Presidential Rhetoric 1961 To The Present:

Presidential Rhetoric Theodore Windt,1987 **Presidential Rhetoric** Theodore Windt,1993-06-01 *Presidential Rhetoric, 1961 to the Present* Theodore Windt,1983 *Presidential Rhetoric, 1961 to the Present* Theodore Windt,1987

Post-9/11 American Presidential Rhetoric Colleen Elizabeth Kelley,2008-01-01 Post 9 11 American Presidential Rhetoric examines the communication offensive orchestrated by George W Bush and the members of his administration between the initial terrorism crisis of September 11 2001 and the March 20 2003 invasion of Iraq Colleen Elizabeth Kelley argues that the president relied on a set of particular strategies that coalesced into protofascist talk in order to discursively manage the post 9 11 situation and justify its 2003 war against Iraq This book suggests a framework for analyzing emergent fascist public discourse and its potential for producing additional substantial antidemocratic speech and action Kelley further reviews the role of the media in conveying President Bush s rhetorical doctrine to the American public The rhetoric of democratic discourse is presented as a firewall to guarantee that such speech based behaviors which are endorsed by willing publics and developed within democracies fail to thrive and do not destroy the very systems that enabled them in the first place Post 9 11 American Presidential Rhetoric is a stimulating text that will strike up discussion among scholars of political communication and those interested in cultural studies The ^AAnti-Intellectual Presidency Elvin T. Lim,2012-01-01 Lim argues that the ever increasing tendency for presidents to crowd out argument in presidential rhetoric with applause rendering platitudes and partisan punch lines was concertedly implemented by the modern White House Through a series of interviews with former presidential speechwriters he shows that the anti intellectual stance was a deliberate choice rather than a reflection of presidents intellectual limitations Only the smart he suggests know how to dumb down *The Presidency and the Rhetoric of Foreign Crisis* Denise M. Bostdorff,1994 The Presidency and the Rhetoric of Foreign Crisis examines presidential crisis management or the way U S presidents portray foreign crises to the American public as a potent tool for the accumulation and at times the forfeiture of political power Arguing that it is largely through presidential communication that foreign crises become real for American citizens Bostdorff does not claim that presidents fabricate crises but rather that they vigorously advance their version of the crisis to the American public in order to rally support for their foreign policies Bostdorff contends that presidential language can heighten the significance of events that otherwise would attract little public attention such as a coup on the tiny Caribbean island of Grenada and thereby persuade citizens to support U S military intervention and to view the commander in chief as a decisive victorious leader To prove her assertions Bostdorff presents case studies from six successive administrations Beginning with Kennedy and the Cuban missile crisis of 1962 she examines Johnson and the Gulf of Tonkin Nixon and Cambodia Ford and the Mayaguez Carter and Iran and Reagan and Grenada Concluding with an evaluation of Bush and Panama Bostdorff identifies the recurring themes that defined crisis rhetoric explains how that rhetoric encourages particular public reactions and raises disturbing questions about the implications for

the American polity **Essays in Presidential Rhetoric** Theodore Windt, Beth Ingold, 1992 **Ideologues and Presidents** Thomas S. Langston, 2017-07-05 Ideologues and Presidents argues that ideologues have been gaining influence in the modern presidency There were plenty of ideologues in the New Deal but they worked at cross purposes and could not count on the backing of the cagey pragmatist in the Oval Office Three decades later the Johnson White House systematically sought the help of hundreds of liberals in drawing up blueprints for policy changes But when it came time to implement their plans Lyndon Johnson's White House proved to have scant interest in ideological purity By the time of the Reagan Revolution the organizations that supported ideological assaults on government had never been stronger The result was a level of ideological influence unmatched until the George W Bush presidency In Bush's administration not only did anti-statists and social conservatives take up positions of influence throughout the government but the president famously pursued an elective war that had been promoted for a decade by a networked band of ideologues In the Barack Obama presidency although progressive liberals have found their way into niches within the executive branch the real ideological action continues to be Stage Right How did American presidential politics come to be so entangled with ideology and ideologues Ideologues and Presidents helps us move toward an answer to this vital question *U.S. Presidents as Orators* Halford R. Ryan, 1995-06-27 This first systematic critique on the rhetoric of 21 presidents shows how political constraints shaped rhetoric and how oratory shaped politics An introduction places American public address in the context of classical rhetorical practices and theory and sets the stage for the bio-critical essays about presidents ranging from Washington to Clinton Experts analyze the style and use of language important speeches and their impact and their ethical ramifications Each essay on a president also keys major speeches to authoritative texts and offers a chronology and bibliography of primary and secondary sources For students teachers and professionals in American public address political communication and the presidency **American Voices** Bernard K. Duffy, Richard Leeman, 2005-08-30 Contemporary public speaking remains an important part of our national life and a substantial force in shaping current events Many of America's most important moments and issues such as wars scandals election campaigns September 11 2001 have been defined by oratory Here over 50 essays cover a substantial and interesting group of major American social political economic and cultural figures from the 1960s to the present Each entry explains the biographical forces that shaped a speaker and his or her rhetorical approach focuses mainly on a discussion of the orator's major speeches within the context of historical events and concludes with an appraisal of the speaker and his or her contribution to American political and social life All entries incorporate chronologies of major speeches bibliographies including primary sources biographies and critical studies and archival collections or Web sites appropriate for student research Entries include high profile individuals such as John D Ashcroft Elizabeth Dole Jerry Falwell Anita Hill Ralph Nader Ronald Reagan Janet Reno Gloria Steinem Malcolm X and many others Excerpts of major speeches and sidebars complement the text Ideal for researchers and students in public speaking classes American history classes

