

Railroading in the Carolina Sandhills:
Volume 2:
The 20th Century (1900–1985)

By S. David Carriker

Photographer: Unknown

N.L. HOOVER LUMBER COMPANY purchased Shay #1 (CN 574) on 5/20/1899 and used it in Glen Campbell, Pa. until 1906. The Shay then traveled to Cash, S.C., the location for this photograph. It remained there with Hoover until 1916, but remained with other companies in Cash, S.C. until 1916. This Shay was built to a standard gauge with narrow wheels for steel rails. The 36 ton locomotive had a 12" taper stack, with an 1800 gallon water tank. It had steam brakes, a #100 bell, a 5" heavy whistle, an 18" Dayton light and used coal for fuel. Its disposition is unknown.

Collection: Mrs. Stokes

Carolina & N-W Matthew C. Bumgarner,1996 With dozens of never before published photographs this history traces the 140 year rise fall and rise again of the Carolina North Western Railway Charting the ups and downs of the line s construction the politics squabbling triumphs and failures the chronicle provides a microcosmic overview of American railroading in this story of a single line Life on the railroad through the Great Depression World War II dieselization and absorption by Southern Railway is explored punctuated by the real life experiences of old timers Nearly 200 maps and photographs complement the text Together they deliver an inspiring historical tale of the Carolina North Western Railroads in the Old South Aaron W. Marrs,2009-03-10 Aaron W Marrs challenges the accepted understanding of economic and industrial growth in antebellum America with this original study of the history of the railroad in the Old South Drawing from both familiar and overlooked sources such as the personal diaries of Southern travelers papers and letters from civil engineers corporate records and contemporary newspaper accounts Marrs skillfully expands on the conventional business histories that have characterized scholarship in this field He situates railroads in the fullness of antebellum life examining how slavery technology labor social convention and the environment shaped their evolution Far from seeing the Old South as backward and premodern Marrs finds evidence of urban life industry and entrepreneurship throughout the region But these signs of progress existed alongside efforts to preserve traditional ways of life Railroads exemplified Southerners pursuit of progress on their own terms developing modern transportation while retaining a conservative social order Railroads in the Old South demonstrates that a simple approach to the Old South fails to do justice to its complexity and contradictions Dr Owen Brown and Dr Gale E Gibson **Report of the South Carolina Canal and Railroad Company** South Carolina Canal and Railroad Company,1842 Logging Railroads of South Carolina Thomas T. Feters,1990 Story of the independent and commercial loggers whose desire for the green gold helped shape South Carolina s history General Order South Carolina

Railroad, South Carolina Railway Company, 1879 Ten single leaf pieces issued by the South Carolina Railroad Nos 2 3 5 6 7 12 13 14 15 16 and one leaf No 184 issued by South Carolina Railway Company concerning route changes new policies etc
