Preserving Textiles A Guide For The Nonspecialist Paperback:

Preserving Textiles Harold F. Mailand, Dorothy Stites Alig, 1999 Basic Condition Reporting Southeastern Registrars Association, 2015-03-06 The fourth edition of *Basic Condition Reporting A Handbook* proffers a standard vocabulary for all of the individuals in a museum that may be conducting condition reports In an ideal world everyone who does a condition report for an item would be trained in the exact same standards use the same terminology and use the exact same form etc However the reality is that even if every registrar collections manager and curator in your institution does condition reports each report will be slightly different Then you throw in every intern volunteer or student that may assist and you will find a variety of methods and terminologies that appear This volume provides a baseline that all of these people can work from so that any person who opens the condition report can understand what the problems on a particular piece include *The Care and Display of Historic Clothing* Karen M. DePauw, 2017-07-18 Wearable textiles hold their own stories of trade manufacture and regionalism just to name a few they also tell a personal tale of the individuals who created our history When we look at a piece of clothing a coat a dress an undergarment we see an item that is more personal more closely related to the human body than nearly anything else it comes in contact with throughout the day Garments can do far more for exhibitions and interpretation than merely providing a bit of color and beauty Clothing is both artistic and utilitarian and is capable of adding so much to the story of who we are and where we came from *The Care and Display of Historic Clothing* aims to assist with the full integration of costume collections into the interpretation of the past Often relied on for their ability to add beauty and color to exhibitions these collection items provide a very personal side to any story at a given moment in history The topics explored in this publication range from the care and identification of items in a costume collection to discussions about both physical display and how they can be used to engage audiences The book s focus is on costume collections and discussion topics will include information in regards to costume collection storage display techniques basic identification and ideas on how to incorporate costumes into exhibitions and programming A list of further resources at the back of the book helps provide supplemental in depth information on individual areas The layout of this work will aim to provide information that slowly leads from understanding your costume collection and obtaining physical control to incorporating it in a significant and informative way into the work of the organization Providing all of these resources in one place will make the incorporation of costumes a more obtainable goal for small to mid sized museums and historical societies **Tapestry Design Basics and Beyond** Tommye McClure Scanlin, 2025-08-01 Renowned master weaver Tommye McClure Scanlin offers more than 60 step by step explorations that lead you from understanding design concepts to using them on your loom I wish Tommye s book had been available when I was first struggling with creating my own designs There is no person more qualified to teach these ideas than Tommye Scanlin Rebecca Mezoff foreword Once ideas and images come to mind the next step in weaving your tapestry interpreting these into effective compositions may be challenging Learn here in ways that

relate specifically to tapestry art the design basics you need to make your best work A master weaver offers more than 60 step by step explorations that lead you from understanding design concepts in your head to using them on your loom Be inspired to explore weavable ways to manage line shape color texture emphasis balance rhythm and more for results that bring your tapestries to a new level In Part 1 dive into the fundamentals of design Parts 2 and 3 hold explorations exercises with a tapestry twist Part 4 teaches ways to turn designs into cartoons A resource treasure trove offers ideas for finishing tapestries essential to the design s completeness helpful templates glossaries and other core information to carry forward on your creative path Clear explanations scores of inspiring tapestries Suggestions for finding design ideas as well as developing and assessing them will be of value to all Bravo Mary Lane former executive director American Tapestry Alliance
