The Shamanic Path to Quantum Consciousness Laurent

Huguelit,2013-12-17 Uniting shamanism with quantum physics and psychology for conscious evolution manifestation of desires and the development of the soul Details each of the 8 circuits of consciousness from the first circuit of physical survival to the eighth circuit of quantum consciousness Reveals how to balance and upgrade your circuits through shamanic techniques and activate your creative power to shape reality Explains how the 8 circuits are interconnected through feedback loops if one is overactive it can cause the others to shut down First outlined by Timothy Leary and later expanded by Robert Anton Wilson and Antero Alli the eight circuit model of consciousness explains how the soul is multidimensional and functions on eight distinct interconnected planes that form the eight circuits of conscious awareness Each circuit is connected to certain behaviors and personality traits the second circuit for example is connected to emotional consciousness such as intuition feelings of courage or in its unbalanced state aggression and domination and the eighth circuit the creative circuit of quantum consciousness is related to limitless perception understanding and action that extends far beyond the limits of planet Earth Laurent Huguelit explains how these eight levels of awareness are interconnected through feedback loops forming a cybernetic mapping of the soul He explores the underactive overactive and balanced states of each circuit offering many psychological profiles as examples He reveals how activating a circuit that has been neglected can help bring another into balance Connecting this model of conscious evolution to shamanism the oldest consciousness science known to man the author explains how to balance and upgrade your own circuits through shamanic techniques He reveals how to reconnect with source energy by deprogramming trauma from your childhood that can affect your circuits With access to this unlimited energy you can activate your innate creative power to manifest your desires and shape reality Uniting shamanism and the law of attraction with advanced concepts of modern psychology quantum physics and the Akashic field theory of Ervin Laszlo Laurent Huguelit offers a practical map of human consciousness and the development of the soul as well as a vision for the cybernetic future of shamanism

Quantum Spirituality Peter Canova,2023-01-31 Reveals how ancient Gnostic teachings predicted modern quantum physics 2024 Nautilus Book Award Silver Winner 2023 American Book Fest Best Book Award Explains how the perennial principles of Gnosticism a repository of Judeo Christian mysticism describe major theories of quantum physics such as the Big Bang parallel universes the Holographic Universe theory and Einstein's Relativity Shows how these teachings reveal consciousness as the creator of reality Reveals how to harness quantum spirituality for personal empowerment access to higher levels of consciousness and manifestation From the dawn of history a universal wisdom tradition has existed that explains humanity's purpose in the cosmos and our relationship to the Master Source Consciousness This mystical philosophy was harnessed by the ancient seers known as Gnostics who were in direct contact with Source Consciousness As Peter Canova reveals not only do the ancient teachings of Gnosticism contain important spiritual truths but they profoundly align with the modern sciences of quantum physics and psychology They can also provide us with a transformative path to higher consciousness and practical tools to create your own reality Merging

modern science and ancient wisdom Canova explores the perennial principles of Gnosticism and shows how they describe major theories of quantum physics such as the Big Bang parallel universes the Holographic Universe theory and Einstein's Relativity He recounts the Gnostic story of Sophia from a scientific standpoint showing how it describes the fall of spiritual consciousness into material existence He also provides in depth evidence that Jesus taught a hidden mystical Gnostic initiation rite Explaining how the Master Consciousness created and shaped all life including humans the author reveals how Source gave us a critical role to fulfill in the cosmos including the ability of our thoughts to affect the material world He describes Carl Jung's role in the spiritualization of psychology and how this can be used by the modern spiritual seeker to pursue a path of enlightenment and personal fulfillment Ultimately showing how enlightenment is a process wherein outer manifestations arise from inner experience including synchronicity and dreams the author reveals how each of us can harness the power of quantum spirituality to transform our world on both an individual and collective level
