Raf Regiment At War 1942 46:

The RAF Regiment at War, 1942-1946 Kingsley M. Oliver, 2008-10-17 Born out of necessity in the dark days of the War the RAF Regiment found itself in the thick of the action supporting the vital operations in all theaters This comprehensive record of their operations gives the clearest indication of the contribution that the Regiment made and includes many first hand accounts of the fighting including the first shooting down of a jet aircraft the Me 262A 2a Sturmvogel in November 1944 As a result of their outstanding contributions to the success of RAF operations in WW2 the Regiment became a permanent part of the RAF This is the official history of the RAF Regiment from its foundation 60 years ago to the aftermath of hostilities

On the Road to Mandalay Randle Manwaring, 2007-03-28 The fascinating book features the life story of Dr Randle Manwaring focusing particularly on his Regiment's fight to capture Burma towards the end of WW2 As one of the founding Officers of the RAF Regiment the author helped train and set up the Regiment from its inception in 1942 He saw active service with the Regiment in Burma where the Regiment particularly distinguished itself but suffered heavy losses Randle was present at the Japanese surrender in Rangoon and took the Swords from the Japanese Generals as they surrendered The end of the War saw a return to a very different life requiring different skills Guided by his strong Christian beliefs Randle established a successful career in the City in Insurance Broking

Forward Air Bases in Europe from D-Day to the Baltic Trevor Stone, 2025-08-05 The largely sea borne invasion of Northern France in June 1944 Operation Overlord is acknowledged as one of the key actions which hastened the end of the Second World War The RAF played a vital part in the landings It then supported the subsequent advance of Montgomery's 21st Army and the Allies as a whole through France Belgium Holland and into Germany Following the breakout from the Normandy bridgehead in early August 1944 the RAF's Second Tactical Air Force moved forward in support of the troops occupying a number of temporary airfields as it went The ground support for this operation was complex a situation that was exacerbated by the fact that much of it had to be highly mobile The advance however was rapid and soon ran into problems as the supply lines grew longer by the day The planners had envisaged that capturing the Belgian port of Antwerp would eventually enable them to bring in vitally needed supplies much further north on the Continent Although the city and its port were liberated in September 1944 the port's route to the sea along the River Scheldt was still controlled by German forces It took nearly three months until this

was resolved and the port opened for business Until then in the RAF's equivalent of the US Army's famed Red Ball Express it was some 300 miles by road from Normandy with the Second Tactical Air Force largely reliant on the Army for transporting its needs For an air force needing large volumes of fuel and ammunition demand soon began to outpace supply A number of emergency measures were put in place to keep the aircraft operational which saw the RAF resorting to the use of its heavy bombers to fly in supplies Even when Antwerp was up and running supplying the Second Tactical Air Force remained a hand to mouth affair right through until the enemy's surrender in May 1945 In Forward Air Bases in Europe from D Day to the Baltic the author explores the challenges of supporting a mobile air force in those uncertain days as Hitler's forces were retreating to their homeland As the Allies found things can go badly wrong when thinking loses touch with the art of the possible logistics In the end miraculously it worked but it was a close run thing *Aviation News*, 2002-07

The British National Bibliography Arthur James Wells, 2003 *Britain's Final Defence* Dale Clarke, 2016-11-07 Known affectionately as Dad's Army the Home Guard was Britain's very serious attempt to protect our shores from invasion by Nazi Germany in the Second World War In the Spitfire summer of 1940 all that the 1 million unpaid untrained part timers of the Local Defence Volunteers as the organisation was originally called wanted was a service rifle for each man but even that was too much for a country threatened by defeat to provide Britain's Final Defence is the first book to explore the efforts made to arm the home defence force between 1940 and 1944 and describe the full range of weaponry available for Britain's last stand against invading Axis forces

RAF and USAAF Airfields in the UK During the Second World War Geoff Mills, Daniel Knowles, 2022-03-31 Shortly after the end of the Second World War the United Kingdom was described as one vast aircraft carrier anchored off the coast of Europe During a seven year period 500 airfields were constructed to serve the needs first of the RAF and later the USAAF as they carried the war to German occupied Europe The airfields that were constructed took many different forms from training airfields and Advanced Landing Grounds to grass fighter airstrips and vast complexes used to accommodate heavy bombers This book charts the history of each Second World War airfield in and around the UK providing a unique insight in to the construction operational life and post war history of each airfield Alongside detailing the history of each airfield this work comprehensively records the details of each unit that operated from airfields around the UK The information provided in this meticulously researched book is supported by a wealth of 690 photographs providing an illustration into the life of each wartime station

Armor, 1976 *Monte Cassino* Peter Caddick-Adams, 2013-03-22 The most horrific battles of World War II ring in the popular memory Stalingrad the Bulge Iwo Jima to name a few Monte Cassino should stand among them Waged deep in the Italian mountains beneath a medieval monastery it was an astonishingly brutal encounter grinding up ten armies in conditions as bad as the Eastern Front at its worst With scholarly care insightful analysis and narrative verve Caddick Adams has crafted a monumental account of one of World War II's bloodiest battles
