Poverty (Routledge Revivals) Mats Lundahl, 2015-05-15 Haiti is a country which until the earthquake of 2010 remained largely outside the focus of world interest and outside the important international historical currents during its existence as a free nation The nineteenth century was the decisive period in Haitian history serving to shape the class structure the political

tradition and the economic system During most of this period Haiti had little contact with both its immediate neighbours and the industrialised nations of the world which led to the development of Haiti as a peasant nation This title first published in 1979 examines the factors responsible for the poverty of the Haitian peasant by using both traditional economic models as well as a multidisciplinary approach incorporating economics and other branches of social science The analysis deals primarily with the Haitian peasant economy from the early 1950s to the early 1970s examining in depth the explanations for the secular tendency of rural per capita incomes to decline during this period Nutrition and Human Reproduction W. Mosley, 2012-12-06 This book is the product of the Conference on Nutrition and Human Reproduction supported and organized by the National Institutes of Child Health and Human Development and held at the National Institutes of Health Bethesda Maryland in February 1977 The genesis of this Conference came from the work of the Subcommittee on Nutrition and Fertility of the Committee on International Nutrition Programs of the National Research Council The purpose of the Conference was to assemble scientists and program planners from a broad range of fields including nutrition epidemiology demography endocrinology sociology economics anthropology biostatistics and public health Each individual brought his or her analytical skills and perspective to the meeting with the goal of developing a more coherent picture of the many facets of nutrition and reproduction The approach was to get a more comprehensive view by 1 Clarifying terminology and definitions 2 Reviewing recent and current work on the biological basis for nutrition fertility interactions 3 Reviewing biomedical and socioeconomic factors related to breast feeding to assess how this practice relates to maternal and infant nutrition and fertility 4 Assessing some current analytical models for defining nutrition fertility interrelationships 5 Reviewing recent field studies from Africa Asia and Latin America which are examining the interrelationships of nutrition and reproduction