American politics classes contemporary public address classes and rhetorical theory criticism classes Presidential Speechwriting Kurt Ritter, Martin J. Medhurst, 2004-03-15 The rise of the media presidency through radio and television broadcasts has heightened the visibility and importance of presidential speeches in determining the effectiveness and popularity of the President of the United States Not surprisingly this development has also witnessed the rise of professional speechwriters to craft the words the chief executive would address to the nation Yet as this volume of expert analyses graphically demonstrates the reliance of individual presidents on their speechwriters has varied with the rhetorical skill of the officeholder himself his managerial style and his personal attitude toward public speaking The individual chapters here two by former White House speechwriters give fascinating insight into the process and development of presidential speechwriting from Franklin D Roosevelt's administration to Ronald Reagan's Some contributors such as Charles Griffin writing on Eisenhower and Moya Ball on Johnson offer case studies of specific speeches to gain insight into those presidents Other chapters focus on institutional arrangements and personal relationships rhetorical themes characterizing an administration or the relationship between words and policies to shed light on presidential speechwriting The range of presidents covered affords opportunities to examine various factors that make rhetoric successful or not to study alternative organizational arrangements for speechwriters and even to consider the evolution of the rhetorical presidency itself Yet the volume's single focus on speechwriting and the analytic overviews provided by Martin J Medhurst not only bring coherence to the work but also make this book an exemplar of how unity can be achieved from a diversity of approaches Medhurst's introduction of ten myths in the scholarship on presidential speeches and his summary of the enduring issues in the practice of speechwriting pull together the work of individual contributors At the same time his introduction and conclusion transcend particular presidents by providing generalizations on the role of speechwriting in the modern White House

Speechwriting in the Institutionalized Presidency Kenneth Collier, 2018-04-18 This book traces the evolution of the speechwriting process for presidents in the White House from the administration of Franklin Roosevelt to the present While institutionalization of the speechwriting process has often been blamed for bland presidential rhetoric this book draws out the many varied consequences of institutionalization on the speechwriting process Ultimately it concludes that the institutionalization of the process has actually served the presidency well by helping presidents avoid the adverse effects of poorly chosen words *Presidents and Protestors* Theodore Windt, 1990-08-30 Windt's fresh interpretations are based on solid rhetorical analysis A fine work that makes a valuable contribution to the field both in methodology and findings Robert V Friedenbergl Politics and Psychology Joan Offerman-Zuckerberg, 2012-12-06 The world is a different place today Much of this has to do with the increasing volume and clarity of the people's collective voice The power and pressing desire in man for autonomy self determination and change are emerging as a demand As a consequence Communist governments are giving way to democratic re structuring Europe is being recrafted and the Cold War is slowly thawing Simultaneously back

home our government is becoming increasingly bogged down by media created political images and psychodramas lacking in substance and value the degree of exposure somehow determined more by commercial appeal inherent sensationalism than merit The newborn child Le the budding democracies is looking eagerly to Uncle Sam as a role model throughout the world people are quoting our political scriptures our proclamations our Bill of Rights and yet as models we seem sorely lacking Given this climate this book intends to address a number of contemporary themes the role of the media symbolization idealization and projection on political choice the roles of group fantasy and the more rational force of II group governance on political elections the personalities of our presidents and leaders their psychic vulnerabilities their public versus private personas and how this division interacts with the complex unraveling of historical events for example Jimmy Carter s response to crises in Afghanistan and Iran Michael Dukakis and the 1988 campaign George Bush s emergence as president John F Kennedy and his private versus public personas Anwar Sadat as myth and symbol

