Radical Street Performance Jan Cohen-Cruz, 1998 This collection of key texts brings together for the first time material from around the world Radical Street Performance maps out the terrain of street performance examining its multitude of purposes forms and audiences

The Art of Collectivity Jennifer Beth Spiegel, Benjamin Ortiz Choukroun, 2019-09-12 Amidst epidemics of youth alienation and cultural polarization community based artistic practices are sprouting up around the world as antidotes to policies of austerity and social exclusion Rejecting the radical individualism of the neoliberal era many artistic projects promote collectivity and togetherness in navigating challenges and constructing shared futures The Art of Collectivity is about how one such creative social program deployed this approach in service of a post neoliberal vision Focusing on a national social circus initiative launched by a newly elected Ecuadorean government to help actualize its citizens revolution the book explores the intersection between global cultural politics participatory arts collective health and social transformation The authors include scholars and practitioners of community arts humanities social sciences and health sciences from the Global North and Global South Sensitive to hierarchical binaries such as research practice north south and art science they work together to provide a multifaceted analysis of the way cultural politics shape policy pedagogy and aesthetic sensibilities as well as their socio cultural and health related effects The largest study of social circus to date combining detailed quantitative qualitative and arts based research The Art of Collectivity is a timely contribution to the study of cultural policies critical pedagogies collective art making and community development

Transgression as a Mode of Resistance Christina R. Foust, 2010-06-22 Since industrialization two major theoretical perspectives have accompanied the vibrant practice of social change The first hegemony emerged as a less deterministic route to revolution from Marxist theory and forms the common sense of social movement today Within hegemonic resistance rhetoric links issues ideas and identities to form a recognizable collective agent whose aim is to transform the status quo into its vision of the world The second major mode of resistance transgression grows from anarchist and autonomous resistance to capitalism Transgression attempts to free individuals uniqueness and creative power by deconstructing authority and explicating the body in resistance Transgression as a Mode of Resistance Rethinking Social Movement in an Era of Corporate Globalization provides the conceptual mapping for scholars students and practitioners to participate in the growing debate between these rich and powerful forces of social change Through a broad perspective on philosophy and history Christina R Foust demonstrates that hegemony and transgression are sometimes conflicting oftentimes inter related practices She responds to critics who believe that without a social change agent resistance appears baseless and naive without a representational economy to cohere and express common interests social movement is impossible Through alternative social relationships and political performances transgressive resisters may reinvent daily life

The Routledge Companion to Theatre and Performance Paul Allain, Jen Harvie, 2013-05-13 Discussing some of the pivotal questions relating to the complementary

fields of theatre and performance studies this engaging easy to use text is undoubtedly a perfect reference guide for the keen student and passionate theatre goer alike **Performance: A Critical Introduction** Marvin Carlson, 2017-10-25 Since its original publication in 1996 Marvin Carlson's *Performance A Critical Introduction* has remained the definitive guide to understanding performance as a theatrical activity It is an unparalleled exploration of the myriad ways in which performance has been interpreted its importance to disciplines from anthropology to linguistics and how it underpins essential concepts of human society In this comprehensively revised and updated third edition Carlson tackles the pressing themes and theories of our age with expanded coverage of the growth and importance of racial and ethnic performance the emergence of performance concerned with age and disability the popularity and significance of participatory and immersive theatre the crucial relevance of identity politics and cultural performance in the twenty first century Also including a fully updated bibliography and glossary this classic text is an invaluable touchstone for any student of performance studies theatre history and the performing and visual arts *Performance Analysis* Colin Counsell, Laurie Wolf, 2005-07-28 Brings together texts in critical theory and shows how these texts can be used in the analysis of performance Themed sections include decoding the sign the politics of performance the politics of gender and sexual identity performing ethnicity the performing body the space of performance audience and spectatorship and the borders of performance From publisher description

Ecodramaturgies Lisa Woynarski, 2020-11-25 This book addresses theatre's contribution to the way we think about ecology our relationship to the environment and what it means to be human in the context of climate change It offers a detailed study of the ways in which contemporary performance has critiqued and re imagined everyday ecological relationships in more just and equitable ways The broad spectrum of ecologically oriented theatre and performance included here largely from the UK US Canada Europe and Mexico have problematised reframed and upended the pervasive and reductive images of climate change that tend to dominate the ecological imagination Taking an inclusive approach this book foregrounds marginalised perspectives and the multiple social and political forces that shape climate change and related ecological crises framing understandings of the earth as home Recent works by Fevered Sleep Rimini Protokoll Violeta Luna Deke Weaver Metis Arts Lucy Jorge Orta as well as Indigenous activist movements such as NoDAPL and Idle No More are described in detail *Contemporary Street Arts in Europe* S. Haedicke, 2012-11-28 Street theatre invades a public space shakes it up and disappears but the memory of the disruption haunts the site for audiences who experience it This book looks at how the dynamic interrelationship of performance participant and place creates a politicized aesthetic of public space that enables the public to rehearse democratic practices [Narratives in Black British Dance](#) Adesola Akinleye, 2018-02-08 This book explores Black British dance from a number of previously untold perspectives Bringing together the voices of dance artists scholars teachers and choreographers it looks at a range of performing arts from dancehall to ballet providing valuable insights into dance theory performance pedagogy identity and culture It challenges the presumption that Blackness

Britishness or dance are monolithic entities instead arguing that all three are living networks created by rich histories diverse faces and infinite future possibilities Through a variety of critical and creative essays this book suggests a widening of our conceptions of what British dance looks like where it appears and who is involved in its creation **Devising**

Performance Jane Milling, Deirdre Heddon, 2015-10-11 What is the history of devised theatre Why have theatre makers since the 1950s chosen to devise performances What different sorts of devising practices are there What are the myths attached to devising and what are the realities First published in 2005 Devising Performance remains the only book to offer the reader a history of devising practice Charting the development of collaboratively created performances from the 1950s to the early 21st century it presents a range of case studies drawn from Britain America and Australia Companies discussed include The Living Theatre Open Theatre Australian Performing Group People Show Teatro Campesino Theatre de Complicité Legs on the Wall Forced Entertainment Goat Island and Graeae Providing a history of devising practice Deirdre Heddon and Jane Milling encourage us to look more carefully at the different modes of devising and to consider the implications of our use of these practices in the 21st century
