tendard pilots who sank HMS Sheffield and MV Atlantic Conveyor and then attacked HMS Invincible plus a key member of the Argentine special forces and the brigadier defending Rio Grande add credence depth and gravitas to the saga as does an equally revealing interview with the SIS MI6 officer who led the world wide search for Exocets on the black market Disturbing over confidence by commanders at home was finely counter balanced by stirring accounts of inspiring physical and moral courage across the South Atlantic Exocet Falklands is a ground breaking work of investigative military history from which many salutary lessons can be learned Between politics diplomacy and barbouzeries this well documented work will lead you in the arcane of what should have changed the course of this war Air Fan
