Preventing Gang And Drug Related Witness Intimidation:

Preventing Gang- and Drug-related Witness Intimidation Peter Finn, Kerry Murphy Healey, 1996 Preventing Gang and Drug Related Witness Intimidation Peter Finn, Kerry M. Healy, 1998-08 Examines steps that law enforcement agencies prosecutors offices across the country have taken to prevent witness intimidation describes how jurisdictions have carried out these strategies offers a blueprint for combining these discrete approaches into a comprehensive structured program to protect witnesses ensure their cooperation Discusses the nature extent of witness intimidation traditional approaches to security witness relocation preventing intimidation in courtrooms jails reducing community wide intimidation developing a comprehensive witness security program legal issues sources of help Preventing Gang- and Drug-related Witness Intimidation Peter Finn, Kerry Murphy Healey, 1996 **Preventing Gang- and Drug-Related Witness Intimidation** BPI Information Services, DIANE Publishing Company, 1996-01-01 Many police officers prosecutors have become increasingly frustrated by their inability to investigate prosecute cases successfully when key witnesses refuse to provide critical evidence or to testify because they fear retaliation by the defendant or his family friends This report describes how several jurisdictions have carried out these victim witness security strategies and how you can benefit from them without losing faith in the justice system Extensively illustrated **Administration's Anti-gang and Youth Violence Initiative** United States. Congress. House. Committee on the Judiciary. Subcommittee on Crime, 1999 **Witness Protection and Interstate Relocation Act of 1997** United States. Congress. House. Committee on the Judiciary, 1997 *Year in Review* National Institute of Justice (U.S.), 1996 **Organized Crime in Our Times** Jay S. Albanese, 2010-04-07 This book provides a synthesis of significant developments in the nature history theories understanding and prevention of organized crime together with the criminal justice response It reports on important convictions of organized crime figures new transnational links new attention to human smuggling Internet crimes and other modern manifestations of organized criminal activity This edition includes new tables and figures including Organized Crime at the Movies boxes that tie to relevant content in the text and a glossary Preventing and Reducing Juvenile Delinquency James C. Howell, 2003-02-24 This book aims to inform students about the latest research and the most promising and effective programs and for understanding preventing and controlling juvenile delinquency The book is geared to preparing students for a career in juvenile justice or related social service systems and becoming research or program development specialists The history of current juvenile justice system policies and practices are examined including the juvenile violence epidemic Key myths about juvenile violence and the ability of the juvenile justice system to handle modern day juvenile delinquents are critically examined Developmental theories of juvenile delinquency are applied to understanding how juvenile offender careers evolve Effective prevention and rehabilitation programs and what does not work are reviewed A comprehensive framework for building a continuum of effective programs is presented in Part III **Criminal Investigation** Steven G. Brandl, 2021-01-05

Criminal Investigation Fifth Edition offers a comprehensive and engaging examination of the criminal investigation process and the vital role criminal evidence plays. Written in a straightforward manner, the text focuses on the five critical areas essential to understanding criminal investigations: background and contextual issues, criminal evidence, legal procedures, evidence collection procedures, and forensic science. In the new edition of this bestseller, author Steve Brandl goes beyond a simple how-to on investigative procedures and draws from fascinating modern research, actual investigative cases, and real crime scene photos to give students practical insights into the field of criminal investigation today. This title is accompanied by a complete teaching and learning package.

Snitching Alexandra Natapoff, 2022-11-15 Reveals the secretive, inaccurate, and often violent ways that the American criminal system really works. Curtis Flowers spent twenty-three years on death row for a murder he did not commit. Atlanta police killed 92-year-old Kathryn Johnston during a misguided raid on her home. Rachel Hoffman was murdered at age twenty-three while working for Florida police. Such tragedies are consequences of snitching. Although it is nearly invisible to the public, the massive informant market shapes the American legal system in risky and sometimes shocking ways. Police rely on criminal suspects to obtain warrants to perform surveillance and to justify arrests. Prosecutors negotiate with defendants for information and cooperation, offering to drop charges or lighten sentences in exchange. In this book, Alexandra Natapoff provides a comprehensive analysis of this powerful and problematic practice. She shows how informant deals generate unreliable evidence, allow serious criminals to escape punishment, endanger the innocent, and exacerbate distrust between police and poor communities of color. First published over ten years ago, *Snitching* has become known as the informant bible, a leading text for advocates, attorneys, journalists, and scholars. This influential book has helped free the innocent, it has fueled reform at the state and federal level, and it is frequently featured in high-profile media coverage of snitching debacles. This updated edition contains a decade worth of new stories, new data, new legislation, and legal developments, much of it generated by the book itself and by Natapoff's own work. In clear, accessible language, the book exposes the social destruction that snitching can cause in heavily policed Black neighborhoods and how using criminal informants renders our entire penal process more secretive and less fair. By delving into the secretive world of criminal informants, *Snitching* reveals deep and often disturbing truths about the way American justice really works. **Witness**

Protection and Criminal Justice in Africa Suzzie Oyakhire, 2023-06-30 This book examines the concept of witness protection, which is still at an early developmental stage in several African countries, including Nigeria, from a legal and institutional perspective. Recent developments in Nigeria highlight the need to clarify legal and conceptual issues within the existing legal framework for protecting witnesses. Using the Nigerian case study, the book illustrates some obscurities inherent in the concept of witness protection. These are highlighted around five critical areas: the definition of witness protection, the scope of beneficiaries requiring protection, the nature of crimes necessitating protection, the nature of protective measures, and the administrative control of witness protection. Specifically, this book draws from the existing

literature and practices of witness protection and adopts two distinct perspectives the criminal justice perspectives and human rights perspectives as heuristic tools for analysing the concept and to separate the disparate influences that shape how it is construed These distinctions are utilised throughout the book as an integrated way of conceptualising the concept of witness protection By discussing the practice of witness protection within the Nigerian context the book contributes to African conversations on the topic of witness protection The clarifications made in this book are utilised in making normative proposals for developing a legal framework for witness protection in Nigeria They are also useful for other African countries interested in developing a witness protection framework as part of criminal justice reform This book will serve as a reference point for legal scholars researchers academics postgraduate students and policy makers interested in the concept of witness protection It would also be useful for courses concerned with comparative criminology where there is an interest in developments in the Global South

