Age Jim Cox,2013-09-30 What became of radio after its Golden Age ended about 1960 Not long ago Arbitron found that almost 93 percent of Americans age 12 and older are regular radio listeners a higher percentage than those turning to television magazines newspapers or the Internet But the sounds they hear now barely resemble those of radio s heyday when it had little competition as a mass entertainment and information source Much has transpired in the past fifty plus years a proliferation of disc jockeys narrowcasting the FM band satellites automation talk ethnicity media empires Internet streaming and gadgets galore Deregulation payola HD radio pirate radio the fall of transcontinental networks the rise of local stations conglomerate ownership and radio s future landscape are examined in detail Radio has lost a bit of influence yet it continues to inspire stunning innovations *Radio in the Movies* Laurence Etling,2014-01-10 This richly detailed examination of two branches of American entertainment focuses on the various ways that radio stations and air personalities

have been depicted in motion pictures from 1926's *The Radio Detective* to more recent films like 2006's *A Prairie Home Companion*. Cinematic portrayals of various aspects of radio are covered including disc jockeys, sports broadcasts, religious programs, and the talk radio format. Such films as *The Big Broadcast* (1932), *Reveille with Beverly* (1943), *Mister Rock and Roll* (1957), *WUSA* (1970), *Radio Days* (1987), and *Private Parts* (1997) provide fascinating insights not only into their own times but also into the historical eras that some of these films have endeavored to recreate. A chronological filmography of more than 600 titles is included.

Radio Rides the Range Jack French, David S. Siegel, 2013-11-05 This is a comprehensive encyclopedia to the more than 100 radio programs portraying the American West in fact and fiction heard by generations of listeners from the Great Depression through the Cold War era. The book includes both the popular and lesser known series as well as would-be offerings that never made it past the audition stage. Each entry describes the series, the extent to which it was based on actual facts, the audience it was written for, and its broadcast history. The descriptions also examine how the programs reflected society's changing social and cultural attitudes towards racial and ethnic minorities and the role of women. The availability of surviving audio copies and original scripts is noted. An extensive bibliography and several appendices provide additional sources of information about Western programming during the Golden Age of Radio.

Radio Speakers Jim Cox, 2024-10-17 In the days before television, radio was the constant voice in American life. When radio spoke, America listened, especially to the men and women who spoke directly to their unseen audience. Sometimes formal, sometimes as familiar as the friend next door, their presence filled the airwaves: announcers, newscasters, sportscasters, showbiz reporters, advice consultants, emcees, and breakfast chatterboxes. These radio personalities became as popular and familiar as the most public faces of the time. Here, among profiles of more than 1100 radio speakers, are famous names like George Ansbro, Red Barber, H. V. Kaltenborn, Dorothy Kilgallen, Edward R. Murrow, Louella Parsons, Walter Winchell, and more. Also amply represented are hundreds of lesser-known individuals who left indelible auditory impressions. Whether their fame was forever or fleeting, all were a part of the American voice during the grand epoch of network radio.

Radio Crime Fighters Jim Cox, 2015-06-14 In the early days of radio, producers, directors, and scriptwriters were well aware of the listening public's fascination with subject matter tinged with wrongdoing. Stories of right and wrong, crime and punishment, and law and order kept audiences of every age hooked for more than thirty years. This work covers 300 syndicated radio mystery and adventure serials that aired in the early or middle twentieth century. To be included, a series must have had one or more regularly appearing characters who fought against espionage, theft, murder, and other crimes. Each entry includes series name, air dates, sponsor, extant episodes, cast information, and synopsis.
