

"I don't know how she stands it," my mother would say, furious with my grandfather for some new misadventure. She meant she didn't know why.

The truth is, we all knew how she stood it. She stood it by standing knee-deep in the flow of life and paying close attention.

My grandmother was gone before I learned the lesson her letters were teaching: survival lies in sanity, and sanity lies in paying attention.

Yes, her letters said, Dad's cough is getting worse, we have lost the house, there is no money and no work, but the tiger lilies are blooming, the lizard has found that spot of sun, the roses are holding despite the heat.

My grandmother knew what a painful life had taught her: success or failure, the truth of a life really has little to do with its quality. The quality of life is in proportion, always, to the capacity for delight. The capacity for delight is the gift of paying attention.

Reconsidered Jerry G. Watts, 2004-08-26 Thirty five years after its initial publication Harold Cruse's *The Crisis of the Negro Intellectual* remains a foundational work in Afro American Studies and American Cultural Studies Published during a highly contentious moment in Afro American political life *The Crisis of the Negro Intellectual* was one of the very few texts that treated Afro American intellectuals as intellectually significant The essays contained in Harold Cruse's *The Crisis of the Negro Intellectual Reconsidered* are collectively a testimony to the continuing significance of this polemical call to arms for black intellectuals Each scholar featured in this book has chosen to discuss specific arguments made by Cruse While some have utilized Cruse's arguments to launch broader discussions of various issues pertaining to Afro American intellectuals and others have contributed discussions on intellectual issues completely ignored by Cruse all hope to pay homage to a thinker worthy of continual reconsideration *America Noir* David Cochran, 2016-06-21 In *America Noir* David Cochran details how

ten writers and filmmakers challenged the social pieties prevalent during the Cold War such as the superiority of the American democracy the benevolence of free enterprise and the sanctity of the suburban family Rod Serling's *The Twilight Zone* featured victims of vast faceless bureaucratic powers Jim Thompson's noir thrillers such as *The Grifters* portrayed the ravages of capitalism on those at the bottom of the social ladder Patricia Highsmith in *The Talented Mr Ripley* placed an amoral con man in an international setting implicitly questioning America's fitness as leader of the free world Charles Willeford's pulp novels such as *Wild Wives* and *Woman Chaser* depicted the family as a hotbed of violence and chaos These artists pioneered a detached ironic sensibility that radically juxtaposed cultural references and blurred the distinctions between high and low art Their refusal to surrender to the pressures for political conformity and their unflinching portrayal of the underside of American life paved the way for the emergence of a 1960s counterculture that forever changed the way America views itself
