## Q Continuum:

**The Q Continuum** Greg Cox,1998      **The Q Continuum: Book Two: Q-Zone** Greg Cox,1999-07-14 The puckish super being called Q has bedeviled Captain Jean Luc Picard and the crew of the Starship Enterprise since their first encounter at Farpoint Station But little was known of Q s enigmatic past or that of the transcendent plane where he sometimes dwells Now Picard must discover Q s secrets for the sake of all that exists While the Enterprise struggles to survive an alien onslaught Captain Picard has been kidnapped by Q and taken on an astounding journey back through time to that immeasurably distant moment when the Continuum faced its greatest threat But far more is at stake than simply the mysteries of the past for an ancient menace is stirring once more endangering the future of the galaxy and neither Q nor Starfleet may be able to stop it      **The Q Continuum** Greg Cox,1998      *Star Trek: The Q Conflict #6* Scott Tipton,David Tipton,2019-07-24 This is it the grand conclusion of the biggest Star Trek crossover ever As the godlike beings prepare for the final round of their games the captains have their own surprise in store for their powerful tormentors and they re taking it all the way into the Q Dimension      *I,Q* Peter David,John de Lancie,2012-08-07 The mischievous all powerful cosmic entity known only as Q has plagued Captain Jean Luc Picard and the crew of the USS Enterprise since the opening episode of Star Trek The Next Generation Over the millennia of his lifetime he has encountered countless challenges and many powerful enemies But none has been so deadly as the being that now threatens not just the universe we know but all the myriad alternate universes with it Against this attack on everything that is and everything that might have been Q stands alone except for Captain Picard And with the existence of not only our own universe but thousands of others at stake Picard must find a way to work with his nemesis or the whole of existence as we know it will simply cease to be A memoir in Q s own words as only Peter David can write them of a last ditch effort to save the multiverse I Q is a stunning exploration of the nature of reality itself enlivened by insights into the character of its cosmic hero that only John Delancie as the actor who brought him to life in the first place could give him      **Star Trek: The Q Conflict** Scott Tipton,David Tipton,2019-10-30 The captains of the Original Series The Next Generation Voyager and Deep Space Nine meet for the first time in a contest of unwilling champions When a dispute between godlike beings threatens the galaxy it will take all of Starfleet s best captains to stop them Join James T Kirk Jean Luc Picard Kathryn Janeway and Benjamin Sisko as they go head to head in a competition that will determine the fate of the Earth and beyond Will they be able to emerge victorious or will they be torn apart by THE Q CONFLICT      **Q-space** Greg Cox,1998 Captain Picard embarks on a fantastic odyssey into the history of the Q Continuum      Q-Squared Peter David,1995-08-01 In all of his travels Captain Jean Luc Picard has never faced an opponent more powerful than Q a being from another continuum that Picard encountered on his very first mission as Captain of the Starship Enterprise In the years since Q has returned again and again to harass Picard and his crew Sometimes dangerous sometimes merely obnoxious Q has always been mysterious and seemingly all powerful But this time when Q appears he comes to Picard

for help Apparently another member of the Q continuum has tapped into an awesome power source that makes this being more powerful than the combined might of the entire Q continuum This renegade Q is named Trelane also known as the Squire of Gothos who Captain Kirk and his crew first encountered over one hundred years ago Q explains that armed with this incredible power Trelane has become unspeakably dangerous Now Picard must get involved in an awesome struggle between super beings And this time the stakes are not just Picard s ship or the galaxy or even the universe this time the stakes are all of creation

**Sexual Generations** Robin Roberts,1999 Boldly going where no one has gone before Robin Roberts forges intriguing links between feminist politics and theory and the second Star Trek series Star Trek The Next Generation This lively discussion shows how science fiction s ability to make the familiar strange allows Star Trek to expose and comment on entrenched attitudes toward gender roles and feminist issues By having aliens or sexually neutral beings enact female dominance or passivity experience pregnancy or maternity or suffer rape or abortion Star Trek provides viewers with a new perspective on these experiences and an antidote to explicit and implicit cultural biases Roberts maintains that the relevance of Star Trek The Next Generation to feminist issues accounts as no other factor can for the program s huge following of female fans The incisive and innovative readings in Sexual Generations provide food for thought about how the final frontier can clarify pressing questions of our own space and time

Star Trek: Q Squared Peter David,2012-10-30 In all of his travels Captain Jean Luc Picard has never faced an opponent more powerful than Q a being from another continuum that Picard encountered on his very first mission as Captain of the Starship Enterprise™ In the years since Q has returned again and again to harass Picard and his crew Sometimes dangerous sometimes merely obnoxious Q has always been mysterious and seemingly all powerful But this time when Q appears he comes to Picard for help Apparently another member of the Q continuum has tapped into an awesome power source that makes this being more powerful than the combined might of the entire Q continuum This renegade Q is named Trelane also known as the Squire of Gothos who Captain Kirk and his crew first encountered over one hundred years ago Q explains that armed with this incredible power Trelane has become unspeakably dangerous Now Picard must get involved in an awesome struggle between super beings And this time the stakes are not just Picard s ship or the galaxy or even the universe this time the stakes are all of creation
