Rainbows Roller Coasters:

The Roller Coaster Rainbow Diana J.A Molyneaux,2014-04-18 Journey on a roller coaster ride with Mother Nature s friendly rainbow Watch as Elijah s rainbow pal comes alive and allows him to enjoy nature and friends from far above Elijah lives far away from everyone but on one rainy day he goes on an exciting journey with his new found pal Depending on the weather from that day onwards the Roller Coaster Rainbow takes him to play as often as he can Elijah never has another lonely day at his house on the steep hill again **Rosezinda** John F. Parker,2003-06-23 Rosezinda Riding Rainbows is a fanciful tale that literally starts out with a bang Within seconds of being struck by a speeding van Cora a plucky outspoken 13 year old is taken on the thrill ride of her young life Arriving in a new reality called E and renamed Rosezinda she encounters a collection of colorful individuals who take her on a series of hair raising adventures This quirky and somewhat edgy story had me hooked from its exciting beginning to the surprise ending I didn t want to put it down until I had read the last word even then I found myself turning the page wanting more The evocative imagery and eccentric characters are worthy of a Spielberg movie especially the wonderful basketball game which is unlike any basketball game the reader could ever imagine Though the story s intended audience is children who I believe will be entranced by it it may be enjoyed on multiple levels by older readers Parents may wish to read Rosezinda Riding Rainbows with their children and discuss some of the provocative questions it brings up I m anxious to read more of Rosezinda s adventures I applaud Parker on his originality and creativity Linda R Thompson Ed D Director of Student Support Services Harding University Arkansas John Parker s book is exciting because it includes the things that are important in life When I grow up I will make a movie out of it if there isn t one by then 12 year old Alex in grade six Vancouver BC Parker has created a wonderful magical world that is totally against the readers perception of reality but which seems entirely plausible Monique Trottier Raincoast Publishers I predict that Rosezinda will become a classic Dr Jennifer Hurd Senior Consultant Houghton Mifflin I can size Rosezinda up in one word BRILLIANT R Rudolph Harmony House Publishers More Praise for Rosezinda inside Rainbows & Roller Coasters Glenn Hass,1995

Candy Crisis Cavan Scott,2026-01-01 After agreeing to test out the new Rainbow Roller ride Emily Jacob and Frank find themselves in a land of sugary treats At first everything is wonderfully delicious and they gobble up all the sweets they can find But when an angry mob of talking gummy bears seeks revenge the friends must use their wits to escape a sticky trap

Rainbow's Expressions and Observations Or Only Visiting This Planet in Search of a Brain Or I Know the Answer's 42, But What's the Piggin' Question? Rainbow,2006-11 Born the youngest of three in London England Rainbow has always been an aAmericaphilea loving all things American especially chrome and fins on cars At 15 he left academia and enrolled in the University of Life He traveled to America in the a70s and again in the a80s although that rock and roll dream ended in him returning to England totally broke and alone He turned for comfort and companionship to his ascratching pada and wrote always coming out in verse when the muse struck his expressions and observations on what he fondly calls the

upright biped species that infect this planet as well as his own thoughts and experiences He slowly became convinced that he was not from this planet even if that only meant he seemed alien to most people However U S Immigration finally confirmed it when they stamped his passport as a legal permanent resident and issued him with his official alien number Thank you U S A Now it's official I come in peace but please don't take the peace [Dancing in the Rainbow](#) Stephen Preston,2014-10-23
