Level Up Chris Pace, 2024-01-16 IF YOU DON T FIGHT FOR YOUR FUTURE YOU WILL FORFEIT IT Does it feel like your life is in a holding pattern while others all around you seem to be moving forward with purpose Do you feel disappointed because you re not where you thought you d be at this point in your life Do you feel frustrated sensing you were made for more but don t know how to attain it Do you struggle with fear and depression desperate to find fulfillment and meaning for your life You re not alone At one point or another we ve all heard these words spoken over us You re full of potential But as life goes on what was once a compliment can easily become a painful critique an ever present reminder that you are not where you could be where you should be One of the greatest tragedies in life is unfulfilled potential all that could have been but never was Sobering isn t it That s why it s not enough to be full of potential unless it s being realized And no one wants to reach the end of their life only to look back with regret

Pursuing Excellence, Honoring Jesus through Coaching Christopher M. Schrader, PhD., 2015 Beyond a Whistle and a Prayer will forever change the way you look at sports and coaching Society advocates sports as a means to instill virtue and character in our youth But we all know that the system is broken to a large extent from youth sports through college and beyond Too many coaches and parents are driven by the scoreboard the win at all costs model Is it any wonder that 70% of kids drop out of sports by age 12 Many of us remember the words and actions of coaches for a lifetime What memories are you leaving with your athletes Chris helps us make sense of why sports are broken and how they can be restored as a tool to positively impact lives It all centers on coaches being transformed by biblical truths and implementing practical tools so they can field competitive teams while also loving their athletes well Join the journey and learn to coach with joy Gilbert Tuhabonye Author of This Voice in My Heart 8 time NCAA All American Distance Running Coach

SAMPLE TEXT OF TRANSLATION JOHN S PREDICTING A MORE POWERFUL BAPTIZER THAN HE Mark 1 1 8 1 1 3 The beginning of the gospel of Jesus Christ God s Son according as it s written in Isaiah the prophet Behold I m sending my messenger before your face ahead of you who ll pave your way the road you ll travel the messenger who is the voice of one crying out in the wilderness Prepare the way of the Lord Make his paths straight Pastors Sunday school teachers small group leaders and laypeople will welcome Gundry s non technical explanations and clarifications And Bible students at all levels will appreciate his sparkling interpretations of the NT Scriptures A trustworthy guide for anybody wanting to delve deeper into God s Word

SAMPLE TEXT OF COMMENTS Gospel means good news Jews would associate this good news with Isaiah 52 7 Non Jews would think of the good news of an emperor s accession to power birthday visit to a city military victory or bringing of prosperity to the empire But Mark s good news has to do with the salvation and victory brought by Jesus over evil in all its demonic and physical forms The gospel of Jesus Christ therefore means the gospel about Jesus Christ and refers to a proclaimed message the voice of one crying out not a book though because books like Mark s contain that proclaimed message the term came to refer to those books in the capitalized form of Gospels to distinguish them from the message kept uncapitalized as gospel

A Liberating Passion Laurayne Hurst,2025-04-24 This book was born in 2002 as a Bible study that I wrote for the women who gathered at my home to study God s Word At that time I felt that the current culture had been especially good at robbing us of our freedom As I dug into the Word of God to put together the resulting study I realized that the current bondage that plagued our society was common to all people of all generations The basic cause of bondage has been the same for all people since the fall of Adam Sin So the question you must ask yourself is Are you free The Bible tells us that Christ came to set us free in Galatians 5 1 If not the second question that must be asked is Why not As you begin to study the Word through the help of this book pray that the Holy Spirit will increase your hunger your appetite and your passion for a more intimate relationship with Jesus Christ

The Conclusion of the New Testament (7) Witness Lee, In the Lord s recovery during the

past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set, Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life, nourishment, or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.

Pursuing Excellence for the Glory of God Keith A. Currivean, 2022-01-13. What is education? How and why do educators do what we do? And in what way can and ought education be distinctively Christian? These are a few of the probing questions for which this book seeks answers. Among other contributions, Currivean's book explores a biblical philosophy of Christian education with unprecedented breadth and depth. To accomplish this objective, it considers what education is (chapter 1), what philosophy of education is (chapter 2), and what the ultimate goal of education is (chapter 3). Additionally, this book provides a never-before Christian overview of twelve philosophies of education (chapters 4-15). Each of those chapters provides an introduction of a particular philosophy of education and some of that philosophy's exemplars. Each of those chapters also contributes a constructive Christian critique. Chapter 16 highlights a biblical philosophy of Christian education featuring some people, some principles, and some priorities for a biblical philosophy of Christian education, viz. pursuing excellence for the glory of God.

Paul in the Greco-Roman World: A Handbook J. Paul Sampley, 2016-10-06. This landmark handbook, written by distinguished Pauline scholars and first published in 2003, remains the first and only work to offer lucid and insightful examinations of Paul and his world in such depth. Together, the two volumes that constitute the handbook in its much-revised form provide a comprehensive reference resource for new testament scholars looking to understand the classical world in which Paul lived and worked. Each chapter provides an overview of a particular social convention, literary or rhetorical topos, social practice, or cultural mores of the world in which Paul and his audiences were at home. In addition, the sections use carefully chosen examples to demonstrate how particular features of Greco-Roman culture shed light on Paul's letters and on his readers' possible perception of them. For the new edition, all the contributions have been fully revised to take into account the last ten years of methodological change, and the helpful chapter bibliographies are fully updated. Wholly new chapters cover such issues as Paul and Memory, Paul's Economics, honor and shame in Paul's writings, and the Greek novel.

Philippians John Paul Heil, 2010. This volume employs a text-centered literary, rhetorical, and audience-oriented method to demonstrate how the implied audience of Philippians are persuaded and exhorted.

by the dynamic progression of the letter's chiastic structures to rejoice along with Paul and other believers in being conformed with all of the broad implications of such conformity to Christ. This reading assumes that Philippians is a single unified letter written to be read and heard in a public setting as an oral performance substituting for the personal presence of the imprisoned Paul and it proposes new chiastic structures for the entire letter as a key to understanding it.