Twentieth-Century Roots of Rhetorical Studies Jim A. Kuypers, Andrew King, 2001-03-30 Kuypers King and their contributors explore the conception of rhetoric of eleven key American rhetoricians through analyses of their life s work Each chapter provides a sense of that scholar s conception of rhetoric be it through criticism theory or teaching The communication discipline often highlights the work of others outside the discipline however it rarely acclaims the work of its own critics teachers and theorists In this collection the essays explore the innate mode of perception that guided the rhetorical understanding of the early critics In so doing this work dispels the myth that the discipline of Speech Communication was spawned from a monolithic and rigid center that came to be called neo Aristotelianism Scholars and researchers involved with the history of rhetoric rhetorical criticism and theory and American public address will find this title to be a necessary addition to their collection *Bill Clinton* Allan Metz, 2002-03-30 Bill Clinton s administration was filled with new policies and achievements for the nation s future but those achievements were easily overshadowed by personal flaws and scandal Despite his personal problems Clinton captured the American public and served two terms as one of our more memorable presidents This comprehensive bibliography on Clinton will provide students with information from his childhood his pre presidential career presidency including assessments of it and the beginning of his post presidential life Key access points to this information are provided in the Table of Contents and detailed author and subject indexes Also included is an invited essay providing an overview of the Clinton presidency and an extensive chronology of significant events

Rhetorical Style Jeanne Fahnestock, 2011-10-12 A comprehensive guide to the language of argument *Rhetorical Style* offers a renewed appreciation of the persuasive power of the English language Drawing on key texts from the rhetorical tradition as well as on newer approaches from linguistics and literary stylistics Fahnestock demonstrates how word choice sentence form and passage construction can combine to create effective spoken and written arguments With examples from political speeches non fiction works and newspaper reports *Rhetorical Style* surveys the arguer s options at the word sentence interactive and passage levels and illustrates the

enduring usefulness of rhetorical stylistics in analyzing and constructing arguments **The Immaculate Mistake** Rodney Wallace Kennedy, 2021-09-23 President Donald Trump originated his political career by claiming that Barack Obama was not born in the USA His birtherism theory was discredited but there s another possibility about birth Evangelicals have given birth to Donald Trump in the immaculate mistake Evangelicals are not a collection of dumb and irrational people they are the creators of the demolition presidency of Trump He is their child the result of almost one hundred years of evangelical angst resentment and hurt This is the story of how Trump has become a secular evangelical preacher and his message of fear hatred division and getting even has captured the hearts and minds of evangelicals Rather than dismissing them this work takes them seriously and literally and offers a frank and disturbing series of portraits of their determination to win at all costs **Principles of Public Speaking** Kathleen M. German, Bruce E Gronbeck, Douglas Ehninger, Alan H. Monroe, 2016-05-23 Balancing skills and theory Principles of Public Speaking emphasizes orality Internet technology and critical thinking as it encourages the reader to see public speaking as a way to build community in today s diverse world Within a framework that emphasizes speaker responsibility critical thinking and listening and cultural awareness this classic book uses examples from college workplace political and social communication to make the study of public speaking relevant contemporary and exciting This brief but comprehensive book also offers the reader the latest in using technology in speechmaking featuring a unique and exciting integrated text and technology learning system

Presidential Rhetoric 1961 To The Present Introduction

In today's digital age, the availability of Presidential Rhetoric 1961 To The Present books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Presidential Rhetoric 1961 To The Present books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Presidential Rhetoric 1961 To The Present books and manuals for download is the cost-saving aspect. Traditional books and manuals can

be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Presidential Rhetoric 1961 To The Present versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Presidential Rhetoric 1961 To The Present books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Presidential Rhetoric 1961 To The Present books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Presidential Rhetoric 1961 To The Present books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Presidential Rhetoric 1961 To The Present books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Presidential Rhetoric 1961 To The Present books and manuals for download and embark on your journey of knowledge?

FAQs About Presidential Rhetoric 1961 To The Present Books

1. Where can I buy Presidential Rhetoric 1961 To The Present books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
