

Nursing As Therapy

Imelda W. Clements

Nursing As Therapy:

Nursing as Therapy Richard McMahon, Alan Pearson, 1998 This ground breaking book identifies the role of nursing in the healing process written from a practice perspective The text provides a firm foundation for students in understanding what nursing is I WOULD ENCOURAGE ALL NURSES IN ANY SPECIALITY TO READ THIS CLASSIC TEXT Nursing Times

Nursing as Therapy Richard McMahon, Alan Pearson, 2013-11-11 Over the past 20 years nursing has begun to rediscover some of its basic truths which have become obscured because of the rise in technology and medical knowledge this century One of these basic truths is the concern of this book that intelligent sensitive nursing does make a difference to the consumers of health care Like most essential truths this seems almost too obvious to be stated Nevertheless many nurses have become increasingly aware of a commonly held view that getting better or staying healthy is largely dependent upon the intervention of or monitoring by medical practitioners and paramedical therapists together with the technology they use and that nurses merely carry out the orders of such workers and keep things in order An apt analogy frequently used is that of the air journey The point of the journey is to get from A to B and is largely dependent upon the aeroplane i.e. the technology in health care and the crew in the cockpit i.e.

Nursing as a Therapeutic Activity Steven J Ersser, 2019-01-15 First published in 1997 this volume responds to the rapidly developing fields of nursing and health care fields and explores the meaning of nursing and the nurse patient relationship through looking at the effects of a nurse's personality approach and understanding as being therapeutic for the patient's experience Steven J Ersser explores areas including the concept of nursing as therapy the presence of nurses and the effect of nursing on patient outcome His book is part of a new series of monographs offering up to date reports of recently completed research projects in the fields of nursing and health care The aim of the series is to report studies that have relevance to contemporary nursing and health care practice It will include reports of research into aspects of clinical nursing care management and education This book along with the series will be of interest to all nurses and health care workers researchers managers and educators in the field *Nursing As Therapy*

McMahon, Richard McMahon, 1991-02 Chapters discuss therapeutic dimensions of nursing humanistic approaches nurse patient interactions Family Therapy Imelda W. Clements, 1982 *The Nurse as Therapist* Philip J. Barker, Douglas Fraser, 2025-09-17 This book originally published in 1985 is intended to complement Philip Barker's previous book Behaviour Therapy Nursing The latter focussed more on the principles of the behavioural approach to nursing while this book adopts a more practical approach It is also shown that the proposed model can be extended beyond psychiatric and learning disabilities into general nursing In the first part of the book the range of settings in which various therapeutic approaches can be used is set out including work in the community Emphasis is also given to the nurse's role in social skills training and in the development of everyday living skills for the rehabilitation of the mentally ill and disabled The second part of the book presents case studies each describing how the nurse assesses the patient and plans and implements the treatment The

emphasis is on practical illustration of the behavioural approach to different clinical problems in different patient populations in various treatment settings At the end of each study there is discussion of possible alternative treatment strategies and the general applicability of the case Parkinson's Disease and Related Disorders ,1971 **Trends in Long-term Care** United States. Congress. Senate. Special Committee on Aging. Subcommittee on Long-Term Care,1970 **Health Care Financing Review** ,1987 **"Code of Massachusetts regulations, 2005"** ,2005 Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020
