**Sayyid Qutb's Radical Islamism and the Comparative Political Theology** Dragos Stoica, 2024-12-15 Sayyid Qutb's Radical Islamism and The Comparative Political Theology argues that Sayyid Qutb's radical critique of secular modernity seen as a product of a great theft of sovereignty that usurps the monopoly of God over the entire world of creation is not idiosyncratic or incoherent but a quintessential expression and an extreme type of a specific tradition of political theology that until now has been exclusively the province of the Western thought Dragos Stoica claims that Sayyid Qutb's political theology of Hakimiyyah God's Sovereignty is better understood by integrating it in a wider context of the antimodern political theology Thus throughout this book he compares Qutb's critique of modernity with the Pakistani Islamist thinker Abu al A la Mawdudi 1903 1979 the Spanish Catholic counter revolutionary political theologian Juan Donoso Cortes's 1809 1853 as well as the Protestant political theologians Abraham Kuyper 1837 1920 and Rousas J Rushdoony 1916 2001 This book employs a family resemblance cross cultural comparative method and applies a cross disciplinary analytical model that combines comparative political theology with critical discourse analysis Employing these analytical instruments this book compares Qutb and his counterparts via the category of anti modern political theology more precisely through a set of shared antitheses organized around the master concept of God's Sovereignty The ultimate objective is to augment the understanding of the Qutbian critique of secular modernity as an essential dimension of anti modern political theology Thus by recasting Sayyid Qutb as an essential Muslim political theologian of God's Sovereignty placed within a larger cross cultural paradigm

this book contributes as well to the necessary process of decolonization of political theology      **The Oxford Handbook of Islam and Politics** John L. Esposito, Emad El-Din Shahin, 2016 The Oxford Handbook of Islam and Politics with contributions from prominent scholars and specialists provides a comprehensive analysis of what we know and where we are in the study of political Islam      **Egypt and Syria in the Fatimid, Ayyubid and Mamluk Eras** Urbain Vermeulen, D.
