Trump's World John Davis,2019-08-07 Hyper partisanship represents a critical variable that undergirds President Donald Trump's stewardship of American foreign policy while bipartisanship a hallmark of American diplomacy is in a period of rapid decline The tenure of the 45th president of the United States is shaping up to be one of the most pivotal and contentious in the history of the Republic Trump's World Peril and Opportunity in US Foreign Policy after Obama is an explosive study of the president's foreign policy agenda It provides an expansive examination of how Trump's America First policy contributes to growing counter US hysteria that could lead to a new wave of anti Americanism around the world and explores an important question When the Trump presidency concludes what is the likely impact of Trumpism on world order relations with traditional allies the future of multilateralism world trade and American diplomacy Mr. Trump's Wild Ride Major Garrett,2018-09-18 Major Garrett has been reporting on the White House for nearly two decades covering four different presidencies for three news outlets But if he thought that his distinguished journalistic career had prepared him for the unique challenges of covering Donald Trump he was in for a surprise Like many others in Washington Garrett found himself having to unlearn many of his own settled notions about the nature and function of the presidency He also had to separate the carnival like noise of the Trump presidency from its underlying substance For even in its first half Trump's tenure has been highly consequential In Mr Trump's Wild Ride Major Garrett provides what journalists are often said to do but usually don't a true first draft of history His goal was to sift through the mountains of distracting tweets and shrieking headlines in order to focus on the most significant moments of Trump's young presidency the ones that Garrett believes will have a lasting impact The result is an authoritative mature and consistently entertaining account of one of the strangest eras in American political history A consummate professional with unimpeachable integrity remarkable storytelling skills and a deep knowledge of his subject earned through decades of experience Garrett brings to life the twists and turns of covering this White House and its unconventional occupant with wit sagacity and style Mr Trump's Wild Ride should place him securely in the first rank of Washington journalists **AP U.S. Government and Politics Premium, 2025: Prep Book**
