from Stanland David H. Mould, 2016-01-31 Central Asia has long stood at the crossroads of history It was the staging ground for the armies of the Mongol Empire for the nineteenth century struggle between the Russian and British empires and for the NATO campaign in Afghanistan Today multinationals and nations compete for the oil and gas reserves of the Caspian Sea and for control of the pipelines Yet Stanland is still to many a terra incognita a geographical blank Beginning in the mid 1990s academic and journalist David Mould's career took him to the region on Fulbright Fellowships and contracts as a media trainer and consultant for UNESCO and USAID among others In *Postcards from Stanland* he takes readers along with him on his encounters with the people landscapes and customs of the diverse countries Kazakhstan Kyrgyzstan Tajikistan and Uzbekistan he came to love He talks with teachers students politicians environmental activists bloggers cab drivers merchants Peace Corps volunteers and more Until now few books for a nonspecialist readership have been written on the region and while Mould brings his own considerable expertise to bear on his account for example he is one of the few scholars to have conducted research on post Soviet media in the region the book is above all a tapestry of place and a valuable contribution to our understanding of the post Soviet world *Start Your Own Pet Business and More* Eileen Figure

Sandlin, Entrepreneur Press, 2009-01-27 A guide to starting a pet related business looking at five specialty areas including pet sitting dog walking dog training grooming petfood treats and upscale pet products with information on earnings potential equipment start up costs and pricing and including tips on business plans legal issues insurance advertising and related topics **America's Alligator** Doug Alderson, 2020-04-01 People have long been fascinated by the American alligator Ever

since humans arrived on the continent more than 15 000 years ago the American alligator has been both feared and revered celebrated and scorned and often hunted for food and hide Once tourism began to take hold in the South as a real industry especially in Florida the alligator took on iconic and even mythical status One of the most picturesque features of Florida has always been that uncouth and fierce looking reptile called the alligator wrote Nevin O Winter in 1918 Everybody who comes

down here to the peninsula has an ambition to see one in the wild Seminole Indians wrestled alligators for show Alligator souvenirs and mascots often took what people feared a sharp toothed predator and made it into something cute and cuddly Alligator themed songs were recorded and released including See You Later Alligator by Bill Haley and His Comets Hollywood into created alligator themed movies such as Alligator People Alligators were also reportedly kept in the White House under two presidencies And perhaps the most unusual alligator story was one that helped to nab Ma Barker and her son Fred when they were hiding out along Florida s Lake Weir America s Alligator examines the colorful and sometimes conflicted relationship our species has had with Alligator mississippiensis Doug Alderson explores the country s rich alligator mythology and how it inspired various forms of art stories photography tourism and even humor [The White House](#) Vicki Goldberg,2012-02-23 The White House The President s Home in Photographs and History covers every aspect of White House Life over the past 200 years Witness multiple refurbishments to the house media coverage and popular photography of the White House and photos of its illustrious inhabitants visitors and even pets and illustrations Accompanying the photographs is an incisive informative text by renowned critic Vicki Goldberg A rich visual history and a beautiful gift book The White House is a must for photography and history buffs alike [Postcards in the Library](#) Norman D Stevens,2014-01-09 Postcards individually and collectively contain a great deal of information that can be of real value to students and researchers Postcards in the Library gives compelling reasons why libraries should take a far more active and serious interest in establishing and maintaining postcard collections and in encouraging the use of these collections It explains the nature and accessibility of existing postcard collections techniques for acquiring arranging preserving and handling collections and ways to make researchers and patrons aware of these collections Postcards in the Library asserts that in most cases existing postcard collections are a vastly underutilized scholarly resource Editor Norman D Stevens urges librarians to help change this since postcards as items for mass consumption and often with no apparent conscious literary or social purpose are a true reflection of the society in which they were produced Stevens claims that messages written on postcards may also reveal a great deal about individual and or societal attitudes and ideas Chapters in Postcards in the Library are written by librarians who manage postcard collections postcard collectors and researchers Some of the authors have undertaken major research projects that demonstrate the ways in which postcards can be used in research and that have begun to establish a standard methodology for the analysis of postcards They write about major postcard collections including the Institute of Deltiology and the Curt Teich Postcard Archives the use of postcards for scholarly research postcard conservation and preservation arrangement and organization and importance and value Postcards in the Library describes the postcard collections in a variety of libraries of different kinds and sizes and indicates very real ways in which the effective use of postcard collections can result in and contribute to substantive scholarly publications It also offers advice and suggestions on the myriad issues that libraries face in handling these ephemeral fragments of popular culture Special

