Railways Of South Shields:

Railways of South Shields Neil Thomson Sinclair, Ian S. Carr, 1990 **The Railway Times** ,1849 **An Historical Geography of Railways in Great Britain and Ireland** David Turnock, 2016-12-05 Although a great deal has been published on the economic social and engineering history of nineteenth century railways the work of historical geographers has been much less conspicuous This overview by David Turnock goes a long way towards restoring the balance It details every important aspect of the railway s influence on spatial distribution of economic and social change providing a full account of the nineteenth century geography of the British Isles seen in the context of the railway The book reviews and explains the shape of the developing railway network beginning with the pre steam railways and connections between existing road and water communications and the new rail lines The author also discusses the impact of the railways on the patterns of industrial urban and rural change throughout the century Throughout the historical geography of Ireland is treated in equal detail to that of Great Britain **The Railway Magazine** ,1906 **Light Railways Procedure: Reports and Precedents** ... John Steward Oxley, 1903 **The Railway Year Book** ,1902 Railway Times ,1843 **The Railways of Great Britain and Ireland Practically Described and Illustrated** Francis Whishaw, 1840 Tramway and Railway World ,1900
