Ragmans Memory:

The Ragman's Memory Archer Mayor, 1996 Vermont homicide detective Joe Gunther faces the most confusing case investigation of his career one involving buried memories and newfound desire in the seventh novel in the highly successful series

Straight From The Ragman's Horse Robert Fenwick, 2014-04-24 Enclosed are one boy's tales of growing up in a tough working class neighbourhood in an industrial Tyneside town in the 1950s and 1960s They are about real life and experience However the tales are also about truth lies and betrayal Comedy sits alongside pathos and tragedy sometimes uncomfortably They are fragments of the author's memories of those years but quite possibly they will also be part of the collective memory of other working class children of that era

The Catch Archer Mayor, 2008-09-30 Joe Gunther a policeman for most of his adult life gets the call that every cop hates and every law enforcement friend and family member fears a fellow officer has been killed in the line of duty During what appears to have been a routine traffic stop on a dark country Vermont road a deputy sheriff was shot to death From what can be seen on the cruiser's video recorder it is believed that the killers were a couple of Boston based drug runners pulled over by the deputy on their way from Canada to Boston Gunther and his Vermont Bureau of Investigation team are brought in not only to identify the killers but to track them down regardless of where they've run all the way from Boston to Portsmouth New Hampshire to the coast of Maine Meanwhile along that very same shoreline Alan Budney the disaffected son of a Maine lobsterman is a man with big ambitions to usurp and replace the state's primary drug kingpin a plan that will inevitably place him on a collision course with Gunther's investigation In a case that leads him into unfamiliar territory Gunther finds himself facing some utterly ruthless players in a lethally dangerous game

BOOK JACKET Ragman's Roll Jon Neal Wallace, 2014-06-25 The Civil War novel *Ragman's Roll* takes readers back to that bitter period of American history as two men enlist right after war breaks out Will Wallace and Tom Jackson were aides and security agents for President Lincoln After helping him win the presidency in 1860 they are now embarking on a new adventure fending off death and the possible division of the union Tom becomes a scout for Will who rises in rank to become Union General W H L Wallace As the hero of two battles Fort Donelson and Shiloh Wallace was responsible for saving Grant's army at the Battle of Shiloh despite being fatally injured on the battlefield A secondary plot focuses on the dreams of General Wallace as he lay dying from his wounds A vision appears to him reminding of him of the true reason for his sacrifice to ensure the end of slavery and preserve democracy

Paradise City Archer Mayor, 2012-10-02 Joe Gunther and his team at the Vermont Bureau of Investigation are alerted to a string of unrelated burglaries across Vermont that are connected to the vicious murder of an elderly Beacon Hill woman

Presumption of Guilt Archer Mayor, 2016-09-27 A forty year old skeleton is found encased in a concrete slab at a recently decommissioned nuclear energy site It becomes a case for the Vermont Bureau of Investigation VBI and its leader Joe Gunther since they have the resources and the ability to investigate an old very cold missing persons case that has now been reclassified as murder

The victim was Hank Mitchell and Gunther must chase down old rumors and speculations who benefited from his death and the disappearance of his body And was his death somehow tied to New York City mafia money being laundered through the construction project But what seems the coldest of cold cases roars back to life when one of the central figures in this mystery is shot to death right after speaking with Gunther And when a young police officer the son of VBI investigator Lester Spinney is kidnapped is that meant to be a warning to the VBI team to drop the case After all these many years the truth behind the murder still has to the power to kill and it s up to Gunther and his team to capture the living and finally put the dead to rest

The Price of Malice Archer Mayor,2010-09-28 Joe Gunther head of the Vermont Bureau of Investigation is torn between an official murder investigation and his girlfriend s quest to find out the truth behind her disappearance of both her father and brother and possible murder Martin s Press

The Company She Kept Archer Mayor,2015-09-29 During the height of a harsh Vermont winter the body of a woman is found hanging from the steel mesh retaining net lining the cliffs along the interstate She was brutally murdered with the word dyke carved into her chest She was also a state senator and best friend and ally of the current governor Gail Zigman At Zigman s personal request Joe Gunther and his Vermont Bureau of Investigation team agree to help the Vermont State Police in their investigation before the victim s high profile and powerful friends create the inevitable publicity maelstrom Raffner was indeed a lesbian and the word carved into her chest might be evidence of a hate crime or it might be a feint designed to confuse and mislead investigators But the question remains what was she involved with who wanted her dead and what company was she keeping What Gunther and his team discover during their initial investigation isn t the stuff of a simple murder Someone killed a prominent figure and fabricated an elaborate scene for a purpose And this might only be the beginning in Archer Mayor s *The Company She Kept*

The Second Mouse Archer Mayor,2006-09-04 Thirty one year old Victorian gentlewoman Amelia Peabody has not only inherited her father s fortune but she is also blessed with his strong will as well Now she s headed for Cairo accompanied by a girl with a tarnished past to indulge her passion for Egyptology Little did she know that murder and a homicidal mummy lay in wait for her

Red Herring Archer Mayor,2010-09-28 VBI Vermont Bureau of Investigation head Joe Gunther and his team are called in to investigate a series of violent deaths that appear unrelated until telltale clues reveal a linkage between them and that all of the deaths are in fact murders However apart from a single drop of unexplained blood left at each crime scene there are no obvious connections between the victims or the cases The police are faced with more questions than answers including what do the mysterious deposits of blood mean coming as they do from three additional unknown people In their search for the elusive truth the VBI must plumb the depths of every suspect s past every victim s most intimate details and examine each piece of evidence down to the smallest detail an examination which includes a trip to the Brookhaven National Lab on Long Island and an exploration of cutting edge forensic technology
