Rain of Gold ,1992 In *Rain of Gold* Victor Villaseñor weaves the parallel stories of two families and two countries bringing us the timeless romance between the volatile bootlegger who would become his father and the beautiful Lupe his mother men and women in whose lives the real and the fantastical exist side by side and in whose hearts the spirit to survive is fueled by a family's unconditional love

Beyond Rain of Gold Victor Villaseñor, 2011-04-01 The incredible story behind the writing and publication of Victor Villaseñor's national bestseller *Rain of Gold* It captures the difficult and courageous path the author followed to ensure that his family's saga would be published as the authentic true account it is The real power of this book lies in the sacred relationship that Villaseñor has with his father mother and ancestors In other words *Beyond Rain of Gold* encompasses the magical messages that Villaseñor's indigenous ancestors told him are universal themes common to native peoples everywhere on this planet and at one time we were all indigenous This is an exciting raw and honest work with events occurring that transcend the boundaries of what we normally call reality And like Carlos Castaneda's *Don Juan* trilogy *Beyond Rain of Gold* explores altered states of consciousness revealing the wisdom and magic inherent in everyday existence This is a book that will make you see the world in an entirely different way and which will stimulate your mind and emotions to create a New Earth way of thinking and being

Rain of Gold Victor Villaseñor, 2015 It all began when Villaseñor's maternal grandmother sat him down in their little home in the barrio of Carlsbad California gave him sweet bread and told him the story of their past Of his mother Lupe the most beautiful girl in the whole village who was only a child when Villa's men came shooting into their canyon And of his father Juan and his family reduced to rags and starvation as they sought escape across the border where they believed that endless opportunity awaited Lupe and Juan met and fell in love in California but they found that the doors to the Promised Land were often closed to those from south of the border His father was forced to take the law into his own hands in spite of his wife's objections With love and humor Villaseñor shares this passionate love story that celebrates the triumph of the human spirit An all American story of struggle and success *Rain of Gold* focuses on three generations of Villaseñor's kin their spiritual and cultural roots back in Mexico their immigration to California and overcoming poverty prejudice and economic exploitation
