Reynaldo Reyes, Judith Kay Wilson, 1992 Rafaga s life narrative based on two years of face to face interviews has been constructed through the collaborative effort of Reynaldo Reyes J K Wilson and Tod Sloan and has won the approval of the council of Miskito elders This volume is much more than a political autobiography or an ethnographic account Rafaga is the unique story of a dynamic leader who had courage enough for war and the vision necessary for negotiation It is also the all too common story of the devastation experienced by the indigenous people of a region undergoing full scale militarization

BOOK JACKET **Rafaga** Judith Kay Wilson, 1990 The Miskitu People of Awastara Philip A. Dennis, 2010-06-28 Most anthropologists who have lived among other people feel a periodic need to go back writes Philip A Dennis in the introduction to this book Fieldwork gives you a stake in the people themselves a set of relationships that last the rest of your life and when the time is right it is important to go back Dennis first journeyed to Awastara a village on the northeastern coast of Nicaragua during 1978 1979 as a postdoctoral student He had come to study a culture bound syndrome in which young women are possessed by devils In the process he became fascinated by other aspects of Miskitu culture turtle fishing Miskitu Christianity community development efforts the whole pattern of Miskitu community life He also formed deep friendships to carry into the future Twenty years later he was able to return and continue his ethnographic work Utilizing ideas from recent interpretive anthropology and a vivid writing style Dennis describes food habits language health practices religious beliefs and storytelling inviting the reader to experience life in Awastara along with him Building upon earlier work by Mary Helms

Bernard Nietschmann Edmund Gordon and Charles Hale The Miskitu People of Awastara makes its own original contribution It is the first full length study of a coastal Miskitu community north of Puerto Cabezas contrasting life before and after the war years of the 1980s It will be a valuable addition to the literature on this indigenous group and should appeal to anthropologists and other social scientists as well as all readers interested in peoples of the Caribbean coast **Omar Cabezas, Nicaragua, and the Narrative of Liberation** José María Mantero, 2019-06-26 Throughout his political and military career Omar Cabezas fought to transform Nicaragua to implement the ethics that had led him to participate in the armed struggle against Anastasio Somoza's regime and to be active during the 1980s and 1990s as a member of the National Congress Omar Cabezas Nicaragua and the Narrative of Liberation To the Revolution and Beyond surveys the foundations of liberation discourse as it relates to the work of Omar Cabezas It examines themes associated with Nicaraguan and Latin American culture and literature considering key issues of national liberation and identity in the wake of the Sandinista revolution By contextualizing the research within a continental and national perspective and using concepts such as utopia orality and humor to frame the discussion on national liberation Mantero shows the symbiotic relationship between the work of Cabezas and the reformulation of Nicaraguan identity in the post revolution **The Role of Female Combatants in the Nicaraguan Revolution and Counter Revolutionary War** Martín Meráz García, Martha L. Cottam, Bruno M. Baltodano, 2019-01-08 The revolution in Nicaragua was unique in that a large percentage of the combatants were women The Role of Female Combatants in the Nicaraguan Revolution and Counter Revolutionary War is a study of these women and those who fought in the Contra counter revolution on the Atlantic Coast This book is a qualitative study based on 85 interviews with female ex combatants in the revolution and counter revolution from the 1960s to the end of the 1980s as well as field observations in Nicaragua and the autonomous regions of the Atlantic Coast It explores the reasons why women fought the sacrifices they made their treatment by male combatants and their insights into the impact of the revolution and counter revolution on today's Nicaragua The analytical approach draws from political psychology social identity dynamics such as nationalism and indigenous identities and the role of liberation theology in the willingness of the female revolutionaries to risk their lives Researchers and students of Gender Studies Latin American and Latino Studies and Political History will find this an illuminating account of the Nicaraguan Revolution and counter revolution which until now has been rarely shared **A History of Christianity in Asia, Africa, and Latin America, 1450-1990** Klaus Koschorke, Frieder Ludwig, Mariano Delgado, Roland Spliesgart, 2007-09-14 The map of world Christianity has changed dramatically in just the last century Today the majority of Christians live in Africa Asia and Latin America making Christianity a world religion as never before in history Given that global reality Klaus Koschorke Frieder Ludwig and Mariano Delgado in cooperation with Roland Spliesgart have created the first comparative documentary history of Christianity for these regions covering the period 1450 1990 Taking the changing ecumenical conditions into account this volume enlarges the horizon of

classical church historiography In contrast to the prevailing Western perspectives on the history of Christianity in Africa Asia and Latin America voice is given here to the multitude of local initiatives specific experiences and varieties of Christianity in very diverse cultural contexts addressing such questions as the colonial conquest slavery and the demand for ecclesiastical independence

Blood on the Border Roxanne Dunbar-Ortiz, 2016-08-03 Human rights activist and historian Roxanne Dunbar Ortiz has been described as a force of nature on the page and off That force is fully present in *Blood on the Border* the third in her acclaimed series of memoirs Seamlessly blending the personal and the political *Blood on the Border* is Dunbar Ortiz s firsthand account of the decade long dirty war pursued by the Contras and the United States against the people of Nicaragua With the 1981 bombing of a Nicaraguan plane in Mexico City a plane Dunbar Ortiz herself would have been on if not for a delay the US backed Contras short for los contrarrevolucionarios launched a major offensive against Nicaragua s Sandinista regime which the Reagan administration labeled as communist While her rich political analysis of the US Nicaraguan relationship bears the mark of a trained historian Dunbar Ortiz also writes from her perspective as an intrepid activist who spent months at a time throughout the 1980s in the war torn country especially in the remote northeastern region where the Indigenous Miskitu people were relentlessly assailed and nearly wiped out by CIA trained Contra mercenaries She makes painfully clear the connections between what many US Americans today remember only vaguely as the Iran Contra affair and ongoing US aggression in the Americas the Middle East and around the world connections made even more explicit in a new afterword written for this edition A compelling important and sobering story on its own *Blood on the Border* offers a deeply informed closely observed and heartfelt view of history in the making

Indigenous Peoples and Globalization Thomas D. Hall, James V. Fenelon, 2015-12-03 The issues native peoples face intensify with globalization Through case studies from around the world Hall and Fenelon demonstrate how indigenous peoples movements can only be understood by linking highly localized processes with larger global and historical forces The authors show that indigenous peoples have been resisting and adapting to encounters with states for millennia Unlike other antiglobalization activists indigenous peoples primarily seek autonomy and the right to determine their own processes of adaptation and change especially in relationship to their origin lands and community The authors link their analyses to current understandings of the evolution of globalization