Gangs Karen L. Kinnear, 2008-10-29 A thoroughly updated look at the world of gangs charting their growth and development in the United States and worldwide as well as the efforts to curb their expanding criminal enterprises **Gangs A Reference Handbook Second Edition** offers an eye opening look at modern gangs their history their ability to attract members from a widening social pool as well as efforts by community and political leaders to stop gang related crime and weaken the grip that gangs have on our culture This timely update shows that while genuine progress has been made the world of gangs is evolving in fascinating and dangerous ways The second edition features a wealth of new information new statistical data and new insights into the ways gangs operate in cities large and small It also offers expanded coverage of gangs specific to other countries as well as those that have become genuinely international in nature

Human Security, Transnational Crime and Human Trafficking Shiro Okubo, Louise Shelley, 2011-03-17 In recent years drug use illegal migration and human trafficking have all become more common in Asia North America and Asia the problems of organized crime and human trafficking are no longer confined to operating at the traditional regional level This book fills a gap in the current literature by examining transnational crime human trafficking and its implications for human security from both Western and Asian perspectives The book Provides an outline of the overall picture of organized crime and human trafficking in the contemporary world examining the current trends and recent developments contrasts the experience and perception of these problems in Asia with those in the West by analyzing the distinctive Japanese perspective on globalization human security and transnational crime examines the policy responses of key states and international institutions in Germany Canada the United States the European Union Japan and Korea This book argues that any effort to combat these crimes requires a response that addresses the welfare of human beings alongside the standard criminal law response It represents a timely analysis of the increasingly serious problems of transnational crime human trafficking and security

United States Attorneys Bulletin ,1997 **Criminal Investigation** Steven G. Brandl, 2025-08-15 Criminal Investigation Sixth Edition offers a comprehensive and engaging examination of criminal investigation and the vital role criminal evidence

plays in the process Steven G Brandl blends modern research comprehensive cases and criminal evidence to go beyond investigative procedures offering students practical insights into the field of criminal investigation **EU and**

International Crime Control Marc Cools,2010 EU and International Crime Control focuses on intrinsic EU criminal policy aspects including its transatlantic cooperation with the US Additionally the book examines anti money laundering control counter strategies of criminal organizations and police torture Chapters include Appreciating Approximation Using Common Offense Concepts to Facilitate Police and Judicial Cooperation in the EU Approximation and Mutual Recognition of Procedural Safeguards of Suspects and Defendants in Criminal Proceedings throughout the European Union Shaping the Competence of Europol An FBI Perspective Towards a Coherent EU Policy on Outgoing Data Transfers for Use in Criminal Matters The Adequacy Requirement and the Framework Decision on Data Protection in Criminal Matters A Transatlantic Exercise in Adequacy The International Private Security Industry as Part of the European Union Security Framework A Critical Assessment of the French EU Presidency White Paper The Anti Money Laundering Complex on a Crime Control Continuum Perceptions of Risk Power and Efficacy The Use of Counterstrategies by Criminal Organizations Intimidation and the Use of Violence against Police Officers Police Torture in China and Its Causes **Confronting Failures of Justice** Paul

H. Robinson,Jeffrey Seaman,Muhammad Sarahne,2024-08-06 Most murderers and rapists escape justice a horrifying fact that has gone largely unexamined until now This groundbreaking book tours nearly the entire criminal justice system examining the rules and practices that regularly produce failures of justice in serious criminal cases Each chapter outlines the nature and extent of justice failures in present practice describing the interests at stake and providing real world examples Finally each chapter reviews proposed and implemented reforms that could balance the competing interests in a less justice frustrating manner and recommends one sometimes completely original reform to improve the system A systematic study of justice failures is long overdue As this book discusses regular failures of justice in serious criminal cases undermine deterrence and the criminal justice system s credibility with the community as a moral authority The damage caused by unpunished crime is immense and even worse falls primarily on vulnerable minority communities Now for the first time students researchers policymakers and citizens have a resource that explains why justice failures occur and what can be done about them Confronting Failures of Justice is accessible for use by college freshman through graduate students and law students and is designed to be main text for a course on justice failures but it could be used in conjunction with other texts in a broad range of courses touching on criminal justice It presents arguments in a highly organized fashion and provides dozens of case studies many with photographs to gain student interest and to bring the academic discussions to life

Wounded City Robert Vargas,2016 Through an ethnographic case study of Chicago s Little Village *Wounded City* demonstrates how competition for political power and state resources undermined efforts to reduce gang violence Robert Vargas argues that the state through different patterns of governance can contribute to distrust and division among

community members

New Directions from the Field: Prosecution, 1998

Whispering the Techniques of Language: An Psychological Quest through **Preventing Gang And Drug Related Witness Intimidation**

In a digitally-driven earth where monitors reign great and instant transmission drowns out the subtleties of language, the profound strategies and psychological subtleties concealed within words frequently get unheard. Yet, set within the pages of **Preventing Gang And Drug Related Witness Intimidation** a charming literary treasure blinking with organic thoughts, lies an extraordinary quest waiting to be undertaken.
