Raging Passion:

Raging Passion Amanda Carpenter, 1985 *Raging Passion* by Amanda Carpenter released on Dec 25 1984 is available now for purchase [Shades of Passion](#) Chad Shaim, 2007-04 The use of constrained rhyme rings of tradition yet is controlled in such a way that it reflects the poet's unique style Without completely breaking of the past this poet remains true to our modern context adopting an older convention to a newer usage International Society of Poets *Shades of Passion* is a collection of fifty nine passionately written original poems on a variety of topics Countless metaphors paint vivid mental pictures dealing with the dark and light sides of love religion the world and the eternal struggle between good and evil Author Chad Shaim instills great enthusiasm in his words allowing his poems to truly come to life His poetry is open so you can put your own meaning behind each of his works Shaim focuses on capturing the mood and the spirit of the moment and gives you the opportunity to complete the story By looking at the poems in *Shades of Passion* not from your viewpoint but as if you are actually speaking them you can make the experience a truly personal one **Runaway Passion** Vivian Vaughan, 2015-02-22 A Texas Rancher's daughter is on the run and the man sent to bring her home may be her ticket to freedom in this historical western romance Texas 1879 Emilie Hahn has tried to escape her father's Texas ranch before But this time she has a plan And not even the handsome rancher sent to pursue her will drag her back without a fight Even as she resists his attempts to return her to her father her heart can't deny the intense desire that draws them together Creed McCaslin has been hired to rescue Emilie and he's not one to leave a job undone Even when he learns that she's a runaway and not the damsel in distress her father has made her out to be he still pursues the brave and beautiful young woman But his mission never included falling in love with his quarry Once Creed catches up to Emilie will he return her to the ranch or will they ride off together A wonderful adventure and a sensitive romance RT Book Reviews [The Gipsy's Vengeance](#) Charles Jefferys, 1856 **On the Dark Side of Passion** Corlis Martin, 2008 *On The Dark Side of Passion* is about deeply intimate moments and the penalties of those who choose love over all else regardless of the consequences **Pride and Passion** May Agnes Fleming, 1882 **A Raging Passion** Beverly Taki, 1997 [Passion's Triumph over Reason](#) Christopher Tilmouth, 2010-11-11 *Passion's Triumph over Reason* presents a comprehensive survey of ideas of emotion appetite and self control in English literature and moral thought of the sixteenth and seventeenth centuries In a narrative which draws on tragedy epic poetry and moral philosophy Christopher Tilmouth explores how Renaissance writers transformed their understanding of the passions re evaluating emotion so as to make it an important constituent of ethical life rather than the enemy within which allegory had traditionally cast it as being This interdisciplinary study departs from current emphases in intellectual history arguing that literature should be explored alongside the moral rather than political thought of its time The book also develops a new approach to understanding the relationship between literature and philosophy Consciously or not moral thinkers tend to ground their philosophising in certain images of human nature Their work is premised on

imagined models of the mind and presumed estimates of man's moral potential. In other words, the thinking of philosophical authors as much as that of literary ones is shaped by the pre-rational assumptions of the moral imagination. Because that is so, poets and dramatists in their turn in speaking to this material typically do more than just versify the abstract ideas of ethics. They reflect directly and critically upon those same core assumptions which are integral to the writings of their philosophical counterparts. Authors examined here include Aristotle, Augustine, Hobbes and an array of lyric poets, but there are new readings too of *The Faerie Queene* and *Paradise Lost*, Hamlet and Julius Caesar, Dryden's *Lucretius* and Etherege's *Man of Mode*. Tilmouth's study concludes with a revisionist interpretation of the works of the Earl of Rochester, presenting this libertine poet as a challenging intellectually serious figure. Written in a lucid accessible style, this book will appeal to a wide range of readers.

Passion Or the Destruction of Chastity and Virtue Phillip Anthony Nares, 2013-04-01. A book of poetry in honor of True Love, Freedom, Perversion and Liberty. Viewing the aspects of Libertinage and its brutality. Being free from all law, religion and human convention. These are my Obsessions, Thoughts and Dreams. This is the only world I can live in. This is absolutely the only true Bohemian poetry.
