerous barriers to accessing healthcare thus leading increased utilization of hospitals and emergency departments EDs services Many of these events are preventable through improved primary care interventions The literature on Respite Recuperative Care

Transitional Care and Mobile Health interventions have shown effectiveness in providing safe and quality care to homeless individuals during the critical transitional period post hospital discharge while also reducing the readmission rates to hospitals and EDs The goal of this DNP project was to establish a Mobile Health Services program and function as a part of a larger Recuperative Care pilot program for Marin County s homeless population The partnership between the University of San Francisco School of Nursing and Health Professions USF SONHP and local organizations in Marin endeavored to improve the quality of care for the homeless population and reduce rehospitalizations and ED visits This goal was accomplished through the successful implementation of the pilot project Outcome evaluation demonstrated that the project team was able to prevent rehospitalization in all eight patients that enrolled in the program These results also showed a potential for a significant positive financial impact on the overall healthcare system by reducing utilization rates of EDs and hospitals and costs associated with it

Population Health for Nurses Diana R. Mager, Jaclyn Conelius, Jaclyn E. Conelius, 2019-11-28 A nurse s field guide to improving health outcomes for distinct patient populations This practical text is distinguished by its in depth coverage of populations ranging from opioid addicted veterans to young children suffering from obesity Focused on the educational needs of students in undergraduate and bridge programs this book is grounded in evidence based practice in depth content and clinical case studies Five sections address population health in the following settings community based care home and rural health school based and primary care medical home and palliative care and acute and long term care Each section begins with an overview chapter addressing fundamental concepts characteristic trends expenditures and critical considerations Subsequent chapters provide descriptions of varied patient populations relevant care settings and examples of the RN s role within each setting Chapters conclude with a case study that illustrates a day in the life of a typical nurse which includes assessment and evaluation of present symptoms demographic information social and environmental determinants and medical background Chapters also encompass advocacy and policy roles care access emergency preparedness and community resiliency Key Features Focuses on the needs of students in undergraduate and bridge programs Provides specific examples and context using a population of interest approach Exposes nurses and future nurses to a multitude of diverse work settings Case studies are written from the nurse s perspective Addresses current medical issues among populations with an emphasis on practical content application Grounded in evidence based principles Clinical reasoning exercises Q As with rationales and lists of key terms with definitions Supplemental Instructor s PowerPoints included

Encyclopedia of Nursing Research Joyce J. Fitzpatrick, Meredith Wallace (PhD, RN.), 2006 From the world OCOs leading authorities in nursing research this thoroughly updated 2nd Edition of the Encyclopedia of Nursing Research presents key terms and concepts in nursing research comprehensively explained by over 200 expert contributors

Nursing And Health Care For The Homeless Introduction

In the digital age, access to information has become easier than ever before. The ability to download Nursing And Health Care For The Homeless has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Nursing And Health Care For The Homeless has opened up a world of possibilities. Downloading Nursing And Health Care For The Homeless provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Nursing And Health Care For The Homeless has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Nursing And Health Care For The Homeless. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Nursing And Health Care For The Homeless. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Nursing And Health Care For The Homeless, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Nursing And Health Care For The Homeless has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Nursing And Health Care For The Homeless Books

1. Where can I buy Nursing And Health Care For The Homeless books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Nursing And Health Care For The Homeless book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
