*Resources in Education*, 1998      **Food In Global History** Raymond Grew, 2018-02-19 Social scientists study food in many different ways Historians have most often studied the history of specific foods anthropologists have emphasized the role of food in religious rituals and group identities sociologists have looked primarily at food as an indicator of social class and a factor in social ties and nutritionists have focused on changing patterns of consumption and applied medical knowledge to study the effects of diet on public health Other scholars have studied the economic and political connections surrounding commerce in food Here these perspectives are brought together in a single volume      *What's a Mother/Father to Do?* Maurice A. Fetty, 2001-12-06 Raising a family today is like negotiating a minefield parents often face seemingly insurmountable odds in counteracting the insidious influences of peer pressure and the popular culture Fetty examines how to cope with the stress of modern life by drawing on the inspirational wisdom of the scriptures      *Quantity Time* Steffen T. Kraehmer, 1994 Featuring wisdom drawn from personal experiences inspirational strategies and the unique START program this guide helps parents create the time and the atmosphere to forge family relationships vital to everyone's happiness Includes lists of national organizations books and more that offer advice and support plus special offer for free directory

**Moving Beyond Myths** National Research Council, Mathematical Sciences Education Board, Committee on the Mathematical Sciences in the Year 2000, 1991-02-01 Over the next decade the mathematical community and the nation's colleges and universities must restructure fundamentally the culture content and context of undergraduate mathematics Acknowledging the weaknesses in the present college mathematics curriculum and the ways in which it is taught this book cites exemplary programs that point the way toward achieving the same world wide preeminence for mathematics education that the United States enjoys in mathematical research Moving Beyond Myths sets forth ambitious goals for collegiate mathematics by the year 2000 and provides a sweeping plan of action to accomplish them It calls on mathematics faculty their departments their professional societies colleges and universities and government agencies to do their parts to implement the plan help the public move beyond commonly held myths about mathematics and bring about a revitalization of undergraduate mathematics      **10 Commitments for Dads** Josh McDowell, 2014-10-01 Child rearing has never been easy and if you're a dad today trustworthy advice on good parenting and godly parenting skills can be hard to find Author and speaker Josh McDowell has spent over 50 years successfully working with young people including raising his own four children He mentors you in guiding your children into 10 practical life commitments that will enable them to confidently face a scary world and an uncertain future You can help your kids know how to love God love themselves and love others make right choices resolve conflict and respond properly to authority understand sex and relationships as God designed them deal humbly with success and graciously with defeat Leading your kids with God's wisdom and practicing good parenting skills is the best way to love them 10 Commitments for Dads gives you a straightforward concise resource for keeping your children

in the center of your heart      **Rapport** ,1994      **Planet Middle School** Dr. Kevin Leman,2015-09-29 It happens to every parent One day you have a sweet son or daughter who loves to snuggle on the couch and who puts a smile on your face just by walking into the room The next day it s as if someone left the door open and let in an alien with a smart mouth and an attitude that frankly you could do without Entering middle school is like stepping onto a different planet for parent and child alike It s a planet where peer pressure social media and hormones can wreak havoc in your child s life and in your relationship with him or her But these years don t have to create chaos in your family Parenting expert and New York Times bestselling author Dr Kevin Leman s time tested principles will aid parents in helping their middle schooler not only survive but thrive during these turbulent years on Planet Middle School He shows parents how to understand their child s rapidly expanding world respond rather than react to emotional swings tell their child about sex before someone else tells them their version create opportunities for their child to practice selflessness and gratitude ensure that their kid is one who loves home and family Middle schoolers can be a weird unpredictable species But with a little help from Dr Leman parents will be able to ride out the interstellar storm with humor and confidence      *Invasion Within* Domenick J. Maglio,2004-12-01 Dr Maglio reveals and busts the 16 destructive myths of the modern relativist movement including the myths that the vulgarity of popular culture is harmless and traditional values are out of date      **Newsweek** ,1997      *The Christian Writer's Market Guide 2014* Jerry B. The Myths of Narasimha and Vamana Deborah A. Soifer, 1991-11-08 The Sanskrit Puranas and epics are replete with stories of the avatars incarnations of the god Visnu in various forms to rid the universe of malevolent forces and to restore the proper cosmic balance As Narasimha half man half lion Visnu finds a loophole in the pact of invulnerability the demon Hiranaipu has received from god Brahma and rends the demon apart with his claws As the brahmin dwarf Vamana Visnu deceives the demon Bali with his diminutive appearance and thwarts Bali s attempt to gain universal sovereignty After carefully analyzing the myths of Vamana and Narasimha Deborah Soifer grounds her study in the textual history of each avatar and its myth in their religious contexts and in the intricate cosmology of the classical period of Hinduism Contrasting the bestial persona of Narasimha with Vamana s priestly appearance and his associations with early cosmologic themes she finds complementarity and significance in this pair as they are viewed in the larger context of periodic cosmic destructions and recreations While focusing primarily on these two mythological figures Soifer s work explores the relationship between dharma and the devious acts of gods the interplay between cosmic and sociocosmic levels of reality and the relationship between cosmology theology and soteriology in a religious worldview *How to Solve Our Social Problems* Howard Putnam, 1997
