Leaving her children in Colorado Springs, Colorado, with her ex-husband, she heads to Los Angeles for the 8-week process that will change her life. The Albino Album Chavisa Woods, 2013-03-19 Emerging author Chavisa Woods has been noted for capturing a strange, troubling vision of domestic life in the rural U.S. *Go Magazine*. Here she presents a technicolored vision of rural adolescence, the story of a girl with an unpronounceable name, a fiery, unhinged, growling, big-hearted country girl in a dirty black tutu and combat boots who travels along all the bizarre yet familiar byways of human desire from the cornfields of Louisiana and the big brass sound of Mardi Gras to the heights of the Empire State Building. Turning the tradition of the southern gothic novel on its head, Woods presents a new land of contemporary misfits including fire dancers, pseudo Nazis who breed albino animals, Catholic workers, horse thieves, and the archangel Gabrielle.

The Nobodies Album Carolyn Parkhurst, 2010-06-15 From the bestselling author of *The Dogs of Babel* comes a dazzling literary mystery about the lengths to which some people will go to rewrite their past. Bestselling novelist Octavia Frost has just completed her latest book, a revolutionary novel in which she has rewritten the last chapters of all her previous books, removing clues about her personal life concealed within, especially a horrific tragedy that befell her family years ago. On her way to deliver the manuscript to her editor, Octavia reads a news crawl in Times Square and learns that her rock star son Milo has been arrested for murder. Though she and Milo haven't spoken in years, an estrangement stemming from that tragic day, she drops everything to go to him. The last chapters of Octavia's novel are layered throughout *The Nobodies Album*, the scattered puzzle pieces to her and Milo's dark and troubled past. Did she drive her son to murder? Did Milo murder anyone at all? And what exactly happened all those years ago? As the novel builds to a stunning reveal, Octavia must consider how this story will come to a close. Universally praised for her candid explorations of the human psyche, Parkhurst delivers an emotionally gripping and resonant mystery about a mother and her son and about the possibility that one can never truly know another person.

The Light at the End of the Closet James Cavanaugh, 2013-08-26 Those dark days of coming out and the church's excommunication was difficult indeed. There's no way around it. At times there didn't seem to be any light at the end of the closet. The light was there; it just took the courage to believe it would reveal itself soon.