collections librarians postcard collectors postcard dealers and historical societies will find the information in Postcards in the Library refreshing and practical Libraries with established postcard collections or those thinking about developing postcard collections will use it as a valuable planning tool and start to finish guide Pets in America Katherine C. Grier,2010-11-15 Entertaining and informative Pets in America is a portrait of Americans relationships with the cats dogs birds fishes rodents and other animals we call our own More than 60 percent of U S households have pets and America grows more pet friendly every day But as Katherine C Grier demonstrates the ways we talk about and treat our pets as companions as children and as objects of beauty status or pleasure have their origins long ago Grier begins with a natural history of animals as pets then discusses the changing role of pets in family life new standards of animal welfare the problems presented by borderline cases such as livestock pets and the marketing of both animals and pet products She focuses particularly on the period between 1840 and 1940 when the emotional behavioral and commercial characteristics of contemporary pet keeping were established The story is filled with the warmth and humor of anecdotes from period diaries letters catalogs and newspapers Filled with illustrations reflecting the whimsy the devotion and the commerce that have shaped centuries of American pet keeping Pets in America ultimately shows how the history of pets has evolved alongside changing ideas about human nature child development and community life This book accompanies a museum exhibit Pets in America which opens at the McKissick Museum in Columbia South Carolina in December 2005 and will travel to five other cities from May 2006 through May 2008

The Photographed Cat Arnold Arluke,Lauren Rolfe,2013-09-27 With more than 130 illustrations The Photographed Cat Picturing Close Human Feline Ties 1900 1940 is both an archive and an analytical exploration of the close relationships between Americans and their cats during a period that is significant for photography and for modern understandings of animals as pets This volume examines the cultural implications of feline companions while also celebrating the intimacy and joys of pets and family photographs In seven thematic sections Arluke and Rolfe engage with the collection of antique images as representations of real relationships and of ideal relationships noting the cultural trends and tropes that occur throughout this increasingly popular practice Whether as surrogate children mascots or companions to women cats are part of modern American life and visual culture Entertaining smart and filled with a collector s trove of wonderful images The Photographed Cat pays homage to the surprising range of relationships we have with cats and offers thoughtful consideration of the ways in which we represent them **Fodor's 2011 Washington, D.C.** Fodor's Travel Publications, Inc. (COR),Fodor's,2010-09-28

Explores the monuments and museums and offers information on Washington s history attractions parks and gardens as well as practical tips on accommodations restaurants nightlife and shopping **Real Photo Postcard Guide** Robert Bogdan,Todd Weseloh,2006-09-21 The Real Photo Postcard Guide is an informative comprehensive and practical treatment of this wildly popular American phenomenon that dominated the United States photographic market during the first third of the twentieth century Robert Bogdan and Todd Weseloh draw on extensive research and observation to address all aspects of the

photo postcard from its history origin and cultural significance to practical matters like dating purchasing condition and preservation Illustrated with over 350 exceptional photo postcards taken from archives and private collections across the country the scope of the Real Photo Postcard Guide spans technical considerations of production characteristics of superior images collecting categories and methods of research for dating photo postcards and investigating their photographers In a broader sense the authors show how real photo postcards document the social history of America From family outings and workplace awards to lynchings and natural disasters every image captures a moment of American cultural history from the society that generated them Bogdan and Weseloh s book provides an admirable integration of informative text and compelling photographic illustrations Collectors archivists photographers photo historians social scientists and anyone interested in the visual documentation of America will find the Real Photo Postcard Guide indispensable *Fodor's 2010 Washington, D.C.* Fodor's,2009-10 Explores the monuments and museums and offers information on Washington s history attractions parks and gardens as well as practical tips on accommodations restaurants nightlife and shopping **Bay City 1900-1940 in Vintage Postcards** Leon Katzinger,2002-06-05 At the beginning of the 20th century Bay City was the third biggest city in Michigan after Detroit and Grand Rapids Lumber and sawmills were a big part of that success The wealth amassed by its lumber barons built a vibrant downtown and mansions along its main streets Add industry shipping sugar beets schools and churches to the mix and you have the pictures in this book These postcards show you how Bay City looked at its peak in the very early 1900s until about 1940 a time when people were glad they had reached their destinations and happy to send a postcard when they arrived **Animals** ,1913 **Collier's** Hansi,1908 *Our Dumb Animals* ,1911

New York Magazine ,1981-07-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Twentieth Century (ENHANCED eBook)** C. F. Ware,2003-09-01 Welcome to the fascinating world of the American twentieth century a time when changes in technology communications and transportation changed the world The activities in this book provide an overview of social historical and cultural events in the U S during the twentieth century People entered the twentieth century on horses steamships and steam locomotives and left it in Concord jets nuclear submarines and space shuttles The eight full color transparencies at the back of the book print books or the included PowerPoint slides eBooks can be used alone or with specific activities listed in the table of contents *Amelia's Are-We-There-Yet Longest Ever Car Trip* Marissa Moss,2012-05 First published in 1997 by Tricycle Press as Amelia hits the road **2016 Artist's & Graphic Designer's Market** Mary Burzlaff Bostic,2015-10-19 Build a Successful Art Career Do you want to establish or expand a career for yourself in fine art illustration or design 2016 Artist s Graphic Designer s Market
