Memories of a Chickabiddy Betty Jordan,2012-12-03 Growing up on a farm in the Midwest during the 30 s 40 s and 50 s was a page in history the will never be again Each family farm was a special little unit that was very sufficient We grew our own vegetables and some fruit we raised cattle pigs and chickens We therefore had our own milk and cream our own meat our own eggs and from our well our own water The mothers sewed the clothing and we even had our own fuel copped wood There was no medical insurance and if the grandparents needed healthcare the family took care of them Farmers had no motor homes vacations were unheard of when you have to milk the cows twice a day and you owed it to the cows to be on time Entertainment was in the home and visiting the neighbors along with bridal showers weddings along with graduations and an occasional barn dance It was a cohesive unit and a happy one Red Arrow across the Pacific Mark D.
