Radical Chic Mau Mauing The Flak Catch:

Spectacular Blackness Amy Abugo Ongiri, 2010 Exploring the interface between the cultural politics of the Black Power and the Black Arts movements and the production of postwar African American popular culture Amy Ongiri shows how the reliance of Black politics on an oppositional image of African Americans was the formative moment in the construction of authentic blackness as a cultural identity While other books have adopted either a literary approach to the language poetry and arts of these movements or a historical analysis of them Ongiri's captures the cultural and political interconnections of the postwar period by using an interdisciplinary methodology drawn from cinema studies and music theory She traces the emergence of this Black aesthetic from its origin in the Black Power movement's emphasis on the creation of visual icons and the Black Arts movement's celebration of urban vernacular culture

Norman Podhoretz Thomas L. Jeffers, 2010-06-14 This is the first biography of the Jewish American intellectual Norman Podhoretz longtime editor of the influential magazine *Commentary* As both an editor and a writer he spearheaded the countercultural revolution of the 1960s and after he broke ranks the neoconservative response For years he defined what was at stake in the struggle against communism recently he has nerved America for a new struggle against jihadist Islam always he has given substance to debates over the function of religion ethics and the arts in our society The turning point of his life occurred at the age of forty near a farmhouse in upstate New York in a mystic clarification It compelled him to unlearn much that he had earlier been taught to value and it also made him enemies Revealing the private as well as the public man Thomas L. Jeffers chronicles a heroically coherent life

Chicano Politics and Society in the Late Twentieth Century David Montejano, 1999 The various protest movements that together constituted the Chicano Movement of the 1960s and 1970s urged a politics of inclusion to bring Mexican Americans into the mainstream of United States political and social life This volume of ten specially commissioned essays assesses the post movement years asking what went wrong what went right and where are we now Collectively the essays offer a wide ranging portrayal of the complex situation of Mexican Americans as the twenty first century begins The essays are grouped into community institutional and general studies with an introduction by editor Montejano Geographically they point to the importance of Hispanic politics in the Southwest as well as in Chicago wards and in the U S Congress with ramifications in Mexico and Central America Thematically they discuss non traditional politics stemming from gender identity environmental issues theatre production labor organizing university policymaking along with the more traditional politics revolving around state and city government the Congressional Hispanic Caucus and various advocacy organizations

Beyond Fred M. Frohock, 2010-03-03 Is death the final event in human life or does another existence follow What are the signs and possible proofs of such continuity Such questions have sparked speculation in philosophy religion art and science

throughout human history and remain a familiar concern for even the most casual observer of the human condition In his provocative new book Fred Frohock explores the possibility that our existence is neither defined by nor limited to the purely physical nor is it terminated at death Fearlessly pursuing such a sensitive subject Frohock suggests that death's domain may not be quite the undiscovered country lamented by Hamlet He wades boldly into the debates between hardcore materialists and devout spiritualists provides glimpses of recent findings in brain research the so called mind body problem and consciousness studies and in general offers an idiosyncratic introduction to some of the most provocative and least understood aspects of what we call conscious life In the process he provides fresh insights into the narratives claims and conundrums associated with life after death near death and out of body experiences reincarnation and a host of psychic phenomena that continue to puzzle the experts Demonstrating a keen grasp of subjects ranging from neurochemistry to popular culture Frohock is a sure footed tour guide through a richly diverse field of research He considers what past life regression therapy suggests about reincarnation assessing the credibility of pioneering research by Brian Weiss and Ian Stevenson He introduces readers to the work of the University of Virginia's Near Death Experience Project with reports stretching back 35 years and the Human Consciousness Project's study of 1 500 survivors of cardiac arrest And he contemplates whether people in permanent vegetative states like Terri Schiavo and Sunny von Blow are alive or not and what these transitional states tell us about death Leavened with humor and a Renaissance style intellect that draws in Tolstoy and Hemingway along with films like Solaris and Blade Runner Frohock's deep meditations are deftly interposed with brief fictional interludes that humanize his book's more abstract dimensions while exploring claims about the supernatural Approaching the world's most baffling subjects with a critical eye an open mind and an agnostic's heart Beyond looks beyond the last threshold and points the way toward a better understanding of human existence
