Paola Vettorel, 2015-06-18 The contributions to this volume explore several focal issues related to the global spread of English and their implications for English language teaching providing both theoretical and empirical perspectives on recent research and implications in educational terms The volume is divided into three thematic sections namely Developments in ELF research and pedagogic implications Raising teachers awareness of ELF and ELF and ELT practices The book provides up to date perspectives on the issues implications and repercussions that findings in ELF research can have for ELT practices The contributors are all scholars and researchers who have long been engaged in ELF related research and who have undertaken operational and practical work in the field and as such offer novel perspectives on the effects of EFL research on the teaching and learning of English The volume also presents the findings of innovative projects in teacher education involving pre and in service teachers providing exemplificative good practices of possible new routes into pluralistic ELF aware and ELF oriented didactic perspectives

The Study of Second Language Acquisition Rod Ellis, 1994 This thorough introduction to second language research provides a comprehensive review of the research into learner language internal and external factors in language acquisition individual differences and classroom second language learning

The Solution to the 'Son of Man' Problem Maurice Casey, 2009-09-01 The opening chapter surveys the history of scholarship regarding the problematic use of the phrase son of man in the New Testament It also explains why this problem could not be solved until recently Casey then presents the relevant Aramaic evidence He offers a careful discussion of the use of the Aramaic term son of man in the light of over 30 examples of the use of this term by speakers who are referring to themselves Chapters 4-9 discuss authentic examples of this idiom in the teaching of Jesus with Aramaic reconstructions of each saying All but one of these sayings is found in Mark or Q There is then a full discussion of secondary sayings in the Synoptic Gospels The first ones dependent on Daniel 7:13 belong to the earliest Gospel which also contains the results of translating genuine sayings of Jesus from Aramaic into Greek There is a discussion of the transition process between authentic Aramaic sayings of Jesus and Greek son of man sayings in the synoptic Gospels This argument builds on work in the field of translation studies and the work of ancient translators especially of the Septuagint Casey argues that Gospel translators deliberately translated both literally and creatively to produce a new Christological title It is this tradition that is evident in the Fourth Gospel its son of man sayings fit perfectly into Johannine theology The final chapter draws together a complete solution to this difficult problem

Intonation in L2 Discourse María Dolores Ramírez-Verdugo, 2021-07-11 Grounded in a systemic functional linguistic SFL approach this book applies a contrastive interlanguage corpus based approach to investigate the nature and role of L2 intonation and its pragmatic function in spoken discourse The volume offers a brief overview of SFL theories and frameworks with a clear focus on Halliday's model of phonology and the proposal of developing a grammar of speech Integrating a SFL framework with a corpus linguistic informed approach the book uses this foundation as a jumping off point from which to explore the prosodic complexities involved in English language teaching and learning for L2 learners

highlighting its various functions as illustrated in examples from the UAM English Learner Spoken Corpus A final chapter synthesizes these findings toward critically reflecting on future directions for the study of L2 speech prosody This book will be key reading for graduate students and researchers in applied linguistics and English language teaching **Encyclopedia of Bilingual Education** Josue M. Gonzalez, 2008-06-05 The book is arranged alphabetically from Academic English to Zelasko Nancy **New Trends in Crosslinguistic Influence and Multilingualism Research** Gessica De Angelis, Jean-Marc Dewaele, 2011 This book presents the latest developments in crosslinguistic influence CLI and multilingualism research The contributors situate their research in current debates and present it in an accessible way They consider CLI in lexis syntax tense aspect morphology phonology of multilingual production and link it to concepts such as redundancy affordances metalinguistic awareness and L2 status Asian Englishes Braj B. Kachru, 2005-02-01 This book provides crucial reading for students and researchers of world Englishes It is an insightful and provocative study of the forms and functions of English in Asia its acculturation and nativization and the innovative dimensions of Asian creativity It contextualizes a variety of theoretical applied and ideological issues with refreshing interpretations and reevaluations and can be used both as a classroom text and a resource volume Second Language Acquisition Susan M. Gass, 2013-08-21 Now in a fourth edition this bestselling introductory textbook remains the cornerstone volume for the study of second language acquisition SLA Its chapters have been fully updated and reorganized where appropriate to provide a comprehensive yet accessible overview of the field and its related disciplines To reflect current developments new sections on using learner corpora semantics and morphosyntax within formal approaches to SLA sociocultural approaches gesture priming research and chaos theory have been added Students will also find expanded discussions of heritage language learning bilingualism pragmatics and much more The redesigned fourth edition of Second Language Acquisition retains the features that students found useful in the current edition but also provides new pedagogical tools that encourage students to reflect upon the experiences of second language learners As with previous editions discussion questions and problems at the end of each chapter help students apply their knowledge and a glossary defines and reinforces must know terminology This clearly written comprehensive and current textbook by expert Sue Gass is the ideal textbook for the introductory SLA course in second language studies applied linguistics linguistics TESOL and language education programs **Age, Accent and Experience in Second Language Acquisition** Alene Moyer, 2004-03-16 This work critically addresses the age debate in second language acquisition studies presenting an in depth study of factors that predict foreign accent Quantitative and qualitative analyses confirm that cognitive social and psychological factors contribute to attainment and that biological influences must therefore be considered alongside these essential aspects of learner experience **Adquisició de l'anglès com a segona llengua** María Luz Celaya Villanueva, 2005-05-23 En el context dels nous ensenyaments i en el nostre cas amb la implantació d'assignatures de Lingüística Aplicada Anglesa per primera vegada el curs 1994-95 aquest text guia pretén

oferir als estudiants les nocions fonamentals de l'adquisició de l'anglès com a segona llengua des d'una perspectiva teòrica i pràctica. S'inclouen doncs conceptes com el paper de la llengua materna o les variables de l'aprenent juntament amb l'anàlisi d'estudis empírics sobre adquisició de l'anglès o les bases per a dur a terme investigació en aquest camp.

Computational Linguistics and Intelligent Text Processing Alexander Gelbukh, 2015-04-09 The two volumes LNCS 9041 and 9042 constitute the proceedings of the 16th International Conference on Computational Linguistics and Intelligent Text Processing CICLing 2015 held in Cairo Egypt in April 2015. The total of 95 full papers presented was carefully reviewed and selected from 329 submissions. They were organized in topical sections on grammar formalisms and lexical resources morphology and chunking syntax and parsing anaphora resolution and word sense disambiguation semantics and dialogue machine translation and multilingualism sentiment analysis and emotion detection opinion mining and social network analysis natural language generation and text summarization information retrieval question answering and information extraction text classification speech processing and applications.

A Dynamic Model of Multilingualism Philip Herdina, Ulrike Jessner, 2002 The model presented in this volume draws together various strands of research: second language acquisition theory bilingualism research dynamic systems theory to develop a novel approach to this challenging subject. Its main focus lies on the psycholinguistic dynamics of multilingualism: the processes of change in time affecting two or more language systems.

Crosslinguistic Influence in Language and Cognition Scott Jarvis, Aneta Pavlenko, 2008-03-03 A cogent clearly written synthesis of new and classic work on crosslinguistic influences on language and thought: this book is intended as a text for upper level undergraduates and graduate students as well as a resource for instructors and scholars in applied linguistics, linguistics and psycholinguistics courses.
